July 9, 2024

### Key Facts

- FIS has won Most Innovative Treasury Solution from Global Finance Magazine in its World's Best Treasury & Cash Management Systems and Services Awards.
- For the sixth time and fifth year in a row, FIS was also recognized as a Best Cash & Treasury Management Solution in the Treasury Management International Technology and Innovation Awards.

JACKSONVILLE, Fla.--(BUSINESS WIRE)--Jul. 9, 2024-- [FIS](#)® (NYSE: FIS), a global leader in financial technology, today announced it has won multiple awards recognizing its [Treasury & Risk Management Solutions](#). Claiming top honors, FIS won Most Innovative Treasury Solution from the [Global Finance World's Best Treasury & Cash Management Systems and Services Awards](#), and Best Cash & Treasury Management Solution in the [Treasury Management International \(TMI\) Technology and Innovation Awards](#).

This marks the sixth time and fifth year in a row that FIS received the recognition from TMI, as well as the second year in a row FIS was named a category winner at the Global Finance Awards.

"I'm extremely proud that these industry experts rank FIS' treasury and risk solutions as the best in what they do," said Nasser Khodri, President of Capital Markets Solutions at FIS. "These recognitions are a testament to our ongoing commitment to constantly innovate with a client-first approach and raise the bar year after year. I congratulate all of the other winners on their success and look forward to what's ahead for FIS as we deliver on our vision to unlock financial technology to the world."

FIS' Treasury and Risk Management Solutions unlock the latest cloud-based functionality across the full money lifecycle, with solutions tailored to cash, risk, debt and investment management, foreign exchange, hedge accounting, compliance and more. With significant investments made in artificial intelligence, data lake, and cloud-based technologies, FIS Treasury and Risk Management Solutions help ensure that finance and treasury executives and their teams have the most innovative solutions to manage liquidity and risk when their money is at rest, accelerate payment cycles when it's in motion, and improve workflows and controls when their money is at work.

Full results from the Global Finance awards can be seen [here](#) and will be published in the July/August 2024 print and digital editions and online at [GFMag.com](#). For the full list of TMI honorees, visit the [awards page](#).
