### **Key facts:**

- FIS Unity was named Best Technology Platform for Family Offices at the 2021 Private Asset Management (PAM) Awards.
- FIS was also recognized as Best Family Office Service Provider – New Innovations for its wealth management solutions.

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Feb. 26, 2021-- Financial technology leader [FIS](#)<sup>®</sup> (NYSE: FIS) has received two awards for its [wealth management solutions](#) and services at the 2021 Private Asset Management (PAM) Awards by Fund Intelligence.

Announced at a virtual event held by Fund Intelligence on Feb. 10, the FIS Unity solution was named Best Technology Platform for Family Offices. The award recognizes firms that have excelled in providing technology to family office clients over the past year.

In addition, FIS won Best Family Office Service Provider – New Innovations for demonstrating innovation by providing products or services that have solved a problem, created efficiency or simplified the roles of family office professionals.

Award applicants were judged on innovation, market response, business growth, positive client feedback and future development possibilities.

“Our goal is to bring innovative solutions to market that deliver personalized, frictionless experiences to help our clients be successful in a very competitive market,” said Brian DuVal, head of Wealth and Retirement at FIS. “We’re proud that our investments in innovation are driving more seamless omni-channel user experiences that are helping our clients retain and attract the next generation of investors.”

For over two decades, the PAM Awards have provided a platform for top investment professionals, wealth advisors, legal firms, consultants and other key service providers operating within the sector to showcase their achievements.
