- FIS takes top ranking in 2019 IDC Financial Insights FinTech Rankings.

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Sep. 23, 2019-- [FIS](#)™ (NYSE: FIS), a global leader in financial services technology, announced today that it has been ranked first in the [2019 IDC FinTech Rankings](#). This is the third consecutive year that FIS has ranked at the top of the annual IDC FinTech Rankings, which is based on prior-year revenue.

"At FIS, our growth as a company is driven by our ability to bring modern, leading-edge solutions to our clients that help them run their operations more cost-effectively, connect with their customers in more meaningful ways, and grow their businesses," said Gary Norcross, FIS chairman, president and CEO. "Ultimately, that is the true measure of our success and our number one mission as a company."

Now in its sixteenth year, the IDC FinTech Rankings evaluate the top global providers of financial technology and services for use by financial institutions and companies in making investment decisions.

"FIS has once again earned the top spot in the IDC FinTech Rankings," said Marc DeCastro, research director, IDC Financial Insights. "Being the world's largest provider of financial technology has allowed FIS to continue to grow organically while making large strategic acquisitions. As the largest FinTech, FIS has been able to expand their global footprint, enhance their portfolio of products and services, and provide their clients with new opportunities."
