FOR IMMEDIATE RELEASE

Worldpay, Inc.

Notice of Intention to Delist from the London Stock Exchange

Worldpay, Inc. ("**Worldpay**") announces today that it has applied for the cancellation of the listing of its shares of Class A Common Stock (the "**Shares**") on the standard segment of the Official List of the Financial Conduct Authority and of trading on the Main Market of the London Stock Exchange plc (the "**LSE**") (the "**Delisting**"). The Delisting is intended to take effect at or around 8:00 a.m. (BST) on May 20, 2019.

Following completion of the merger between Worldpay (formerly Vantiv, Inc.) and Worldpay Group plc on January 16, 2018, Worldpay continued to monitor and analyse the number of shareholders and the level of trading of Shares on the LSE. The number of shareholders trading and of Shares being traded on the LSE has decreased significantly over this period and therefore Worldpay believes that the administrative costs in connection with maintaining the listing of Shares on the LSE are no longer justified.

On March 18, 2019, Worldpay and Fidelity National Information Services, Inc. ("**FIS**") announced that they had entered into a definitive merger agreement, pursuant to which, at closing, Worldpay shareholders will be entitled to receive 0.9287 FIS shares and \$11.00 in cash for each Share, which, as of March 15, 2019, the last full trading day before the public announcement of the proposed transaction, valued Worldpay at an enterprise value of approximately \$43 billion (including the assumption of Worldpay's debt) (the "**FIS Transaction**"). As part of the FIS Transaction, Worldpay has agreed to use its reasonable best efforts to take, or cause to be taken, all actions reasonably necessary to cause the Delisting before completion of the FIS Transaction. The FIS Transaction is subject to a number of conditions, including receipt of required shareholder and regulatory approvals.

For the reasons stated above, Worldpay intends to proceed with the Delisting regardless of whether the FIS Transaction completes or not. As part of the Delisting, the existing depository interest facility will be terminated and Worldpay shareholders who hold depository interests which facilitate the trading of Shares on the LSE will be transitioned into a CREST depository interest facility. Worldpay intends to provide a proxy service to ensure that those shareholders are still able to vote on the FIS Transaction. In addition, Worldpay shareholders who are transitioned into the CREST depository interest facility will continue to be eligible (as at the relevant record date) to receive any consideration due to them following completion of the FIS Transaction.

The Shares will continue to be traded on the New York Stock Exchange pending completion of the FIS Transaction. However, following the Delisting, Worldpay will no longer be required to comply with the Listing Rules, the Disclosure Guidance and Transparency Rules or the Market Abuse Regulation.
