Key facts

- FIS wins in key outsourcing category for the second year in a row

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Apr. 1, 2019-- [FIS](#)™ (NYSE: FIS), a global leader in financial services technology, announced today that it has been recognized as the “Best Outsourcing Provider” at the 2019 Family Wealth Report Awards.

Presented at a ceremony last month in New York City, The Family Wealth Report Awards recognize excellence in wealth management. For the second year in a row, FIS won top honors as a provider of outsourced wealth management technology. The judges recognized the breadth and depth of function of FIS' technology solutions.

“We are proud to be recognized for the quality of our wealth outsourcing services, especially as FIS marks our 25th year of offering these solutions to the marketplace,” Brian DuVal, head of Wealth and Retirement for FIS. “FIS is continuing to invest in these tools to help financial institutions modernize and scale their offerings, all while providing a great experience and service to their clients.”

“The firms who triumphed in these awards are all worthy winners, and I would like to extend my heartiest congratulations,” said ClearView Financial Media's CEO, and Publisher of *Family Wealth Report*, Stephen Harris. “These awards recognise the very best operators in the private client industry, with ‘independence’, ‘integrity’ and ‘genuine insight’ the watchwords of the judging process - such that the awards truly reflect excellence in wealth management.”

FIS provides wealth and retirement technology and services to more than 1,700 firms around the world and services more than \$7.6 trillion in client assets.
