

Gateway First Bank Taps FIS Core Banking Platform to Power New Digital Bank

March 14, 2019

Key facts

- Gateway Mortgage Group selects FIS to power new direct-to-consumer Gateway First Bank.
- FIS will provide modern core banking solution as well as advanced online account origination platform to help the bank grow its accounts and deposits nationwide.

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Mar. 14, 2019-- [FIS](#)™ (NYSE:FIS), a global leader in financial services technology, announced today that it has been selected by Gateway Mortgage Group, LLC to provide the modern core banking platform to power its new digital bank, Gateway First Bank.

A leading mortgage company licensed in 40 states and the District of Columbia, Gateway Mortgage Group will acquire Oklahoma-based Farmers Exchange Bank as part of its evolution to a diversified regional banking model serving both commercial and consumer clients.

With a goal to grow its accounts and deposits nationwide, Gateway Mortgage Group is planning in mid-2019 to launch Gateway First Bank, its full-service, direct-to-consumer digital bank. The group chose FIS to deliver a modern core banking solution, including an advanced Online Account Origination system based on the next-generation FIS Digital One™ omnichannel platform.

"As we planned for the launch of Gateway First Bank, we selected a partner with deep experience and scale in digital banking," said Stephen Curry, Gateway Mortgage Group CEO. "I have worked with FIS in the past, and their platform will give us the modern functionality and digital services we need to attract and serve customers around the country."

Built on an open, component-based architecture, the new FIS platform will enable Gateway First Bank to provide a full set of responsive, personalized digital services to its customers. The Digital One Online Account Origination solution will allow customers to open and manage their accounts via mobile and laptop devices.

"We are excited to welcome Gateway First Bank as a new FIS client," said Bruce Lowthers, chief operating officer, Integrated Financial Solutions, FIS. "FIS technology supports many of the leading direct-to-consumer banks in the market around the world. We look forward to helping Gateway First Bank take advantage of the power of digital banking to expand its customer base and meet its growth goals."
