Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On March 31, 2009, Metavante Technologies, Inc., a Wisconsin corporation (“**Metavante**”), Fidelity National Information Services, Inc., a Georgia corporation (“**FIS**”), and Cars Holdings, LLC, a Delaware limited liability company and a direct, wholly owned subsidiary of FIS (“**Merger Sub**”), entered into an Agreement and Plan of Merger (the “**Merger Agreement**”), pursuant to which Metavante will be merged with and into Merger Sub (the “**Merger**”). Upon consummation of the Merger, the separate existence of Metavante will cease, and Merger Sub will be the surviving company. The Merger has been approved by the Boards of Directors of both Metavante and FIS.

Pursuant to the Merger Agreement, at the effective time of the Merger, each outstanding share of common stock, par value \$0.01 per share, of Metavante (“**Metavante Common Stock**”) (other than shares held by Metavante, FIS and Merger Sub), will be converted into the right to receive 1.35 (the “**Exchange Ratio**”) shares of common stock, par value \$.01 per share, of FIS (“**FIS Common Stock**”) (such conversion amount the “**Merger Consideration**”). As of the consummation of the Merger, outstanding stock options and other stock-based awards of Metavante (other than performance shares) will be converted into stock options and other stock-based awards, respectively, with respect to FIS Common Stock, with adjustments in the number of shares and exercise price (in the case of stock options) to reflect the Exchange Ratio. Each outstanding Metavante performance share will be assumed by FIS and converted into the right to receive restricted shares of FIS Common Stock (with adjustments to reflect the Exchange Ratio) and an amount in cash.

The Merger Agreement includes customary representations, warranties and covenants of the parties. The covenants of the parties include covenants of Metavante and FIS to use reasonable best efforts to consummate the Merger and to conduct their respective businesses in the ordinary course until the Merger is completed. In addition, each of Metavante and FIS has agreed not to solicit or encourage any inquiries or proposals regarding any alternative transaction nor, subject to certain exceptions, to participate in any discussions or negotiations regarding an alternative transaction.

The consummation of the Merger is subject to customary conditions, including (i) obtaining approval of the Merger by shareholders of Metavante, (ii) obtaining approval of the issuance of FIS Common Stock in the Merger by shareholders of FIS, (iii) obtaining approval of the FIS Common Stock to be issued in the Merger for listing on the New York Stock Exchange, (iv) obtaining required governmental and regulatory approvals (including antitrust clearance), provided that none of such approvals imposes any materially burdensome conditions on Metavante, FIS or the surviving company in the Merger, (v) effectiveness of the Registration Statement on Form S-4 for the shares of FIS Common Stock to be issued in the Merger, (vi) the absence of any legal prohibition preventing the consummation of the Merger, (vii) the accuracy of the representations and warranties of the parties to the Merger Agreement (subject to the materiality standards set forth in the Merger Agreement), (viii) material performance of all the covenants of the parties to the Merger Agreement and (ix) the delivery of customary legal opinions as to the federal tax treatment of the Merger. In addition, the obligation of the parties to consummate the Merger is conditioned upon the receipt of certain tax opinions regarding the impact of the Merger on the tax treatment of certain past transactions.

Pursuant to the Merger Agreement, at the effective time of the Merger, the Board of Directors of FIS will consist of nine members comprised of (i) Mr. William P. Foley, II, the current Executive Chairman of FIS, (ii) Mr. Lee A. Kennedy, the current President and Chief Executive Officer of FIS, (iii) Mr. Frank R. Martire, the current Chairman and Chief Executive Officer of Metavante, (iv) four current non-employee directors of FIS designated by FIS, (v) one current non-employee director of Metavante designated by Metavante and (vi) one designee of WPM, L.P. (“**WPM**”), a 25% shareholder of Metavante and an affiliate of Warburg Pincus LLC. At the effective time of the Merger, Mr. Foley will continue to serve as Chairman of the Board of Directors of FIS and Mr. Kennedy will serve as Executive Vice Chairman of the Board of

Directors of FIS. In addition, at the effective time of the Merger, Mr. Martire will become the President and Chief Executive Officer of FIS.

The Merger Agreement contains certain termination rights of Metavante and FIS, including the right to terminate the Merger Agreement if the Merger is not completed by December 31, 2009. The Merger Agreement further provides that, upon termination of the Merger Agreement under specified circumstances (including a termination by either party in order to enter into a definitive agreement with respect to an alternative transaction that the Board of Directors of such party has determined to be a superior proposal, subject to compliance with certain conditions), Metavante or FIS would be required to pay the other party a termination fee of \$175 million.

In connection with the execution of the Merger Agreement, the Board of Directors of Metavante has received an opinion from its financial advisor, Barclays Capital Inc., to the effect that as of the date of the opinion and subject to the matters set forth therein, the Exchange Ratio is fair to shareholders of Metavante from a financial point of view.

The foregoing description of the Merger Agreement and the Merger does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement attached hereto as Exhibit 2.1, which is incorporated herein by reference.

The Merger Agreement has been included to provide investors and security holders with information regarding its terms. It is not intended to provide any other factual information about Metavante, FIS or their respective subsidiaries and affiliates. The Merger Agreement contains representations and warranties of each of Metavante, on the one hand, and FIS and Merger Sub, on the other hand, made solely for the benefit of the other. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules that the parties have exchanged in connection with signing the Merger Agreement. The disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Metavante, on the one hand, and FIS and Merger Sub, on the other hand. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about Metavante, FIS or Merger Sub.

Support Agreement

Concurrently with the execution of the Merger Agreement, Metavante, FIS, Merger Sub and WPM entered into a Support Agreement (the “**Support Agreement**”) pursuant to which WPM, which beneficially owns 25% of the issued and outstanding shares of Metavante Common Stock, agreed to vote the shares it beneficially owns in favor of the Merger and the Merger Agreement and to vote the shares against any other acquisition proposal and against any amendment to Metavante’s articles of incorporation or by-laws that would (i) impede, frustrate, prevent or nullify any provision of the Support Agreement, the Merger Agreement or the Merger, (ii) result in a breach in any respect of any covenant, representation, warranty or other obligation of Metavante under the Merger Agreement or (iii) change in any manner the voting rights of the shares of Metavante Common Stock beneficially owned by WPM. WPM also agreed not to solicit any other acquisition proposals for Metavante. The Support Agreement terminates at the earliest of the effective time of the Merger, the termination of the Merger Agreement in accordance with its terms or the date of any amendment, modification, change or waiver to the Merger Agreement that results in a decrease in the Exchange Ratio or the Merger Consideration. The Support Agreement provides for the termination of the shareholders agreement between Metavante and WPM dated as of November 1, 2007, as amended, upon consummation of the Merger.

The foregoing description of the Support Agreement does not purport to be complete and is qualified in its entirety by reference to the Support Agreement attached hereto as Exhibit 10.1, which is incorporated herein by reference.

Stock Purchase Right Agreement

Concurrently with the execution of the Merger Agreement, FIS, Metavante and WPM entered into a Stock Purchase Right Agreement (the “**Stock Purchase Right Agreement**”) that provides WPM certain rights to purchase shares of FIS Common Stock following the consummation of the Merger. The Stock Purchase Right Agreement also provides for the amendment and suspension, as of March 31, 2009, of the amended and restated stock purchase right agreement dated as of August 21, 2008 between Metavante and WPM and for the termination of that agreement upon consummation of the Merger. The Stock Purchase Right Agreement relates to employee stock options that were outstanding immediately following the separation of Metavante from Marshall & Ilsley Corporation on November 1, 2007 and that will be converted into options to purchase FIS Common Stock pursuant to the terms of the Merger Agreement upon the closing of the Merger. The Stock Purchase Right Agreement would allow (but does not obligate) WPM to maintain its ownership interest in FIS notwithstanding the exercise of certain employee stock options.

The foregoing description of the Stock Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Stock Purchase Agreement attached hereto as Exhibit 10.2, which is incorporated herein by reference.

Credit Agreement Amendment

In connection with the execution of the Merger Agreement, Metavante and its wholly-owned subsidiary, Metavante Corporation (the “**Borrower**”), are soliciting consents from their lenders to amend the credit agreement originally entered into on November 1, 2007 among Metavante, the Borrower, JPMorgan Chase Bank, N.A., as Administrative Agent, Lehman Commercial Paper Inc. and Baird Financial Corporation, as Documentation Agents, Morgan Stanley Senior Funding Inc., as Syndication Agent, and the lenders party thereto (the “**Credit Agreement**”), which Credit Agreement provides for a term loan facility in an aggregate principal amount of \$1.75 billion and a revolving credit facility in an aggregate principal amount of \$250 million.

The requisite lenders under the Credit Agreement have agreed to waive their change of control provisions and permit the Merger and related transactions to proceed. Metavante, the Borrower and FIS are continuing to solicit lender consents to an amendment to the Credit Agreement (the “**Credit Agreement Amendment**”) concerning certain of Metavante’s covenants that will continue to apply after the closing of the Merger. The Credit Agreement Amendment will become effective upon the satisfaction and/or waiver of certain conditions set forth therein, including the consummation of the Merger.

The foregoing description of the Credit Agreement Amendment does not purport to be complete and is qualified in its entirety by reference to the Credit Agreement Amendment, which will be filed when it is executed by all of the consenting lenders upon completion of the consent solicitation process.

ARTICLE I

THE MERGER

1.1 The Merger. (a) Subject to the terms and conditions of this Agreement, in accordance with the Wisconsin Business Corporation Law (the “WBCL”) and the Delaware Limited Liability Company Act (the “DLLCA”), at the Effective Time, Wisconsin shall merge with and into Merger Sub. 2.2 Exchange of Shares. (a) As soon as practicable after the Effective Time, the Exchange Agent shall mail to each holder of record of one or more Certificates a letter of transmittal in customary form as prepared by Georgia and reasonably acceptable to Wisconsin (which shall specify, among other things, that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon delivery of the Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration and any cash in lieu of fractional shares into which the shares of Wisconsin Common Stock represented by such Certificate or Certificates shall have been converted pursuant to this Agreement and any dividends or distributions to which such holder is entitled pursuant to Section 2.2(b). Upon proper surrender of a Certificate or Certificates for exchange and cancellation to the Exchange Agent, together with such properly completed letter of transmittal, duly executed, the holder of such Certificate or Certificates shall be entitled to receive in exchange therefor, as applicable, (i) a certificate representing the number of whole

shares of Georgia Common Stock to which such holder of Wisconsin Common Stock shall have become entitled pursuant to the provisions of Article I (after taking into account all shares of Wisconsin Common Stock then held by such holder), (ii) a check representing the amount of any cash in lieu of fractional shares which such holder has the right to receive in respect of the Certificate or Certificates surrendered pursuant to the provisions of this Article II, and (iii) a check representing the amount of any dividends or distributions then payable pursuant to Section 2.2(b)(i), and the Certificate or Certificates so surrendered shall forthwith be cancelled. Until so surrendered, each Certificate shall represent after the Effective Time for all purposes only the right to receive the Merger Consideration, together with any cash in lieu of fractional shares and any dividends or distributions as contemplated by Section 2.2(b).

(b) No dividends or other distributions declared with respect to Georgia Common Stock shall be paid to the holder of any unsurrendered Certificate until the holder thereof shall surrender such Certificate in accordance with this Article II. (c) If any certificate representing shares of Georgia Common Stock is to be issued in, or any cash is paid to, a name other than that in which the Certificate or Certificates surrendered in exchange therefor is or are registered, it shall be a condition to the issuance or payment thereof that the Certificate or Certificates so surrendered shall be properly endorsed (or accompanied by an appropriate instrument of transfer) and otherwise in proper form for transfer, and that the Person requesting such exchange shall pay to the Exchange Agent in advance any transfer or other similar Taxes required by reason of the payment or issuance in any name other than that of the registered holder of the Certificate or Certificates surrendered, or required for any other reason, or shall establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable. (f) Any portion of the Exchange Fund that remains unclaimed by the shareholders of Wisconsin as of the first anniversary of the Effective Time shall be paid to Georgia. Any former shareholders of Wisconsin who have not theretofore complied with this Article II shall thereafter look only to Georgia for payment of the Merger Consideration, cash in lieu of any fractional shares and any unpaid dividends and distributions payable in accordance with Section 2.2(b), in respect of each share of Wisconsin Common Stock, as the case may be, such shareholder holds as determined pursuant to this Agreement, in each case, without any interest thereon. (g) In the event any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if reasonably required by Georgia, the posting by such Person of a bond in such amount as Georgia may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration, any cash in lieu of fractional shares deliverable in respect thereof pursuant to this Agreement and any dividends or distributions payable pursuant to Section 2.2(b).

2.3 Withholding Rights. The Exchange Agent (or, subsequent to the first anniversary of the Effective Time, Georgia) shall be entitled to deduct and withhold from the Merger Consideration, any cash in lieu of fractional shares of Georgia Common Stock, cash dividends or distributions payable pursuant to Section 2.2(b) hereof and any other cash amounts otherwise payable pursuant to this Agreement to any holder of Wisconsin Common Stock such amounts as the Exchange Agent or Georgia, as the case may be, is required to deduct and withhold under the Code, or any provision of state, local or foreign Tax Law, with respect to the making of such payment. To the extent the amounts are so withheld by the Exchange Agent or Georgia, as the case may be, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of Wisconsin Common Stock in respect of whom

such violations, conflicts, breaches or defaults with respect to clause (ii) that are not reasonably likely to have, either individually or in the aggregate, a Material Adverse Effect on Wisconsin.

(c) Notwithstanding anything in this Agreement to the contrary, to the extent the accuracy of Wisconsin's representations and warranties set forth in this Section 3.3 is based on the accuracy of Georgia's representations and warranties in Section 4.25, Wisconsin's representations and warranties in Section 3.3 shall be limited to the extent affected by any inaccuracy in Section 4.25.

so filed with the SEC since May 22, 2007 and those filed with the SEC subsequent to the date of this Agreement under the Securities Act or the Exchange Act, if any, including any amendments thereto, the "Wisconsin Reports"). As of their respective dates, or, if amended or superseded by a subsequent filing, as of the date of the last such amendment or superseded filing prior to the date hereof, the Wisconsin Reports complied, and each of the Wisconsin Reports filed subsequent to the date of this Agreement will comply, in all material respects with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act of 2002 and rules and regulations promulgated thereunder (collectively, the "Sarbanes-Oxley Act"), as applicable. No Wisconsin Subsidiary is subject to the periodic reporting requirements of the Exchange Act. As of the time of filing with the SEC, none of the Wisconsin Reports so filed or that will be filed subsequent to the date of this Agreement contained or will contain, as the case may be, any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except to the extent that the information in such Wisconsin Report has been amended or superseded by a later Wisconsin Report filed prior to the date hereof. Wisconsin has made available to Georgia correct and complete copies of all material correspondence with the SEC since May 22, 2007 and prior to the date hereof. Except for liabilities incurred in connection with this Agreement or as publicly disclosed in the Forms 10-K, 10-Q and 8-K and any registration statements, proxy statements or prospectuses comprising the Wisconsin Reports filed prior to the date of this Agreement, (i) since December 31, 2008, (A) Wisconsin and the Wisconsin Subsidiaries have conducted their respective businesses in all material respects in the ordinary course of business consistent with past practice, and (B) there has not been any Material Adverse Effect with respect to Wisconsin; and (ii) since December 31, 2008 through the date hereof, there has not been:

As of the date hereof, there is no Action pending against (or, to the Knowledge of Wisconsin, threatened against) Wisconsin that in any manner challenges or seeks to prevent, enjoin, alter or materially delay the Merger.

3.10 Taxes and Tax Returns. (a) Each of Wisconsin and the Wisconsin Subsidiaries has duly and timely filed (including all applicable extensions) all material Tax Returns required to be filed by it (all such Tax Returns being accurate and complete in all material respects), has timely paid or withheld all Taxes shown thereon as arising and has duly and timely paid or withheld all material Taxes that are due and payable or claimed to be due from it by United States federal, state, foreign or local taxing authorities other than Taxes that are being contested in good faith, which have not been finally determined, and have been adequately reserved against in accordance with GAAP on Wisconsin's most recent consolidated financial statements. Wisconsin and each Wisconsin Subsidiary have withheld and paid all material Taxes required to have been withheld and paid in connection with any amounts paid or owing to any employee, independent contractor, creditor, shareholder or other third party. Neither Wisconsin nor any Wisconsin Subsidiary has granted any extension or waiver of the limitation period for the assessment or collection of Tax that remains in effect. All assessments for Taxes of Wisconsin or any Wisconsin Subsidiary due with respect to completed and settled examinations or any concluded litigation have been fully paid. There are no disputes, audits, examinations or proceedings pending, or claims asserted, for material Taxes upon Wisconsin or any Wisconsin

Subsidiary. There are no liens for Taxes (other than statutory liens for Taxes not yet due and payable) upon any of the assets of Wisconsin or any Wisconsin Subsidiary. Neither Wisconsin nor any Wisconsin Subsidiary is a party to or is bound by any Tax sharing, allocation or indemnification agreement or arrangement (other than such an agreement or arrangement exclusively between or among Wisconsin and the Wisconsin Subsidiaries and compensation agreements with Tax indemnification provisions that are in the range of ordinary practice for such agreements). Neither Wisconsin nor any Wisconsin Subsidiary (A) has been a member of an affiliated group filing a consolidated United States federal income Tax Return (other than a group the common parent of which was Wisconsin) or (B) has any material liability for the Taxes of any Person (other than Wisconsin or any Wisconsin Subsidiary) under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign Law), or as a transferee or successor, by contract or otherwise. Neither Wisconsin nor any Wisconsin Subsidiary has requested or is the subject of or bound by any private letter ruling, technical advice memorandum, or similar ruling or memorandum with any taxing authority with respect to any material Taxes, nor is any such request outstanding. Neither Wisconsin nor any Wisconsin Subsidiary has been a party to any “listed transaction” within the meaning of Treasury Regulation Section 1.6011-4(b)(2). Wisconsin is not and has not been a “United States real property holding corporation” within the meaning of Section 897(c)(2) of the Code during the applicable period specified in Section 897(c)(1)(A)(ii) of the Code.

3.11 Employee Benefits. For purposes of this Agreement, the following terms shall have the following meaning:

“Controlled Group Liability” means, with respect to Wisconsin or Georgia, any and all liabilities (i) under Title IV of ERISA, (ii) under Section 302 of ERISA, (iii) under Sections 412 and 4971 of the Code, and (iv) as a result of a failure to comply with the continuation coverage requirements of Section 601 et seq. of ERISA and Section 4980B of the Code other than such liabilities that arise solely out of, or relate solely to, the Wisconsin Benefit Plans or the Georgia Benefit Plans, as applicable.

“ERISA Affiliate” means, with respect to any entity, trade or business, any other entity, trade or business that is, or was at the relevant time, a member of a group described in Section 414(b), (c), (m) or (o) of the Code or Section 4001(b)(1) of ERISA that includes or included the first entity, trade or business, or that is, or was at the relevant time, a member of the same “controlled group” as the first entity, trade or business pursuant to Section 4001(a)(14) of ERISA.

“Wisconsin Plan” means any Wisconsin Benefit Plan other than a Multiemployer Plan and each Wisconsin Employment Agreement.

“Withdrawal Liability” means liability to a Multiemployer Plan as a result of a complete or partial withdrawal from such Multiemployer Plan, as those terms are defined in Part I of Subtitle E of Title IV of ERISA.

(a) Section 3.11(a) of the Wisconsin Disclosure Schedule includes a true and complete list of all Wisconsin Benefit Plans and all material Wisconsin Employment Agreements.

(b) With respect to each Wisconsin Plan, Wisconsin has delivered or made available to Georgia a true, correct and complete copy of: (i) each writing constituting a part of such Wisconsin Plan, including all plan documents, employee communications, benefit schedules, trust agreements, and insurance contracts and other funding vehicles; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedule, if any; (iii) the current summary plan description and any material modifications thereto, if any (in each case, whether or not required to be furnished under ERISA); (iv) the most recent annual financial report, if any;

(v) the most recent actuarial report, if any; and (vi) the most recent determination letter from the Internal Revenue Service (the “IRS”), if any. Wisconsin has delivered or made available to Georgia a true, correct and complete copy of each material Wisconsin Employment Agreement.

(c) All contributions required to be made to any Wisconsin Plan by applicable law or regulation or by any plan document or other contractual undertaking, and all premiums due or payable with respect to insurance policies funding any Wisconsin Plan, for any period through the date hereof have been timely made or paid in full or, to the extent not required to be made or paid on or before the date hereof, have been reflected on the financial statements to the extent required by GAAP. Each Wisconsin Benefit Plan that is an employee welfare benefit plan under Section 3(1) of ERISA either (i) is funded through an insurance company contract and is not a “welfare benefit fund” within the meaning of Section 419 of the Code or (ii) is unfunded.

(d) With respect to each Wisconsin Plan, Wisconsin and the Wisconsin Subsidiaries have complied, and are now in compliance, in all material respects, with all provisions of ERISA, the Code and all Laws applicable to such Wisconsin Plans. Each Wisconsin Plan has been administered in all material respects in accordance with its terms. To the Knowledge of Wisconsin, there is not now, nor do any circumstances exist that would reasonably be expected to give rise to, any requirement for the posting of security with respect to a Wisconsin Plan or the imposition of any material lien on the assets of Wisconsin or any Wisconsin Subsidiary under ERISA or the Code. Section 3.11(d) of the Wisconsin Disclosure Schedule identifies each Wisconsin Plan that is intended to be a “qualified plan” within the meaning of Section 401(a) of the Code (“Wisconsin Qualified Plans”). Each Wisconsin Qualified Plan (A)(i) has received a favorable determination letter from the IRS with respect to such qualification or (ii) is a standardized prototype plan that is the subject of a favorable opinion letter from the IRS on which Wisconsin is entitled to rely, and (B) unless clause (A)(ii) applies, has been submitted to the IRS for a determination letter within the applicable remedial amendment period under Section 401(b) of the Code or has a remedial amendment period that has not yet expired, and to the Knowledge of Wisconsin, there are no existing circumstances and no events have occurred that would reasonably be expected to adversely affect the qualified status of any Wisconsin Qualified Plan or the tax-exempt status of its related trust. Section 3.11(d) of the Wisconsin Disclosure Schedule identifies each trust funding any Wisconsin Plan which is intended to meet the requirements of Section 501(c)(9) of the Code, and each such trust meets such requirements and provides no disqualified benefits (as such term is defined in Code Section 4976(b)). None of Wisconsin and the Wisconsin Subsidiaries nor, to the Knowledge of Wisconsin, any other Person, including any fiduciary, has engaged in any “prohibited transaction” (as defined in Section 4975 of the Code or Section 406 of ERISA), which would reasonably be expected to subject any of the Wisconsin Plans or their related trusts, Wisconsin, any Wisconsin Subsidiary or, to the Knowledge of Wisconsin, any Person that Wisconsin or any Wisconsin Subsidiary has an obligation to indemnify, to any material Tax or penalty imposed under Section 4975 of the Code or Section 502 of ERISA.

(e) With respect to each Wisconsin Plan that is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code, (i) there does not exist any accumulated funding deficiency within the meaning of Section 412 of the Code or Section 302 of ERISA, whether or not waived, and, (ii) except as would not have, individually or in the aggregate, a Material Adverse Effect: (A) the fair market value of the assets of such Wisconsin Plan equals

or exceeds the actuarial present value of all accrued benefits under such Wisconsin Plan (whether or not vested) based on the assumptions used in the latest annual actuarial report for such plan; (B) no reportable event within the meaning of Section 4043(c) of ERISA for which the 30-day notice requirement has not been waived has occurred; (C) all premiums to the Pension Benefit Guaranty Corporation (the “PBGC”) have been timely paid in full; (D) no liability (other than for premiums to the PBGC) under Title IV of ERISA has been or would reasonably be expected to be incurred by Wisconsin or any Wisconsin Subsidiary or any of their respective ERISA Affiliates; and (E) to the Knowledge of Wisconsin, the PBGC has not instituted proceedings to terminate any such Wisconsin Plan and, to Wisconsin’s Knowledge, no condition exists which would reasonably be expected to constitute grounds under Section 4042 of ERISA for the termination of, or the appointment of a trustee to administer, any such Wisconsin Plan.

(f) (i) No Wisconsin Benefit Plan is a Multiemployer Plan or a plan that has two or more contributing sponsors at least two of whom are not under common control, within the meaning of Section 4063 of ERISA (a “Multiple Employer Plan”); (ii) none of Wisconsin and the Wisconsin Subsidiaries nor any of their respective ERISA Affiliates has, at any time during the last six years, contributed to or been obligated to contribute to any Multiemployer Plan or Multiple Employer Plan; and (iii) none of Wisconsin and the Wisconsin Subsidiaries nor any of their respective ERISA Affiliates has incurred, during the last six years, any Withdrawal Liability that has not been satisfied in full. To the Knowledge of Wisconsin, there does not now exist, nor do any circumstances exist that would reasonably be expected to result in, any Controlled Group Liability that would be a liability of Wisconsin or any Wisconsin Subsidiary following the Effective Time, other than such liabilities that arise solely out of, or relate solely to, the Wisconsin Benefit Plans. Without limiting the generality of the foregoing, neither Wisconsin nor any Wisconsin Subsidiary, nor, to Wisconsin’s Knowledge, any of their respective ERISA Affiliates, has engaged in any transaction described in Section 4069 or Section 4204 or 4212 of ERISA.

(g) Wisconsin and the Wisconsin Subsidiaries have no liability for life, health, medical or other welfare benefits to former employees or beneficiaries or dependents thereof, except for health continuation coverage as required by Section 4980B of the Code or Part 6 of Title I of ERISA and at no expense to Wisconsin and the Wisconsin Subsidiaries.

(h) Neither the execution nor the delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in conjunction with any other event (whether contingent or otherwise), (i) result in any payment or benefit becoming due or payable, or required to be provided, to any director, employee or independent contractor of Wisconsin or any Wisconsin Subsidiary, (ii) increase the amount or value of any benefit or compensation otherwise payable or required to be provided to any such director, employee or independent contractor, (iii) result in the acceleration of the time of payment, vesting or funding of any such benefit or compensation or (iv) result in any amount failing to be deductible by reason of Section 280G of the Code.

(i) Each Wisconsin Benefit Plan and each Wisconsin Employment Agreement that is a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code and any award thereunder, in each case that is subject to Section 409A of the

Code, has been established and maintained in all material respects in accordance with the requirements of Section 409A of the Code and the Treasury Regulations thereunder.

(j) No labor organization or group of employees of Wisconsin or any Wisconsin Subsidiary has made a pending demand for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or, to Wisconsin's Knowledge, threatened to be brought or filed, with the National Labor Relations Board or any other labor relations tribunal or authority. Each of Wisconsin and the Wisconsin Subsidiaries is in material compliance with all applicable Laws and collective bargaining agreements respecting employment and employment practices, terms and conditions of employment, wages and hours and occupational safety and health.

3.12 Compliance with Law; Permits. (a) Wisconsin and each Wisconsin Subsidiary is, and at all times since the later of January 1, 2006 or its respective date of formation or organization has been, in material compliance with all applicable federal, state, local or foreign or provincial law, statute, ordinance, rule, regulation, judgment, order, injunction, decree, award, settlement or agency requirement of or undertaking to or agreement with any Governmental Entity, including common law (collectively, "Laws" and each, a "Law") and is not in material default under or in violation of any applicable Laws.

(b) Wisconsin and the Wisconsin Subsidiaries are in possession of all material franchises, tariffs, grants, authorizations, licenses, permits, easements, variances, exceptions, consents, certificates, approvals and orders of any Governmental Entity (collectively, "Permits") necessary for Wisconsin and the Wisconsin Subsidiaries to own, lease and operate their properties and assets or to carry on their businesses as they are now being conducted (the "Wisconsin Permits"). All Wisconsin Permits are in full force and effect. Wisconsin and the Wisconsin Subsidiaries are not, and since January 1, 2006 have not been, in material violation or breach of, or default under, any Wisconsin Permit.

(c) This Section 3.12 does not relate to matters with respect to Taxes and Tax Returns (which are the subject of Section 3.10) and Employee Benefits (which are the subject of Section 3.11).

3.13 Certain Contracts. (a) Except as set forth in the exhibit index to the Wisconsin 2008 10-K, or as permitted pursuant to Section 5.2 hereof or as set forth on Section 3.13 of the Wisconsin Disclosure Schedule, neither Wisconsin nor any Wisconsin Subsidiary is a party to or bound by (i) any Contract relating to the incurrence or guarantee of Indebtedness by Wisconsin or any Wisconsin Subsidiary in an amount in excess in the aggregate of \$25,000,000 (collectively, "Wisconsin Instruments of Indebtedness"), (ii) any "material contract" (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC), (iii) any non-competition Contract, or any other agreement or obligation which purports to limit or restrict in any material respect (A) the ability of Wisconsin or its Subsidiaries to solicit customers or (B) the manner in which, or the localities in which, all or any portion of the business of Wisconsin and the Wisconsin Subsidiaries or, following consummation of the transactions contemplated by this Agreement, Georgia and the Georgia Subsidiaries, is or would be conducted, (iv) any Contract providing for any payments that are conditioned, in whole or in part, on a change of control of Wisconsin or any Wisconsin Subsidiary, (v) any collective bargaining agreement, (vi) any joint

venture or partnership agreement related to the formation, creation, operation or management or any joint venture or partnership that is material to Wisconsin and the Wisconsin Subsidiaries, taken as a whole, (vii) any Contract that grants any right of first refusal or right of first offer or similar right that limits or purports to limit the ability of Wisconsin or any Wisconsin Subsidiary to own, operate, sell, transfer, pledge or otherwise dispose of any assets or business, (viii) any material Contract that contains a "most favored nation" or other term providing preferential pricing or treatment to a third party, and (ix) any Contract not made in the ordinary course of business which (A) is material to Wisconsin and the Wisconsin Subsidiaries taken as a whole or (B) which would reasonably be expected to materially delay the consummation of the Merger or any other transaction contemplated by this Agreement (the Contracts and obligations of the type described in clauses (i) through (ix), together with (x) all Wisconsin IP Contracts, (y) any Contract (or group of related Contracts with the same party) pursuant to which Wisconsin or any Wisconsin Subsidiary generated revenues of \$17,000,000 or more in the 12 months ended December 31, 2008 or is expected to generate revenues of \$17,000,000 or more in the 12 months ending December 31, 2009, and (z) any Contract (or group of related Contracts with the same party) that involves annual expenditures by Wisconsin and the Wisconsin Subsidiaries in excess of \$17,000,000 in the 12 months ended December 31, 2008 or is expected to involve annual expenditures by Wisconsin and the Wisconsin Subsidiaries in excess of \$17,000,000 in the 12 months ending December 31, 2009, (of which Contracts Wisconsin has provided true, correct and complete copies to Georgia prior to the date hereof) being referred to herein as "Wisconsin Material Contracts").

(b) Each Wisconsin Material Contract is valid and binding on Wisconsin (or, to the extent a Subsidiary of Wisconsin is a party, such Subsidiary) and, to the Knowledge of Wisconsin, any other party thereto, and is in full force and effect and enforceable against Wisconsin or a Wisconsin Subsidiary, as applicable (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies). Neither Wisconsin nor any Wisconsin Subsidiary is in material breach or default under any Wisconsin Material Contract. Neither Wisconsin nor any Subsidiary of Wisconsin has received notice of any material violation or default under any Wisconsin Material Contract by any other party thereto. Prior to the date hereof, Wisconsin has made available to Georgia true and complete copies of all Wisconsin Material Contracts. For purposes of this Agreement, "Indebtedness" of a Person means (i) all obligations of such Person for borrowed money, (ii) all obligations of such Person evidenced by bonds, debentures, notes and similar agreements, (iii) all leases of such Person capitalized pursuant to GAAP, and (iv) all obligations of such Person under sale-and-lease back transactions, agreements to repurchase securities sold and other similar financing transactions.

3.14 Undisclosed Liabilities. Neither Wisconsin nor any Wisconsin Subsidiary has incurred any liability of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due), except for (i) liabilities that are reflected or reserved against on the consolidated balance sheet of Wisconsin included in the Wisconsin 2008 10-K (including any notes thereto), (ii) liabilities incurred in connection with this Agreement and the transactions contemplated hereby, (iii) liabilities incurred in the ordinary course of business consistent with past practice since December 31, 2008, and (iv) liabilities that have not had and are not reasonably likely to have, individually or in the aggregate, a Material Adverse Effect on Wisconsin.

3.15 Environmental Liability. Except for matters that, individually or in the aggregate, are not reasonably likely to have a Material Adverse Effect on Wisconsin, (i) there are no legal, administrative, arbitral or other proceedings, claims, actions, causes of action, private environmental investigations or remediation activities or governmental investigations of any nature seeking to impose, or that are reasonably likely to result in the imposition, on Wisconsin of any liability or obligation under Environmental Laws, or pending or, to the Knowledge of Wisconsin, threatened against Wisconsin; (ii) Wisconsin is not subject to any Order or party to any agreement, order, judgment, decree, letter or memorandum by or with any third party imposing any liability or obligation under any Environmental Laws; (iii) Wisconsin has complied and is in compliance with all Environmental Laws, including obtaining and complying with all Permits that may be required pursuant to Environmental Laws; and (iv) Wisconsin has not treated, stored, disposed of, arranged for or permitted the disposal of, transported, handled, or released, or exposed any person to any hazardous substance or waste, or owned or operated any property or facility contaminated by any hazardous substance or waste so as to give rise to any current or future liabilities under Environmental Laws. For purposes of this Agreement, "Environmental Laws" means any common law or local, state, federal or foreign statute, regulation, ordinance or similar provision having the force or effect of law, any judicial and administrative order or determination, or any contractual obligation concerning public health and safety, worker health and safety, or pollution or protection of the environment, including the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended.

3.16 Real Property.

(a) Each of Wisconsin and the Wisconsin Subsidiaries has good title free and clear of all Liens to all real property owned by such entities (the "Wisconsin Owned Properties"), except for Liens that do not materially detract from the present use of such real property.

(b) A true and complete copy of each agreement pursuant to which Wisconsin or any Wisconsin Subsidiary leases any material real property (such agreements, together with any amendments, modifications and other supplements thereto, collectively, the "Wisconsin Leases") has heretofore been made available to Georgia. Each Wisconsin Lease is valid, binding and enforceable against Wisconsin or an applicable Wisconsin Subsidiary in accordance with its terms and is in full force and effect (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies), except where the failure to be valid, binding, enforceable and in full force and effect, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect on Wisconsin. There are no defaults by Wisconsin or any Wisconsin Subsidiary, as applicable, under any of the Wisconsin Leases which, in the aggregate, would result in the termination of such Leases and a Material Adverse Effect on Wisconsin. The consummation of the transactions contemplated by this Agreement will not cause defaults under the Wisconsin Leases, except for any such default which would not individually or in the aggregate, have a Material Adverse Effect on Wisconsin and the Wisconsin Subsidiaries taken as a whole.

(c) The Wisconsin Owned Properties and the properties leased pursuant to the Wisconsin Leases (the "Wisconsin Leased Properties") constitute all of the real estate on which Wisconsin and the Wisconsin Subsidiaries maintain their facilities or conduct their business as of

the date of this Agreement, except for locations the loss of which would not result in a Material Adverse Effect on Wisconsin and the Wisconsin Subsidiaries taken as a whole.

(d) A true and complete copy of each agreement pursuant to which Wisconsin or any Wisconsin Subsidiary leases any material real property to a third party (such agreements, together with any amendments, modifications and other supplements thereto, collectively, the “Third Party Wisconsin Leases”) has heretofore been made available to Georgia. Each Third Party Wisconsin Lease is valid, binding and enforceable in accordance with its terms and is in full force and effect (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies), except where the failure to be valid, binding, enforceable and in full force and effect, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect on Wisconsin. There are no existing defaults by the tenant under any Third Party Wisconsin Lease which, in the aggregate, would result in the termination of such Third Party Wisconsin Leases except for any such default which would not reasonably be expected to result in a Material Adverse Effect on Wisconsin and the Wisconsin Subsidiaries taken as a whole.

3.17 State Takeover Laws. Wisconsin has, or will have prior to the Effective Time, taken all necessary action so that, assuming compliance by Georgia and Merger Sub with their respective obligations hereunder and the accuracy of the representations and warranties made by Georgia and Merger Sub herein, no “business combination,” “moratorium,” “fair price,” “control share acquisition” or other state anti-takeover statute or regulation, nor any takeover-related provision in the Wisconsin Articles or the Wisconsin By-laws, would (i) prohibit or restrict Wisconsin’s ability to perform its obligations under this Agreement, any related agreement, the Support Agreement, or the Articles of Merger or its ability to consummate the transactions contemplated hereby and thereby, (ii) have the effect of invalidating or voiding this Agreement, the Support Agreement or the Articles of Merger, or any provision hereof or thereof, or (iii) subject Georgia to any impediment or condition in connection with the exercise of any of its rights under this Agreement or the Articles of Merger.

3.18 Reorganization. As of the date of this Agreement, Wisconsin is not aware of any fact or circumstance that could reasonably be expected to prevent the Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

3.19 Opinion. Prior to the execution of this Agreement, the Board of Directors of Wisconsin has received an opinion from Barclays Capital Inc. to the effect that as of the date thereof and based upon and subject to the matters set forth therein, the Exchange Ratio is fair to the shareholders of Wisconsin from a financial point of view. Such opinion has not been amended or rescinded as of the date of this Agreement.

3.20 Internal Controls. (a) None of Wisconsin or its Subsidiaries’ records, systems, controls, data or information are recorded, stored, maintained, operated or otherwise wholly or partly dependent on or held by any means (including any electronic, mechanical or photographic process, whether computerized or not) which (including all means of access thereto and therefrom) are not under the exclusive ownership and direct control of it or its Subsidiaries or accountants except as would not, individually or in the aggregate, reasonably be expected to result in a materially adverse effect on the system of internal accounting controls described in the

next sentence. Wisconsin and the Wisconsin Subsidiaries have designed and maintained a system of internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) sufficient to provide reasonable assurances regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP.

(b) Wisconsin (i) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to Wisconsin (including the Wisconsin Subsidiaries), is made known to the chief executive officer and the chief financial officer of Wisconsin by others within those entities, and (ii) has disclosed, based on its most recent evaluation prior to the date hereof, to Wisconsin's outside auditors and the Audit Committee of the Board of Directors of Wisconsin (A) any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect Wisconsin's ability to record, process, summarize and report financial information, and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in Wisconsin's internal controls over financial reporting. These disclosures were made in writing by management to Wisconsin's auditors and the Audit Committee of the Board of Directors of Wisconsin and a copy has previously been made available to Georgia. As of the date hereof, to the Knowledge of Wisconsin, there is no reason to believe that Wisconsin's outside auditors and its chief executive officer and chief financial officer will not be able to give the certifications and attestations required pursuant to the rules and regulations adopted pursuant to Section 404 of the Sarbanes-Oxley Act, without qualification, when next due.

(c) Since December 31, 2005 through the date hereof, (i) neither Wisconsin nor any Wisconsin Subsidiary has received or otherwise had or obtained knowledge of any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of Wisconsin or any Wisconsin Subsidiary or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that Wisconsin or any Wisconsin Subsidiary has engaged in questionable accounting or auditing practices, and (ii) no attorney representing Wisconsin or any Wisconsin Subsidiary, whether or not employed by Wisconsin or any Wisconsin Subsidiary, has reported evidence of a material violation of securities Laws, breach of fiduciary duty or similar violation by Wisconsin or any of its officers, directors, employees or agents to the Board of Directors of Wisconsin or any committee thereof or to any director or officer of Wisconsin.

3.21 Insurance. Wisconsin and the Wisconsin Subsidiaries are insured with reputable insurers against such risks and in such amounts as its management reasonably has determined to be prudent in accordance with industry practices. To the Knowledge of Wisconsin, neither Wisconsin nor any Wisconsin Subsidiary is in material breach or material default of any insurance policies maintained by Wisconsin or any Wisconsin Subsidiary or has taken any action or failed to take any action that, with notice or the lapse of time, would constitute such a breach or default or permit termination (prior to the scheduled termination or expiration thereof) or modification of any such insurance policies. To the Knowledge of Wisconsin, neither Wisconsin nor any Wisconsin Subsidiary has received any notice of

termination or cancellation (prior to the scheduled termination or expiration thereof) or denial of coverage with respect to any such insurance policy.

3.22 Wisconsin Information. The information relating to Wisconsin or any Wisconsin Subsidiary to be included or incorporated by reference in the Joint Proxy Statement and the Form S-4 will not, at the time the Form S-4 is declared effective, the time the Joint Proxy Statement is first mailed to shareholders of Wisconsin and Georgia and the time of the Wisconsin Shareholders Meeting and the Georgia Shareholders Meeting, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. The information relating to Wisconsin or any Wisconsin Subsidiary that is provided or to be provided by Wisconsin or its representatives for inclusion in any document (other than the Form S-4) filed with any other Governmental Entity in connection with the transactions contemplated by this Agreement will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. All documents that Wisconsin is responsible for filing with the SEC in connection with the Merger or the other transactions contemplated hereby (including the Joint Proxy Statement) (except for such portions thereof that relate only to Georgia, Merger Sub or any of their Subsidiaries) will comply as to form and substance in all material respects with the provisions of the Exchange Act.

3.23 Intellectual Property. For purposes of this Agreement, the following terms shall have the following meaning:

“Intellectual Property” means all intellectual property in any jurisdiction throughout the world including all (i) trademarks, service marks, brand names, Internet domain names, logos, symbols, trade dress, fictitious names, trade names, and other indicia of origin and all goodwill associated therewith and symbolized thereby; (ii) patents and inventions and discoveries, whether patentable or not, and improvements; (iii) confidential or proprietary information, trade secrets and know-how (including processes, schematics, business and other methods, formulae, drawings, specifications, prototypes, models, designs, plans, data, research and development, pricing and cost information, business and marketing plans and proposals, vendor, customer and supplier lists) (collectively, “Trade Secrets”); (iv) copyrights and works of authorship (including in any form or media) (whether or not copyrightable); (v) computer software programs (including source and object code), systems, data, databases and other compilations of information (and including all middleware, firmware, tools, applications and related documentation; (vi) disclosures, issuances, applications and registrations and any renewals thereof, and all extensions, modifications, reexaminations, renewals, divisions, continuations, continuations-in-part, reissues, restorations and reversions for or related to, as applicable, any of the foregoing; and (vii) copies and tangible embodiments or descriptions of any of the foregoing (in whatever form or medium).

“Wisconsin IP Contract” means any material Contract concerning Intellectual Property to which Wisconsin or any Wisconsin Subsidiary is a party.

“Wisconsin IT Assets” means the computer software, firmware, middleware, servers, systems, networks, workstations, data communications lines, and all other information technology equipment, used by Wisconsin and the Wisconsin Subsidiaries.

(a) Section 3.23(a) of the Wisconsin Disclosure Schedule sets forth a true and complete list of all the following that are owned by Wisconsin or any Wisconsin Subsidiary, indicating for each item if applicable, the registration or application number, the record owner and the applicable filing jurisdiction: (i) material patented or registered Intellectual Property and (ii) pending patent applications or applications for registration of other material Intellectual Property.

(b) Either Wisconsin or a Wisconsin Subsidiary owns all right, title and interest in and to, or is licensed or otherwise possesses adequate rights to use, all Intellectual Property material to their respective businesses as currently conducted (together with all Intellectual Property set forth in Section 3.23(a), collectively the “Wisconsin IP”) free and clear of any Liens (other than, for the avoidance of doubt, obligations to pay royalties or other amounts due under any licenses of Intellectual Property), and all such rights shall survive the consummation of the transactions contemplated in this Agreement on substantially similar terms as such rights existed prior to Closing. There are no pending or, to the Knowledge of Wisconsin, there have not been threatened within the past two years any, claims by any Person alleging infringement, misappropriation or other violation by Wisconsin or any Wisconsin Subsidiary of any other Person’s Intellectual Property that, individually or in the aggregate, are reasonably likely to have a Material Adverse Effect on Wisconsin. To the Knowledge of Wisconsin, the conduct of the business of Wisconsin and the Wisconsin Subsidiaries and use of the Wisconsin IP does not misappropriate, infringe or otherwise violate in any material respect any Intellectual Property of any other Person. Neither Wisconsin nor any Wisconsin Subsidiary has filed any claim for misappropriation, infringement or other violation by another Person of its rights in or to any of the Wisconsin IP within the past twenty-four (24) months. To the Knowledge of Wisconsin, no Person is misappropriating, infringing or otherwise violating any material Wisconsin IP.

(c) Each Wisconsin IP Contract is valid and binding on Wisconsin and any Wisconsin Subsidiary to the extent such Subsidiary is a party thereto, as applicable, and in full force and effect (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies). Neither Wisconsin nor any Wisconsin Subsidiary nor, to the Knowledge of Wisconsin, any other party, is in material breach or default under any such Wisconsin IP Contract. No party to any Wisconsin IP Contract has given Wisconsin or any Wisconsin Subsidiary written notice of its intention to cancel, terminate, change the scope of rights under, or fail to renew any Wisconsin IP Contract. The transactions contemplated by this Agreement will not place Wisconsin or any Wisconsin Subsidiary in material breach or default of any Wisconsin IP Contract, or trigger any material modification, termination or acceleration or cause any additional fees to be due thereunder.

(d) Wisconsin and the Wisconsin Subsidiaries (i) take reasonable actions to protect, maintain and preserve the (A) operation and security of the Wisconsin IT Assets, (B) confidentiality of data, information, and Trade Secrets owned, held or used by Wisconsin or the

Wisconsin Subsidiaries, and (C) Intellectual Property material to their respective businesses (including by having and enforcing a policy that prior and current employees, consultants and agents with access to Trade Secrets execute non-disclosure and invention assignment agreements for the benefit of Wisconsin and/or the Wisconsin Subsidiaries), (ii) abide by all Laws regarding the collection, use, transfer and disclosure of personally identifiable and other confidential information, including customer and client information, and (iii) are not subject to any pending or, to the Knowledge of Wisconsin, threatened claim that alleges a material breach of any of the foregoing or inquiry by any Governmental Entity regarding the foregoing.

(e) The Wisconsin IT Assets have not been interrupted or failed within the past three (3) years in a manner that materially impaired Wisconsin's or the Wisconsin Subsidiaries' ability to deliver Wisconsin's core products and services to their respective customers. The Wisconsin IP is not subject to any material pending or outstanding Action or Order, and to the Knowledge of Wisconsin, there are no Actions or Orders threatened, that question or seek to cancel, limit, challenge or modify the ownership, validity, enforceability, registerability, patentability, use or right to use Wisconsin IP, or that would restrict, impair or otherwise materially adversely affect Wisconsin's or the Wisconsin Subsidiaries' use thereof or their rights thereto.

3.24 Affiliate Transactions. To the Knowledge of Wisconsin, other than the Wisconsin Employment Agreements and any transaction under any Wisconsin Benefit Plan, there are no transactions, agreements, arrangements or understandings, or series of related transactions, agreements, arrangements or understandings, nor are there any currently proposed transactions, agreements, arrangements or understandings, or series or related transactions, agreements, arrangements or understandings, between Wisconsin and/or any Wisconsin Subsidiary, on the one hand, and any current or former shareholder (who beneficially owns or owned five percent or more of the Wisconsin Common Stock), director, executive officer or other Affiliate (other than any Wisconsin Subsidiary on the date hereof) of Wisconsin, whether or not required to be disclosed under Item 404 of Regulation S-K promulgated under the Exchange Act. For purposes of this Agreement, "Affiliate" means, with respect to any Person, any other Person, directly or indirectly, controlling, controlled by, or under common control with, such Person. For purposes of this definition, the term "control" (including the correlative terms "controlling", "controlled by" and "under common control with") means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a Person, whether through the ownership of voting securities, by contract or otherwise.

3.25 Wisconsin Ownership of Georgia Securities. Neither Wisconsin nor any Wisconsin Subsidiaries beneficially owns any shares of Georgia Common Stock or any options, warrants or other rights to acquire Georgia Common Stock.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF GEORGIA AND MERGER SUB

Except (i) as disclosed in, and reasonably apparent from, any report, schedule, form or other document filed with, or furnished to, the SEC by Georgia and publicly available prior to the date of this Agreement (excluding, in each case, any disclosures set forth in any risk factor section and in any section relating to forward-looking statements to the extent that they are cautionary, predictive or forward-looking in nature), or (ii) as disclosed in a correspondingly numbered section of the disclosure schedule (the “Georgia Disclosure Schedule”) delivered by Georgia and Merger Sub to Wisconsin prior to the execution of this Agreement (which schedule sets forth, among other things, items the disclosure of which is necessary or appropriate either in response to an express disclosure requirement contained in a provision hereof or as an exception to one or more representations or warranties contained in this Article IV, or to one or more of Georgia’s covenants contained herein; provided that, notwithstanding anything in this Agreement to the contrary, the mere inclusion of an item in such schedule shall not be deemed an admission that such item is required to be disclosed therein or represents a material exception or material fact, event or circumstance or that such item has had or is reasonably likely to have a Material Adverse Effect on Georgia or Merger Sub; provided, further, that the disclosure of any item in any section of the Georgia Disclosure Schedule shall be deemed disclosed with respect to any other section of the Georgia Disclosure Schedule to which such item is relevant, whether or not a specific cross reference appears, so long as the relevance is reasonably apparent from the face of such disclosure), Georgia and Merger Sub, jointly and severally, hereby represent and warrant to Wisconsin as follows:

4.1 Corporate Organization. (a) Georgia is a corporation duly organized, validly existing under the Laws of the State of Georgia and in good standing with the Secretary of State of the State of Georgia. Georgia has the corporate power and authority to own or lease all of its properties and assets and to carry on its business as it is now being conducted, and is duly licensed or qualified to do business in each jurisdiction in which the nature of the business conducted by it or the character or location of the properties and assets owned or leased by it makes such licensing or qualification necessary, except where the failure to have such power and authority or to be so licensed and qualified is not reasonably likely to have, either individually or in the aggregate, a Material Adverse Effect on Georgia.

(b) True and complete copies of the articles of incorporation (the “Georgia Articles”) and bylaws of Georgia (“Georgia Bylaws”), as in effect as of the date of this Agreement, have previously been made available to Wisconsin.

Merger Sub (x) was formed solely for the

purposes of engaging in the transactions contemplated by this Agreement, (y) since its date of formation, has not engaged in any activities nor conducted its operation other than in connection with or as contemplated by this Agreement, and (z) is and will continue to be a direct and wholly owned Subsidiary of Georgia at all times through the Effective Time. True and complete copies of Merger Sub's Certificate of Formation and LLC Agreement, in effect as of the date of this Agreement, have previously been made available to Wisconsin.

The Board of Directors of Georgia has determined that this Agreement and the transactions contemplated hereby are in the best interests of Georgia and its shareholders and, subject to Section 6.11(c) hereof, has directed that the issuance of Georgia Common Stock in connection with the Merger be submitted to Georgia's shareholders for approval at a duly held meeting of such shareholders and, except for the approval of such issuance by the affirmative vote of a majority of votes cast on such proposal at such meeting, provided that the total votes cast on such proposal represent a majority of the votes entitled to be cast on such proposal (the "Georgia Shareholder Approval"), no other corporate proceedings on the part of Georgia are necessary to approve this Agreement or to consummate the transactions contemplated hereby. (c) Neither the execution and delivery of this Agreement by Georgia or Merger Sub, nor the consummation by Georgia or Merger Sub of the transactions contemplated hereby, nor compliance by Georgia or Merger with any of the terms or provisions of this Agreement, will (i) assuming the Georgia Shareholder Approval is obtained, violate any provision of the Georgia Articles or the Georgia Bylaws or any equivalent organizational

documents of any Georgia Subsidiary, (ii) violate any provision of Merger Sub's Certificate of Formation or LLC Agreement or (iii) assuming that the consents, approvals and filings referred to in Section 4.4 shall have been duly obtained and/or made prior to the Effective Time and any waiting period required thereunder shall have been terminated or expired prior to the Effective Time, (A) violate any Law or Order applicable to Georgia, any Georgia Subsidiary or any of their respective properties or assets or (B) violate, conflict with, result in a breach of any provision of or the loss of any benefit under, constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, result in the termination of or a right of termination, amendment or cancellation under, accelerate the performance required by, or result in the creation of any Lien upon any of the respective properties or assets of Georgia or any Georgia Subsidiary under, any of the terms, conditions or provisions of any Contract to which Georgia or any Georgia Subsidiary is a party, or by which they or any of their respective properties or assets may be bound or affected, except for such violations, conflicts, breaches or defaults with respect to clause (iii) that are not reasonably likely to have, either individually or in the aggregate, a Material Adverse Effect on Georgia.

(d) Notwithstanding anything in this Agreement to the contrary, to the extent the accuracy of Georgia's representations and warranties set forth in this Section 4.3 is based on the accuracy of Wisconsin's representations and warranties in Section 3.25, Georgia's representations and warranties in Section 4.3 shall be limited to the extent affected by any inaccuracy in Section 3.25.

4.4 Consents and Approvals. Except for (i) the filing with the SEC of the Joint Proxy Statement and the filing and declaration of effectiveness of the Form S-4, and such reports under Sections 12, 13(a), 13(d), 13(g) and 16(a) of the Exchange Act as may be required in connection with this Agreement, the Support Agreement and the transactions contemplated hereby and thereby, and obtaining from the SEC such orders as may be required in connection therewith, (ii) the filing of the Articles of Merger with the Department of Financial Institutions of the State of Wisconsin pursuant to the WBCL and the filing of the Certificate of Merger with the Secretary of State of the State of Delaware pursuant to the DLLCA, (iii) any notices or filings under the HSR Act and the termination or expiration of any applicable waiting period thereunder, and such other consents, approvals, filings or registrations as may be required under any foreign antitrust, merger control or competition Laws, (iv) such filings and approvals as are required to be made or obtained under the Securities Act and the securities or "Blue sky" Laws of various states in connection with the issuance of the shares of Georgia Common Stock pursuant to this Agreement, and approval of the listing of such Georgia Common Stock on the NYSE, (v) such filings, consents and approvals of Governmental Entities as may be set forth on Section 4.4 of the Georgia Disclosure Schedule, (vi) the Georgia Shareholder Approval, (vii) filings, if any, required as a result of the particular status of Wisconsin, (viii) such filings or notices required under the rules and regulations of the NYSE, and (ix) such other consents, approvals, filings or registrations the failure of which to be made or obtained, individually or in the aggregate, are not reasonably likely to have a Material Adverse Effect on Georgia, no consents or approvals of or filings or registrations with any Governmental Entity are necessary in connection with (A) the execution and delivery by Georgia or Merger Sub of this Agreement and (B) the consummation by Georgia or Merger Sub of the Merger and the other transactions contemplated by this Agreement.

4.5 Reports. Since January 1, 2007, Georgia has timely filed all forms, documents, statements and reports required to be filed by it with the SEC under the Securities Act or the Exchange Act prior to the date hereof (the forms, documents, statements and reports filed with the SEC since January 1, 2007 and those filed with the SEC subsequent to the date of this Agreement under the Securities Act or the Exchange Act, if any, including any amendments thereto, the “Georgia Reports”). As of their respective dates, or, if amended or superseded by a subsequent filing, as of the date of the last such amendment or superseded filing prior to the date hereof, the Georgia Reports complied, and each of the Georgia Reports filed subsequent to the date of this Agreement will comply, in all material respects with the requirements of the Securities Act, the Exchange Act and the Sarbanes-Oxley Act, as the case may be. No Georgia Subsidiary is subject to the periodic reporting requirements of the Exchange Act. As of the time of filing with the SEC, none of the Georgia Reports so filed or that will be filed subsequent to the date of this Agreement contained or will contain, as the case may be, any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except to the extent that the information in such Georgia Report has been amended or superseded by a later Georgia Report filed prior to the date hereof. Georgia has made available to Wisconsin correct and complete copies of all material correspondence with the SEC since January 1, 2007 and prior to the date hereof. To the Knowledge of Georgia, as of the date hereof, none of the Georgia Reports is the subject of any ongoing SEC review, outstanding SEC comment or outstanding SEC investigation. For purposes of this Agreement, “Knowledge of Georgia” shall mean the actual knowledge of the Persons listed on Exhibit E.

4.6 Financial Statements. Georgia has previously made available to Wisconsin copies of the consolidated balance sheet of Georgia and the Georgia Subsidiaries as of December 31, 2007 and 2008, and the related combined and consolidated statements of earnings, comprehensive earnings, shareholder’s equity and cash flows for the years then ended as reported in Georgia’s Annual Report on Form 10-K for the fiscal year ended December 31, 2008 (the “Georgia 2008 10-K”) filed with the SEC under the Exchange Act, accompanied by the audit report of KPMG LLP, independent public accountants with respect to Georgia for the years ended December 31, 2006, 2007 and 2008. The December 31, 2008 consolidated balance sheet of Georgia (including the related notes, where applicable) fairly presents in all material respects the consolidated financial position of Georgia and the Georgia Subsidiaries as of the date thereof, and the other financial statements referred to in this Section 4.6 (including the related notes, where applicable) fairly present in all material respects the results of the consolidated operations, cash flows and changes in shareholders’ equity and consolidated financial position of Georgia and the Georgia Subsidiaries for the respective fiscal periods or as of the respective dates therein set forth, subject to normal year-end audit adjustments in amounts consistent with past practice in the case of unaudited financial statements, which adjustments, individually or in the aggregate, are not reasonably likely to have a Material Adverse Effect on Georgia; each of such statements (including the related notes, where applicable) complies in all material respects with applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto; and each of such statements (including the related notes, where applicable) has been prepared in all material respects in accordance with GAAP consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto.

4.7 Broker's Fees. Neither Georgia nor any Georgia Subsidiary nor any of their respective officers or directors has employed any broker or finder or incurred any liability for any brokers fees, commissions or finder's fees in connection with the Merger or related transactions contemplated by this Agreement, other than Banc of America Securities and Goldman, Sachs & Co., all of the fees and expenses of which shall be the sole responsibility of Georgia; and a true and complete copy of each agreement with respect to such engagements has previously been made available to Wisconsin.

4.8 Absence of Certain Changes or Events. Except for liabilities incurred in connection with this Agreement or as publicly disclosed in the Forms 10-K, 10-Q and 8-K and any registration statements, proxy statements or prospectuses comprising the Georgia Reports filed prior to the date of this Agreement, (i) since December 31, 2008, (A) Georgia and the Georgia Subsidiaries have conducted their respective businesses in all material respects in the ordinary course of business consistent with past practice, and (B) there has not been any Material Adverse Effect with respect to Georgia; and (ii) since December 31, 2008 through the date hereof, there has not been:

(a) any issuance or awards of Georgia Stock Options, Georgia Restricted Shares, Georgia Stock Units or other equity-based awards in respect of Georgia Common Stock to any director, officer or employee of Georgia or any of the Georgia Subsidiaries, other than in the ordinary course of business consistent with past practice;

(b) any declaration, setting aside or payment of any dividend or other distribution (whether in cash, stock or property) with respect to any of Georgia's capital stock;

(c) except as required by the terms of any Georgia Benefit Plans (as defined below) or by applicable Law, (i) any granting by Georgia or any of the Georgia Subsidiaries to any current or former director, officer or employee of any increase in compensation, bonus or other benefits, except for any such increases to employees who are not current directors or executive officers in the ordinary course of business consistent with past practice, (ii) any granting by Georgia or any of the Georgia Subsidiaries to any current or former director or executive officer of any increase in severance or termination pay, (iii) any entry by Georgia or any of the Georgia Subsidiaries into, or any amendment of, any employment, deferred compensation, consulting, severance, termination or indemnification agreement with any current or former director or executive officer or (iv) any establishment, adoption, entry into, amendment or modification of any Georgia Benefit Plan;

(d) any change in any material respect in accounting methods, principles or practices by Georgia affecting its assets, liabilities or business, other than changes after the date hereof to the extent required by a change in GAAP or regulatory accounting principles;

(e) any material Tax election or change in or revocation of any material Tax election, material amendment to any Tax return, closing agreement with respect to a material amount of Taxes, or settlement or compromise of any material income Tax liability by Georgia or any of the Georgia Subsidiaries;

(f) any material change in its investment or risk management or other similar policies; or

(g) any agreement or commitment (contingent or otherwise) to do any of the foregoing.

4.9 Legal Proceedings. (a) There are no (i) Actions pending (or, to the Knowledge of Georgia, threatened) against or affecting Georgia or any Georgia Subsidiary, or any of their respective properties, at law or in equity, or (ii) Orders against Georgia or any Georgia Subsidiary, in the case of each of clause (i) or (ii), which would, individually or in the aggregate, reasonably be likely to have a Material Adverse Effect on Georgia. As of the date hereof, there is no Action pending against (or, to the Knowledge of Georgia, threatened against) Georgia that in any manner challenges or seeks to prevent, enjoin, alter or materially delay the Merger.

(b) Neither Georgia nor any Georgia Subsidiary is subject to any cease-and-desist or other Order or enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is party to any commitment letter or similar undertaking to, or is subject to any Order or directive by, or has been since January 1, 2006, a recipient of any supervisory letter from, or has been ordered to pay any material civil money penalty by, or since January 1, 2006, has adopted any policies, procedures or board resolutions at the request or suggestion of any Governmental Entity, in each case that currently restricts in any material respect the conduct of its business (each, whether or not set forth in the Georgia Disclosure Schedule, a “Georgia Regulatory Agreement”), nor has Georgia or any Georgia Subsidiary been advised since January 1, 2006, by any Governmental Entity that it is considering issuing, initiating, ordering or requesting any such Georgia Regulatory Agreement.

4.10 Taxes and Tax Returns. Each of Georgia and the Georgia Subsidiaries has duly and timely filed (including all applicable extensions) all material Tax Returns required to be filed by it (all such Tax Returns being accurate and complete in all material respects), has timely paid or withheld all Taxes shown thereon as arising and has duly and timely paid or withheld all material Taxes that are due and payable or claimed to be due from it by United States federal, state, foreign or local taxing authorities other than Taxes that are being contested in good faith, which have not been finally determined, and have been adequately reserved against in accordance with GAAP on Georgia’s most recent consolidated financial statements. Georgia and each Georgia Subsidiary have withheld and paid all material Taxes required to have been withheld and paid in connection with any amounts paid or owing to any employee, independent contractor, creditor, shareholder or other third party. Neither Georgia nor any Georgia Subsidiary has granted any extension or waiver of the limitation period for the assessment or collection of Tax that remains in effect. The United States federal income Tax Returns of Georgia and the Georgia Subsidiaries have been examined by the IRS for all years to and including 2007. All assessments for Taxes of Georgia or any Georgia Subsidiary due with respect to completed and settled examinations or any concluded litigation have been fully paid. There are no disputes, audits, examinations or proceedings pending, or claims asserted, for material Taxes upon Georgia or any Georgia Subsidiary. There are no liens for Taxes (other than statutory liens for Taxes not yet due and payable) upon any of the assets of Georgia or any Georgia Subsidiary. Neither Georgia nor any Georgia Subsidiary is a party to or is bound by any

Tax sharing, allocation or indemnification agreement or arrangement (other than such an agreement or arrangement exclusively between or among Georgia and the Georgia Subsidiaries and compensation agreements with Tax indemnification provisions that are in the range of ordinary practice for such agreements). Neither Georgia nor any Georgia Subsidiary (A) has been a member of an affiliated group filing a consolidated United States federal income Tax Return (other than a group the common parent of which was Georgia) or (B) has any material liability for the Taxes of any Person (other than Georgia or any Georgia Subsidiary) under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign Law), or as a transferee or successor, by contract or otherwise. Neither Georgia nor any Georgia Subsidiary has been, within the past two years or otherwise as part of a “plan (or series of related transactions)” within the meaning of Section 355(e) of the Code of which the Merger is also a part, a “distributing corporation” or a “controlled corporation” (within the meaning of Section 355(a)(1)(A) of the Code) in a distribution of stock intended to qualify for tax-free treatment under Section 355 of the Code. Neither Georgia nor any Georgia Subsidiary has requested or is the subject of or bound by any private letter ruling, technical advice memorandum, or similar ruling or memorandum with any taxing authority with respect to any material Taxes, nor is any such request outstanding. Neither Georgia nor any Georgia Subsidiary has been a party to any “listed transaction” within the meaning of Treasury Regulation Section 1.6011-4(b)(2). Georgia is not and has not been a “United States real property holding corporation” within the meaning of Section 897(c)(2) of the Code during the applicable period specified in Section 897(c)(1)(A)(ii) of the Code.

4.11 Employee Benefits. For purposes hereof, the following terms shall have the following meaning:

“Georgia Benefit Plan” means any material employee benefit plan, program, policy, practice, or other arrangement (other than any Georgia Employment Agreement) providing benefits to any current or former employee, officer or director of Georgia or any Georgia Subsidiary or any beneficiary or dependent thereof that is sponsored or maintained by Georgia or any Georgia Subsidiary or to which Georgia or any Georgia Subsidiary contributes or is obligated to contribute, whether or not written, including any employee welfare benefit plan within the meaning of Section 3(1) of ERISA, any employee pension benefit plan within the meaning of Section 3(2) of ERISA (whether or not such plan is subject to ERISA) and any bonus, incentive, deferred compensation, vacation, stock purchase, stock option, severance, change of control or fringe benefit plan, program or policy.

“Georgia Employment Agreement” means a contract, offer letter or agreement of Georgia or any Georgia Subsidiary with or addressed to any individual who is rendering or has rendered services thereto as an employee or consultant pursuant to which Georgia or any Georgia Subsidiary has any actual or contingent liability or obligation to provide compensation and/or benefits in consideration for past, present or future services.

“Georgia Plan” means any Georgia Benefit Plan other than a Multiemployer Plan and each Georgia Employment Agreement.

(a) Section 4.11(a) of the Georgia Disclosure Schedule includes a true and complete list of all Georgia Benefit Plans and all material Georgia Employment Agreements.

(b) With respect to each Georgia Plan, Georgia has delivered or made available to Wisconsin a true, correct and complete copy of: (i) each writing constituting a part of such Georgia Plan, including all plan documents, employee communications, benefit schedules, trust agreements, and insurance contracts and other funding vehicles; (ii) the most recent Annual Report (Form 5500 Series) and accompanying schedule, if any; (iii) the current summary plan description and any material modifications thereto, if any (in each case, whether or not required to be furnished under ERISA); (iv) the most recent annual financial report, if any; (v) the most recent actuarial report, if any; and (vi) the most recent determination letter from the IRS, if any. Georgia has delivered or made available to Wisconsin a true, correct and complete copy of each material Georgia Employment Agreement.

(c) All contributions required to be made to any Georgia Plan by applicable law or regulation or by any plan document or other contractual undertaking, and all premiums due or payable with respect to insurance policies funding any Georgia Plan, for any period through the date hereof have been timely made or paid in full or, to the extent not required to be made or paid on or before the date hereof, have been reflected on the financial statements to the extent required by GAAP. Each Georgia Benefit Plan that is an employee welfare benefit plan under Section 3(1) of ERISA either (i) is funded through an insurance company contract and is not a “welfare benefit fund” within the meaning of Section 419 of the Code or (ii) is unfunded.

(d) With respect to each Georgia Plan, Georgia and the Georgia Subsidiaries have complied, and are now in compliance, in all material respects, with all provisions of ERISA, the Code and all Laws applicable to such Georgia Plans. Each Georgia Plan has been administered in all material respects in accordance with its terms. To the Knowledge of Georgia, there is not now, nor do any circumstances exist that would reasonably be expected to give rise to, any requirement for the posting of security with respect to a Georgia Plan or the imposition of any material lien on the assets of Georgia or any Georgia Subsidiary under ERISA or the Code. Section 4.11(d) of the Georgia Disclosure Schedule identifies each Georgia Plan that is intended to be a “qualified plan” within the meaning of Section 401(a) of the Code (“Georgia Qualified Plans”). Each Georgia Qualified Plan (A)(i) has received a favorable determination letter from the IRS with respect to such qualification or (ii) is a standardized prototype plan that is the subject of a favorable opinion letter from the IRS on which Georgia is entitled to rely, and (B) unless clause (A)(ii) applies, has been submitted to the IRS for a determination letter within the applicable remedial amendment period under Section 401(b) of the Code or has a remedial amendment period that has not yet expired, and, to the Knowledge of Georgia, there are no existing circumstances and no events have occurred that would reasonably be expected to adversely affect the qualified status of any Georgia Qualified Plan or the tax-exempt status of its related trust. Section 4.11(d) of the Georgia Disclosure Schedule identifies each trust funding any Georgia Plan which is intended to meet the requirements of Section 501(c)(9) of the Code, and each such trust meets such requirements and provides no disqualified benefits (as such term is defined in Code Section 4976(b)). None of Georgia and the Georgia Subsidiaries nor, to the Knowledge of Georgia, any other Person, including any fiduciary, has engaged in any “prohibited transaction” (as defined in Section 4975 of the Code or Section 406 of ERISA), which would reasonably be expected to subject any of the Georgia Plans or their related trusts, Georgia, any Georgia Subsidiary or, to the Knowledge of Georgia, any Person that Georgia or any Georgia Subsidiary has an obligation to indemnify, to any material Tax or penalty imposed under Section 4975 of the Code or Section 502 of ERISA.

(e) With respect to each Georgia Plan that is subject to Title IV or Section 302 of ERISA or Section 412 or 4971 of the Code, (i) there does not exist any accumulated funding deficiency within the meaning of Section 412 of the Code or Section 302 of ERISA, whether or not waived, and, (ii) except as would not have, individually or in the aggregate, a Material Adverse Effect: (A) the fair market value of the assets of such Georgia Plan equals or exceeds the actuarial present value of all accrued benefits under such Georgia Plan (whether or not vested) based on the assumptions used in the latest annual actuarial report for such plan; (B) no reportable event within the meaning of Section 4043(c) of ERISA for which the 30-day notice requirement has not been waived has occurred; (C) all premiums to the PBGC have been timely paid in full; (D) no liability (other than for premiums to the PBGC) under Title IV of ERISA has been or would reasonably be expected to be incurred by Georgia or any Georgia Subsidiary or any of their respective ERISA Affiliates; and (E) to the Knowledge of Georgia, the PBGC has not instituted proceedings to terminate any such Georgia Plan and, to Georgia's Knowledge, no condition exists which would reasonably be expected to constitute grounds under Section 4042 of ERISA for the termination of, or the appointment of a trustee to administer, any such Georgia Plan.

(f) (i) No Georgia Benefit Plan is a Multiemployer Plan or a plan that has two or more contributing sponsors at least two of whom are not under common control, within the meaning of Section 4063 of ERISA; (ii) none of Georgia and the Georgia Subsidiaries nor any of their respective ERISA Affiliates has, at any time during the last six years, contributed to or been obligated to contribute to any Multiemployer Plan or Multiple Employer Plan; and (iii) none of Georgia and the Georgia Subsidiaries nor any of their respective ERISA Affiliates has incurred, during the last six years, any Withdrawal Liability that has not been satisfied in full. To the Knowledge of Georgia, there does not now exist, nor do any circumstances exist that would reasonably be expected to result in, any Controlled Group Liability that would be a liability of Georgia or any Georgia Subsidiary following the Effective Time, other than such liabilities that arise solely out of, or relate solely to, the Georgia Benefit Plans. Without limiting the generality of the foregoing, neither Georgia nor any Georgia Subsidiary, nor, to Georgia's Knowledge, any of their respective ERISA Affiliates, has engaged in any transaction described in Section 4069 or Section 4204 or 4212 of ERISA.

(g) Georgia and the Georgia Subsidiaries have no liability for life, health, medical or other welfare benefits to former employees or beneficiaries or dependents thereof, except for health continuation coverage as required by Section 4980B of the Code or Part 6 of Title I of ERISA and at no expense to Georgia and the Georgia Subsidiaries.

(h) Neither the execution nor the delivery of this Agreement nor the consummation of the transactions contemplated by this Agreement will, either alone or in conjunction with any other event (whether contingent or otherwise), (i) result in any payment or benefit becoming due or payable, or required to be provided, to any director, employee or independent contractor of Georgia or any Georgia Subsidiary, (ii) increase the amount or value of any benefit or compensation otherwise payable or required to be provided to any such director, employee or independent contractor, (iii) result in the acceleration of the time of payment, vesting or funding of any such benefit or compensation or (iv) result in any amount failing to be deductible by reason of Section 280G of the Code.

(i) Each Georgia Benefit Plan and each Georgia Employment Agreement that is a “nonqualified deferred compensation plan” within the meaning of Section 409A of the Code and any award thereunder, in each case that is subject to Section 409A of the Code, has been established and maintained in all material respects in accordance with the requirements of Section 409A of the Code and the Treasury Regulations thereunder.

(j) No labor organization or group of employees of Georgia or any Georgia Subsidiary has made a pending demand for recognition or certification, and there are no representation or certification proceedings or petitions seeking a representation proceeding presently pending or, to Georgia’s Knowledge, threatened to be brought or filed, with the National Labor Relations Board or any other labor relations tribunal or authority. Each of Georgia and the Georgia Subsidiaries is in material compliance with all applicable Laws and collective bargaining agreements respecting employment and employment practices, terms and conditions of employment, wages and hours and occupational safety and health.

4.12 Compliance with Law; Permits. (a) Georgia and each Georgia Subsidiary is, and at all times since the later of January 1, 2006 or its respective date of formation or organization has been, in material compliance with all applicable Laws and is not in material default under or in violation of any applicable Laws.

(b) Georgia and the Georgia Subsidiaries are in possession of all material Permits necessary for Georgia and the Georgia Subsidiaries to own, lease and operate their properties and assets or to carry on their businesses as they are now being conducted (the “Georgia Permits”). All Georgia Permits are in full force and effect. Georgia and the Georgia Subsidiaries are not, and since January 1, 2006 have not been, in material violation or breach of, or default under, any Georgia Permit.

(c) This Section 4.12 does not relate to matters with respect to Taxes and Tax Returns (which are the subject of Section 4.10) and Employee Benefits (which are the subject of Section 4.11)

4.13 Certain Contracts. (a) Except as set forth in the exhibit index to the Georgia 2008 10-K or as permitted pursuant to Section 5.3 hereof or as set forth on Section 4.13 of the Georgia Disclosure Schedule, neither Georgia nor any Georgia Subsidiary is a party to or bound by (i) any Contract relating to the incurrence or guarantee of Indebtedness by Georgia or any Georgia Subsidiary in an amount in excess in the aggregate of \$60,000,000 (collectively, “Georgia Instruments of Indebtedness”), (ii) any “material contract” (as such term is defined in Item 601(b)(10) of Regulation S-K of the SEC), (iii) any non-competition Contract, or any other agreement or obligation which purports to limit or restrict in any material respect (A) the ability of Georgia or its Subsidiaries to solicit customers or (B) the manner in which, or the localities in which, all or any portion of the business of Georgia and the Georgia Subsidiaries, including, following consummation of the transactions contemplated by this Agreement, Wisconsin and the Wisconsin Subsidiaries, is or would be conducted, (iv) any collective bargaining agreement, (v) any joint venture or partnership agreement related to the formation, creation, operation or management or any joint venture or partnership that is material to Georgia and the Georgia Subsidiaries, taken as a whole, (vi) any Contract that grants any right of first refusal or right of first offer or similar right that limits or purports to limit the ability of Georgia or any Georgia

Subsidiary to own, operate, sell, transfer, pledge or otherwise dispose of any material assets or business, (vii) any material Contract that contains a “most favored nation” clause providing preferential pricing to a third party, and (viii) any Contract not made in the ordinary course of business which (A) is material to Georgia and the Georgia Subsidiaries taken as a whole or (B) which would reasonably be expected to materially delay the consummation of the Merger or any of the transactions contemplated by this Agreement (the Contracts and obligations of the type described in clauses (i) through (viii), together with (x) all Georgia IP Contracts, (y) any Contract (or group of related Contracts with the same party) pursuant to which Georgia or any Georgia Subsidiary generated revenues of \$35,000,000 or more in the 12 months ended December 31, 2008 or is expected to generate revenues of \$35,000,000 or more in the 12 months ending December 31, 2009, and (z) any Contract (or group of related Contracts with the same party) that involves annual expenditures by Georgia and the Georgia Subsidiaries in excess of \$35,000,000 in the 12 months ended December 31, 2008 or is expected to involve annual expenditures by Georgia and the Georgia Subsidiaries in excess of \$35,000,000 in the 12 months ending December 31, 2009 (of which Contracts Georgia has provided true, correct and complete copies to Wisconsin prior to the date hereof) being referred to herein as “Georgia Material Contracts”).

(b) Each Georgia Material Contract is valid and binding on Georgia (or, to the extent a Subsidiary of Georgia is a party, such Subsidiary) and, to the Knowledge of Georgia, any other party thereto and is in full force and effect and enforceable against Georgia or a Georgia Subsidiary, as applicable (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies). Neither Georgia nor any Georgia Subsidiary is in material breach or default under any Georgia Material Contract. Neither Georgia nor any Subsidiary of Georgia has received notice of any material violation or default under any Georgia Material Contract by any other party thereto. Prior to the date hereof, Georgia has made available to Wisconsin true and complete copies of all Georgia Material Contracts.

4.14 Undisclosed Liabilities. Neither Georgia nor any Georgia Subsidiary has incurred any liability of any nature whatsoever (whether absolute, accrued, contingent or otherwise and whether due or to become due), except for (i) liabilities that are reflected or reserved against on the consolidated balance sheet of Georgia included in the Georgia 2008 10-K (including any notes thereto), (ii) liabilities incurred in connection with this Agreement and the transactions contemplated hereby, (iii) liabilities incurred in the ordinary course of business consistent with past practice since December 31, 2008, and (iv) liabilities that have not had and are not reasonably likely to have, individually or in the aggregate, a Material Adverse Effect on Georgia.

4.15 Environmental Liability. Except for matters that, individually or in the aggregate, are not reasonably likely to have a Material Adverse Effect on Georgia, (i) there are no legal, administrative, arbitral or other proceedings, claims, actions, causes of action, private environmental investigations or remediation activities or governmental investigations of any nature seeking to impose, or that are reasonably likely to result in the imposition, on Georgia of any liability or obligation under Environmental Laws, or pending or, to the Knowledge of Georgia, threatened against Georgia; (ii) Georgia is not subject to any Order or party to any agreement, order, judgment, decree, letter or memorandum by or with any third party imposing

any liability or obligation under any Environmental Laws; (iii) Georgia has complied and is in compliance with all Environmental Laws, including obtaining and complying with all Permits that may be required pursuant to Environmental Laws; and (iv) Georgia has not treated, stored, disposed of, arranged for or permitted the disposal of, transported, handled, or released, or exposed any person to any hazardous substance or waste, or owned or operated any property or facility contaminated by any hazardous substance or waste so as to give rise to any current or future liabilities under Environmental Laws.

4.16 Real Property.

(a) Each of Georgia and the Georgia Subsidiaries has good title free and clear of all Liens to all real property owned by such entities (the "Georgia Owned Properties"), except for Liens that do not materially detract from the present use of such real property.

(b) A true and complete copy of each agreement pursuant to which Georgia or any Georgia Subsidiary leases any material real property (such agreements, together with any amendments, modifications and other supplements thereto, collectively, the "Georgia Leases") has heretofore been made available to Wisconsin. Each Georgia Lease is valid, binding and enforceable against Georgia or an applicable Georgia Subsidiary in accordance with its terms and is in full force and effect (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies), except where the failure to be valid, binding, enforceable and in full force and effect, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect on Georgia. There are no defaults by Georgia or any Georgia Subsidiary, as applicable, under any of the Georgia Leases which, in the aggregate, would result in the termination of such Georgia Leases and a Material Adverse Effect on Georgia. The consummation of the transactions contemplated by this Agreement will not cause defaults under the Georgia Leases, except for any such default which would not individually or in the aggregate, have a Material Adverse Effect on Georgia and the Georgia Subsidiaries taken as a whole.

(c) The Georgia Owned Properties and the properties leased pursuant to the Georgia Leases (the "Georgia Leased Properties") constitute all of the real estate on which Georgia and the Georgia Subsidiaries maintain their facilities or conduct their business as of the date of this Agreement, except for locations the loss of which would not result in a Material Adverse Effect on Georgia and the Georgia Subsidiaries taken as a whole.

(d) A true and complete copy of each agreement pursuant to which Georgia or any Georgia Subsidiary leases any material real property to a third party (such agreements, together with any amendments, modifications and other supplements thereto, collectively, the "Third Party Georgia Leases") has heretofore been made available to Georgia. Each Third Party Georgia Lease is valid, binding and enforceable in accordance with its terms and is in full force and effect (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies), except where the failure to be valid, binding, enforceable and in full force and effect, individually or in the aggregate, is not reasonably likely to have a Material Adverse Effect on Georgia. There are no existing defaults by the tenant under any Third Party Georgia Lease which, in the aggregate, would result in the termination of such Third Party Georgia Leases

except for any such default which would not reasonably be expected to result in a Material Adverse Effect on Georgia and the Georgia Subsidiaries taken as a whole.

4.17 State Takeover Laws. Each of Georgia and Merger Sub has, or will have prior to the Effective Time, taken all necessary action so that, assuming compliance by Wisconsin with its obligations hereunder and the accuracy of the representations and warranties made by Wisconsin herein, no “business combination,” “moratorium,” “fair price,” “control share acquisition” or other state anti-takeover statute or regulation, nor any takeover-related provision in the Georgia Articles or the Georgia Bylaws, would (i) prohibit or restrict Georgia’s or Merger Sub’s ability to perform their respective obligations under this Agreement, any related agreement, the Support Agreement, or the Articles of Merger or their ability to consummate the transactions contemplated hereby and thereby, (ii) have the effect of invalidating or voiding this Agreement, the Support Agreement or the Articles of Merger, or any provision hereof or thereof, or (iii) subject Wisconsin to any impediment or condition in connection with the exercise of any of its rights under this Agreement or the Articles of Merger.

4.18 Reorganization. As of the date of this Agreement, neither Georgia nor Merger Sub is aware of any fact or circumstance that could reasonably be expected to prevent the Merger from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

4.19 Internal Controls. (a) None of Georgia or its Subsidiaries’ records, systems, controls, data or information are recorded, stored, maintained, operated or otherwise wholly or partly dependent on or held by any means (including any electronic, mechanical or photographic process, whether computerized or not) which (including all means of access thereto and therefrom) are not under the exclusive ownership and direct control of it or its Subsidiaries or accountants except as would not, individually or in the aggregate, reasonably be expected to result in a materially adverse effect on the system of internal accounting controls described in the next sentence. Georgia and the Georgia Subsidiaries have designed and maintained a system of internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) of the Exchange Act) sufficient to provide reasonable assurances regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP.

(b) Georgia (i) has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to Georgia (including the Georgia Subsidiaries), is made known to the chief executive officer and the chief financial officer of Georgia by others within those entities, and (ii) has disclosed, based on its most recent evaluation prior to the date hereof, to Georgia’s outside auditors and the Audit Committee of the Board of Directors of Georgia (A) any significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect Georgia’s ability to record, process, summarize and report financial information, and (B) any fraud, whether or not material, that involves management or other employees who have a significant role in Georgia’s internal controls over financial reporting. These disclosures were made in writing by management to Georgia’s auditors and the Audit Committee of the Board of Directors of Georgia and a copy has previously been made available to Georgia. As of the date hereof, to the Knowledge of Georgia, there is no reason to believe that

its outside auditors and its chief executive officer and chief financial officer will not be able to give the certifications and attestations required pursuant to the rules and regulations adopted pursuant to Section 404 of the Sarbanes-Oxley Act, without qualification, when next due.

(c) Since December 31, 2005 through the date hereof, (i) neither Georgia nor any Georgia Subsidiary has received or otherwise had or obtained knowledge of any material complaint, allegation, assertion or claim, whether written or oral, regarding the accounting or auditing practices, procedures, methodologies or methods of Georgia or any Georgia Subsidiary or their respective internal accounting controls, including any material complaint, allegation, assertion or claim that Georgia or any Georgia Subsidiary has engaged in questionable accounting or auditing practices, and (ii) no attorney representing Georgia or any Georgia Subsidiary, whether or not employed by Georgia or any Georgia Subsidiary, has reported evidence of a material violation of securities Laws, breach of fiduciary duty or similar violation by Georgia or any of its officers, directors, employees or agents to the Board of Directors of Georgia or any committee thereof or to any director or officer of Georgia.

4.20 Intellectual Property. For purposes of this Agreement, the following terms shall have the following meanings:

“Georgia IP Contract” means any material contract concerning Intellectual Property to which Georgia or any Georgia Subsidiary is a party.

“Georgia IT Assets” means the computer software, firmware, middleware, servers, systems, networks, workstations, data communications lines, and all other information technology equipment, used by Georgia and the Georgia Subsidiaries.

(a) Section 4.20(a) of the Georgia Disclosure Schedule sets forth a true and complete list of all the following that are owned by Georgia or any Georgia Subsidiary, indicating for each item if applicable, the registration or application number, the record owner and the applicable filing jurisdiction: (i) material patented or registered Intellectual Property and (ii) pending patent applications or applications for registration of other material Intellectual Property.

(b) Either Georgia or a Georgia Subsidiary owns all right, title and interest in and to, or is licensed or otherwise possesses adequate rights to use, all Intellectual Property material to their respective businesses as currently conducted (together with all Intellectual Property set forth in Section 4.20(a), collectively the “Georgia IP”) free and clear of any Liens (other than, for the avoidance of doubt, obligations to pay royalties or other amounts due under any licenses of Intellectual Property), and all such rights shall survive the consummation of the transactions contemplated in this Agreement on substantially similar terms as such rights existed prior to Closing. There are no pending or, to the Knowledge of Georgia, there have not been threatened within the past two years any, claims by any Person alleging infringement, misappropriation or other violation by Georgia or any Georgia Subsidiary of any other Person’s Intellectual Property that, individually or in the aggregate, are reasonably likely to have a Material Adverse Effect on Georgia. To the Knowledge of Georgia, the conduct of the business of Georgia and the Georgia Subsidiaries and use of the Georgia IP does not misappropriate, infringe or otherwise violate in any material respect any Intellectual Property of any other

Person. Neither Georgia nor any Georgia Subsidiary has filed any claim for misappropriation, infringement or other violation by another Person of its rights in or to any of the Georgia IP within the past twenty-four (24) months. To the Knowledge of Georgia, no Person is misappropriating, infringing or otherwise violating any material Georgia IP.

(c) Each Georgia IP Contract is valid and binding on Georgia and any Georgia Subsidiary to the extent such Subsidiary is a party thereto, as applicable, and in full force and effect (except as may be limited by bankruptcy, insolvency, moratorium, reorganization or similar Laws affecting the rights of creditors generally and the availability of equitable remedies). Neither Georgia nor any Georgia Subsidiary nor, to the Knowledge of Georgia, any other party, is in material breach or default under any such Georgia IP Contract. No party to any Georgia IP Contract has given Georgia or any Georgia Subsidiary written notice of its intention to cancel, terminate, change the scope of rights under, or fail to renew any Georgia IP Contract. The transactions contemplated by this Agreement will not place Georgia or any Georgia Subsidiary in material breach or default of any Georgia IP Contract, or trigger any material modification, termination or acceleration or cause any additional fees to be due thereunder.

(d) Georgia and the Georgia Subsidiaries (i) take reasonable actions to protect, maintain and preserve the (A) operation and security of the Georgia IT Assets, (B) confidentiality of data, information, and Trade Secrets owned, held or used by Georgia or the Georgia Subsidiaries, and (C) Intellectual Property material to their respective businesses (including by having and enforcing a policy that prior and current employees, consultants and agents with access to Trade Secrets, execute non-disclosure and invention assignment agreements for the benefit of Georgia and/or the Georgia Subsidiaries), (ii) abide by all Laws regarding the collection, use, transfer and disclosure of personally identifiable and other confidential information, including customer and client information, and (iii) are not subject to any pending or, to the Knowledge of Georgia, threatened claim that alleges a material breach of any of the foregoing or inquiry by any Governmental Entity regarding the foregoing.

(e) The Georgia IT Assets have not been interrupted or failed within the past three (3) years in a manner that materially impaired Georgia or the Georgia Subsidiaries' ability to deliver Georgia's core products and services to their respective customers. The Georgia IP is not subject to any material pending or outstanding Action or Order, and to the Knowledge of Georgia, there are no Actions or Orders threatened, that question or seek to cancel, limit, challenge or modify the ownership, validity, enforceability, registerability, patentability, use or right to use Georgia IP, or that would restrict, impair or otherwise materially adversely affect Georgia's or the Georgia Subsidiaries' use thereof or their rights thereto.

4.21 Insurance. Georgia and the Georgia Subsidiaries are insured with reputable insurers against such risks and in such amounts as its management reasonably has determined to be prudent in accordance with industry practices. To the Knowledge of Georgia, neither Georgia nor any Georgia Subsidiary is in material breach or material default of any insurance policies maintained by Georgia or any Georgia Subsidiary or has taken any action or failed to take any action that, with notice or the lapse of time, would constitute such a breach or default or permit termination (prior to the scheduled termination or expiration thereof) or modification of any such insurance policies. To the Knowledge of Georgia, neither Georgia nor

any Georgia Subsidiary has received any notice of termination or cancellation (prior to the scheduled termination or expiration thereof) or denial of coverage with respect to any such insurance policy.

4.22 Georgia Information. The information relating to Georgia or any Georgia Subsidiary to be included or incorporated by reference in the Joint Proxy Statement and the Form S-4 will not, at the time the Form S-4 is declared effective, the time the Joint Proxy Statement is first mailed to shareholders of Wisconsin and Georgia and the time of the Wisconsin Shareholders Meeting and the Georgia Shareholders Meeting, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. The information relating to Georgia or any Georgia Subsidiary that is provided or to be provided by Georgia or its representatives for inclusion in any document (other than the Form S-4) filed with any other Governmental Entity in connection with the transactions contemplated by this Agreement will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances in which they are made, not misleading. All documents that Georgia is responsible for filing with the SEC in connection with the Merger or the other transactions contemplated hereby (including the Joint Proxy Statement and the Form S-4) (except for such portions thereof that relate only to Wisconsin or any of its Subsidiaries) will comply as to form and substance in all material respects with the provisions of the Securities Act and the Exchange Act.

4.23 Opinion. Prior to the execution of this Agreement, the Board of Directors of Georgia has received an opinion from each of Banc of America Securities and Goldman, Sachs & Co. to the effect that as of the date of each such opinion and based upon and subject to the matters set forth in each such opinion, the Exchange Ratio is fair to Georgia from a financial point of view. Such opinions have not been amended or rescinded as of the date of this Agreement.

4.24 Affiliate Transactions. To the Knowledge of Georgia, other than the Georgia Employment Agreements and any transaction under any Georgia Benefit Plan, there are no transactions, agreements, arrangements or understandings, or series of related transactions, agreements, arrangements or understandings, nor are there any currently proposed transactions, agreements, arrangements or understandings, or series or related transactions, agreements, arrangements or understandings, between Georgia and/or any Georgia Subsidiary, on the one hand, and any current or former shareholder (who beneficially owns or owned five percent or more of the Georgia Common Stock), director, executive officer or other Affiliate (other than any Subsidiary of Georgia on the date hereof) of Georgia, whether or not required to be disclosed under Item 404 of Regulation S-K promulgated under the Exchange Act.

4.25 Georgia Ownership of Wisconsin Securities. Neither Georgia nor any Georgia Subsidiaries beneficially owns any shares of Wisconsin Common Stock or any options, warrants or other rights to acquire Wisconsin Common Stock. Neither Georgia nor Merger Sub is, or will become prior to the Effective Time, a "significant shareholder" or an "interested stockholder" with respect to Wisconsin within the meaning of Section 180.1130(11) and Section 180.1140(8), respectively, of the WBCL.

COVENANTS RELATING TO CONDUCT OF BUSINESS

5.1 Conduct of Businesses Prior to the Effective Time. During the period from the date of this Agreement to the Effective Time, except as expressly contemplated or permitted by this Agreement, each of Georgia and Wisconsin shall, and shall cause each of its respective Subsidiaries to, (i) conduct its business in the ordinary course in all material respects, (ii) use reasonable best efforts to maintain and preserve intact its business organization, employees and advantageous business relationships (including relationships with its customers and suppliers) and retain the services of its key officers and key employees and (iii) take no action that would reasonably be expected to prevent or materially impede or delay the obtaining of, or materially adversely affect the ability of the parties to obtain, any necessary approvals of any Governmental Entity required for the transactions contemplated hereby or to perform its covenants and agreements under this Agreement or to consummate the transactions contemplated hereby or thereby.

5.2 Forbearances. Without limiting the generality of Section 5.1 above, during the period from the date of this Agreement to the Effective Time, except as set forth in Section 5.2 of the Wisconsin Disclosure Schedule or the Georgia Disclosure Schedule, as applicable, and except as expressly contemplated or permitted by this Agreement, neither Wisconsin nor Georgia shall, and neither Wisconsin nor Georgia shall permit any Wisconsin Subsidiary or Georgia Subsidiary, as applicable, to, without the prior written consent of Georgia or Wisconsin, as applicable, which shall not be unreasonably withheld, delayed or conditioned:

(a) (i) other than dividends and distributions by a direct or indirect Subsidiary to such party or any direct or indirect wholly owned Subsidiary of such party, declare, set aside or pay any dividends on, make any other distributions in respect of, or enter into any agreement with respect to the voting of, any of its capital stock, (ii) split, combine or reclassify any of its capital stock or issue or authorize the issuance of any other securities in respect of, in lieu of, or in substitution for, shares of its capital stock, except upon the exercise of stock options or settlement of stock units that are outstanding as of the date hereof in accordance with their present terms, or (iii) purchase, redeem or otherwise acquire any shares of its capital stock or other securities or any of its Subsidiaries, or any rights, warrants or options to acquire any such shares or other securities (other than the withholding of shares of common stock to satisfy the exercise price or Tax withholding upon the exercise of stock options, vesting of restricted shares or settlement of stock units, in each case that are outstanding as of the date hereof in accordance with their present terms and such party's practices as of the date hereof);

(b) issue, deliver, sell, pledge or otherwise encumber or subject to any Lien any shares of its capital stock, any other voting securities, including any restricted shares of its common stock, or any securities convertible into, or any rights, warrants or options to acquire, any such shares, voting securities or convertible securities, including any stock options and unit awards (other than the issuance of its common stock upon the exercise of stock options, vesting of restricted shares or settlement of stock units, in each case that are outstanding as of the date hereof in accordance with their present terms);

(e) sell, assign, transfer, lease, license, mortgage or otherwise encumber or subject to any Lien (other than Liens in connection with any Indebtedness permitted under Section 5.2(f)), or otherwise dispose of (i) any of its properties or assets or create any security interest in such assets or properties other than in the ordinary course of business consistent with past practice, or (ii) any Wisconsin IP owned by Wisconsin or the Wisconsin Subsidiaries or any Georgia IP owned by Georgia or the Georgia Subsidiaries, as applicable, except for non-exclusive licenses of Intellectual Property made in the ordinary course of business consistent with past practice;

(f) except for borrowings under existing credit facilities (or renewals, extensions or replacements therefor that do not increase the aggregate amount available thereunder and that do not provide for any termination fees or penalties, prohibit pre-payments or provide for any pre-payment penalties, or contain any like provisions limiting or otherwise affecting the ability of such party or its applicable Subsidiaries or successors from terminating or pre-paying such facilities, or contain financial terms less favorable, in the aggregate, than existing credit facilities, and as they may be so renewed, extended or replaced) that are incurred in the ordinary course of business consistent with past practice, or for borrowings or other lines of credit or refinancing of indebtedness outstanding on the date hereof in additional amounts not to exceed \$2,000,000, or Indebtedness owed by any wholly owned Subsidiary to such party or any other wholly owned Subsidiary of such party, incur, redeem, prepay, defease, cancel, or modify the terms of, any Indebtedness for borrowed money or issue any debt securities or assume, guarantee or endorse, or otherwise become responsible for the obligations of any Person (other than any of its wholly owned Subsidiaries), or make any loans or advances to any Person other than its wholly owned Subsidiaries and as a result of ordinary advances and reimbursements to employees;

(h) enter into any new line of business or change in any material respect its operating, asset liability, investment or risk management or other similar policies of its or any of its Subsidiaries;

(i) make any investment in excess of \$1,000,000 in the aggregate, whether by purchase of stock or securities, contributions to capital, property transfers, or entering into binding agreements with respect to any such investment or acquisition;

(j) make, change or revoke any material Tax election, change an annual Tax accounting period, adopt or change any material Tax accounting method, file any material amended Tax Return, enter into any closing agreement with respect to a material amount of Taxes, settle any material Tax claim or assessment or surrender any right to claim a refund of a material amount of Taxes;

(o) agree or consent to any agreement or material modifications of any existing agreements with any Governmental Entity that restricts or otherwise affects the operations of its business in any material respect, except as required by applicable Laws;

(p) except as set forth in the Wisconsin Disclosure Schedule or the Georgia Disclosure Schedule, pay, discharge, settle or compromise any claim, action, litigation, arbitration, suit, investigation or proceeding, other than any such payment, discharge, settlement or compromise (i) in the ordinary course of business consistent with past practice that involves solely money damages in an amount not in excess of \$1,000,000 individually or \$2,000,000 in the aggregate, and that does not create binding precedent for other pending or potential claims, actions, litigation, arbitration or proceedings, or (ii) pursuant to the terms of any Contract in effect on the date hereof (copies of which have been provided to the other party prior to the date hereof);

(q) take any action, or knowingly fail to take any action within its control, which action or failure to act would be reasonably expected to prevent the Merger from qualifying as a "reorganization" within the meaning of Section 368(a) of the Code;

(r) let lapse, fail to maintain, abandon or cancel any applied for, patented or registered Wisconsin IP owned by Wisconsin or any Wisconsin Subsidiary or any registered Georgia IP owned by Georgia or any Georgia Subsidiary;

5.3 No Control of the Other Party's Business. Nothing contained in this Agreement shall give Georgia, directly or indirectly, the right to control or direct the operations of Wisconsin or shall give Wisconsin, directly or indirectly, the right to control or direct the operations of Georgia prior to the Effective Time. Prior to the Effective Time, each of

Wisconsin and Georgia shall exercise, consistent with the terms and conditions of this Agreement, complete control and supervision over its and its Subsidiaries' respective operations.

ARTICLE VI

ADDITIONAL AGREEMENTS

6.1 Regulatory Matters. (a) Georgia and Wisconsin shall promptly prepare and file with the SEC the Joint Proxy Statement and Georgia shall promptly prepare and file with the SEC the Form S-4, in which the Joint Proxy Statement will be included as a prospectus. Each of Georgia and Wisconsin shall use its reasonable best efforts to have the Form S-4 declared effective under the Securities Act as promptly as practicable after such filing, and each of the parties shall thereafter mail or deliver the Joint Proxy Statement to its respective shareholders as soon as practicable. Georgia shall file the opinions described in Sections 7.2(c) and 7.3(c) with the SEC by post-effective amendment to the Form S-4. Georgia shall also use its reasonable best efforts to obtain all necessary state securities Law or "Blue sky" permits and approvals required to carry out the transactions contemplated by this Agreement, and Wisconsin shall furnish all information concerning it and the holders of its common stock as may be reasonably requested in connection with any such action. Each of Georgia and Wisconsin shall, as promptly as reasonably practicable after receipt thereof, provide the other party copies of any written comments and advise the other party of any oral comments, with respect to the Joint Proxy Statement and/or the Form S-4 received from the SEC. Each party shall also advise the other party, as promptly as reasonably practicable after receipt of notice thereof, of the time when the Form S-4 has become effective, the issuance of any stop order, or the suspensions of the qualification of the Georgia Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction. The parties shall cooperate and provide the other with a reasonable opportunity to review and comment on any amendment or supplement to the Joint Proxy Statement and the Form S-4 prior to filing such with the SEC and will provide each other with a copy of all such filings with the SEC to the extent not otherwise publicly available. If at any time prior to the Effective Time, Georgia or Wisconsin has Knowledge of any information relating to Georgia or Wisconsin, or any of their respective officers, directors or other Affiliates, which should be set forth in an amendment or supplement to the Form S-4 or the Joint Proxy Statement so that any such document would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other party and, to the extent required by applicable Laws, an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and, to the extent required under applicable Law, disseminated to the shareholders of Georgia and Wisconsin. Notwithstanding any other provision herein to the contrary, no amendment or supplement (including by incorporation by reference) to the Joint Proxy Statement or the Form S-4 shall be made without the approval of both Georgia and Wisconsin, which approval shall not be unreasonably withheld, delayed or conditioned; provided that Wisconsin, in connection with a Change in Wisconsin Recommendation, and Georgia, in connection with a Change in Georgia Recommendation, may amend or supplement the Joint Proxy Statement and/or the Form S-4 (including by incorporation by reference) pursuant to a Qualifying Amendment to effect such a change, and in such event, this right of approval shall apply only

with respect to information relating to the other party or its business, financial condition or results of operations, and shall be subject to the right of each party to have its Board of Directors' deliberations and conclusions to be accurately described. A "Qualifying Amendment" means an amendment or supplement to the Joint Proxy Statement or the Form S-4 (including by incorporation by reference) to the extent that it contains (i) a Change in Wisconsin Recommendation or a Change in Georgia Recommendation (as the case may be), (ii) a statement of the reasons of the Board of Directors of Wisconsin or Georgia (as the case may be) for making such Change in Wisconsin Recommendation or a Change in Georgia Recommendation (as the case may be) and (iii) additional information reasonably related to the foregoing.

(b) The parties shall cooperate with each other and use their respective reasonable best efforts to promptly prepare and file all necessary documentation (including Notification and Report Forms required under the HSR Act and any applicable Laws in foreign jurisdictions governing antitrust or merger control matters), to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all Permits, consents, approvals, clearances and authorizations of all third parties and Governmental Entities that are necessary or advisable to consummate the transactions contemplated by this Agreement (including the Merger), to use reasonable best efforts to cause the expiration or termination of any applicable waiting periods, or receipt of required authorizations, as applicable, under the HSR Act and any applicable Laws in foreign jurisdictions governing antitrust or merger control matters, to supply as promptly as practicable any additional information and documentary material that may be requested pursuant to the HSR Act or any applicable Laws in foreign jurisdictions governing antitrust or merger control matters and to comply with the terms and conditions of all such Permits, consents, approvals, clearances and authorizations of all such Governmental Entities. Each of Wisconsin and Georgia shall have the right to review in advance, and, to the extent practicable, each will consult the other on, in each case subject to applicable Laws relating to the exchange of information, all the information relating to Wisconsin or Georgia, as the case may be, and any of their respective Subsidiaries, which appear in any filing made with, or written materials submitted to, any third party or any Governmental Entity in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the parties shall act reasonably and as promptly as practicable. The parties shall consult with each other with respect to the obtaining of all Permits, consents, approvals, clearances and authorizations of all third parties and Governmental Entities necessary or advisable to consummate the transactions contemplated by this Agreement and each party will keep the other apprised of the status of matters relating to completion of the transactions contemplated by this Agreement, including promptly furnishing the other with copies of notices or other communications received by Wisconsin or Georgia, as the case may be, or any of their respective Subsidiaries, from any third party and/or any Governmental Entity with respect to such transactions. Notwithstanding the foregoing, nothing in this Agreement shall be deemed to require Georgia or Wisconsin to take any action, or commit to take any action, or agree to any condition or restriction, in connection with obtaining the foregoing Permits, consents, approvals, clearances and authorizations of third parties or Governmental Entities, that would reasonably be expected to have a material adverse effect (measured on a scale relative to Wisconsin and the Wisconsin Subsidiaries, taken as a whole) on Georgia, Wisconsin or the Surviving Company (a "Materially Burdensome Condition"). In addition, Wisconsin and Georgia agree to cooperate and use their reasonable best efforts to prepare and file such petitions and filings, and to obtain such permits, consents, approvals, clearances and authorizations of third parties and

Governmental Entities, that may be necessary or advisable to effect any mergers and/or consolidations of the Wisconsin Subsidiaries and the Georgia Subsidiaries following consummation of the Merger.

(c) Subject to the provisos contained in Section 6.1(b), if any administrative or judicial action or proceeding, including any proceeding by a private party, is instituted (or threatened to be instituted) challenging any transaction contemplated by this Agreement, each of Wisconsin and Georgia shall cooperate in all respects with the other and shall use their respective reasonable best efforts to contest and resist any such action or proceeding and to have vacated, lifted, reversed or overturned any decree, judgment, injunction or other order, whether temporary, preliminary or permanent, that is in effect and that prohibits, prevents or restricts consummation of the transactions contemplated by this Agreement. Notwithstanding the foregoing or any other provision of this Agreement, nothing in this Section 6.1 shall limit a party's right to terminate this Agreement pursuant to Section 8.1(b) or 8.1(c) so long as such party has, prior to such termination, complied with its obligations under this Section 6.1.

(d) Each of Georgia and Wisconsin shall, upon request, furnish to the other all information concerning itself, its Subsidiaries, directors, officers and shareholders and such other matters as may be reasonably necessary or advisable in connection with the Joint Proxy Statement, the Form S-4 or any other statement, filing, notice or application made by or on behalf of Georgia, Wisconsin or any of their respective Subsidiaries to any Governmental Entity in connection with the Merger and the other transactions contemplated by this Agreement.

(e) Each of Georgia, Merger Sub and Wisconsin shall promptly advise the other upon receiving any communication from any Governmental Entity the consent or approval of which is required for consummation of the transactions contemplated by this Agreement that causes such party to believe that there is a reasonable likelihood that any Requisite Approval will not be obtained or that the receipt of any such approval may be materially delayed, and, to the extent permitted by applicable Law, shall promptly (and in any event within 24 hours) provide the other party with a copy of such communication.

(f) Each of Georgia and Wisconsin shall give the other party the opportunity to participate in the defense or settlement of any shareholder litigation against such party and its directors relating to the Merger and the other transactions contemplated by this Agreement; provided, however, that no such settlement shall be agreed to without the other party's prior written consent, which consent shall not be unreasonably withheld, delayed or conditioned.

6.2 Access to Information. (a) Upon reasonable notice and subject to applicable Laws relating to the exchange of information, each of Wisconsin and Georgia shall, and shall cause each of its Subsidiaries to, afford to the officers, employees, accountants, counsel and other representatives of the other, reasonable access, during normal business hours during the period prior to the Effective Time, to all its properties, books, contracts, commitments and records, and, during such period, the parties shall, and shall cause its Subsidiaries to, make available to the other party all other information concerning its business, properties and personnel as the other may reasonably request. Each of Wisconsin and Georgia shall, and shall cause each of its Subsidiaries to, provide to the other party a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the

requirements of federal securities Laws. Neither Wisconsin nor Georgia nor any of their Subsidiaries shall be required to provide access to or to disclose information where such party determines in good faith, after consultation with legal counsel, that such access or disclosure would jeopardize the attorney-client privilege of such party or its Subsidiaries or contravene any Law, Order or binding agreement entered into prior to the date of this Agreement. The parties shall make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) All information and materials provided pursuant to this Agreement shall be subject to the provisions of the Confidentiality Agreement entered into between the parties as of August 15, 2008 (the "Confidentiality Agreement").

(c) No investigation by either of the parties or their respective representatives shall affect the representations and warranties of the other set forth in this Agreement.

6.3 Shareholder Approval. Wisconsin and Georgia shall each call a meeting of their respective shareholders to be held as soon as reasonably practicable for the purpose of obtaining the requisite shareholder approval required in connection with this Agreement and the Merger (the "Wisconsin Shareholder Meeting" and the "Georgia Shareholder Meeting," respectively), and each shall use its reasonable best efforts to cause such meeting to occur as soon as reasonably practicable. Wisconsin and Georgia shall each use their reasonable best efforts to cause the Wisconsin Shareholder Meeting and the Georgia Shareholder Meeting to be held on the same day. The Board of Directors of Wisconsin has resolved to recommend to Wisconsin's shareholders that such shareholders vote in favor of the approval and adoption of this Agreement, the Merger and the other transactions contemplated hereby (the "Wisconsin Recommendation"). Unless the Board of Directors of Wisconsin has effected a Change in Wisconsin Recommendation or terminated this Agreement, in each case in accordance with Section 6.11(c), or as otherwise directed in writing by Georgia, this Agreement and the Merger shall be submitted to the shareholders of Wisconsin at the Wisconsin Shareholder Meeting for the purpose of obtaining the Wisconsin Shareholder Approval, and Wisconsin and its Board of Directors shall use reasonable best efforts to obtain the Wisconsin Shareholder Approval. The Board of Directors of Georgia has resolved to recommend to its shareholders that such shareholders vote in favor of the approval of the issuance of shares of Georgia Common Stock in connection with the Merger (the "Georgia Recommendation"). Unless the Board of Directors of Georgia has effected a Change in Georgia Recommendation or terminated this Agreement, in each case in accordance with Section 6.11(c), or as otherwise directed in writing by Wisconsin, such share issuance proposal shall be submitted to the shareholders of Georgia at the Georgia Shareholder Meeting for the purpose of obtaining the Georgia Shareholder Approval, and Georgia and its Board of Directors shall use reasonable best efforts to obtain the Georgia Shareholder Approval.

6.4 Legal Conditions to Merger. Subject to Section 6.1(b), each of Georgia and Wisconsin shall, and shall cause its Subsidiaries to, use their reasonable best efforts (i) to take, or cause to be taken, all actions necessary, proper or advisable to comply promptly with all legal requirements that may be imposed on such party or its Subsidiaries with respect to the Merger, to cause the conditions set forth in Article VII to be satisfied and to consummate the transactions contemplated by this Agreement in a reasonably expeditious manner (including, in

the case of Georgia, using reasonable best efforts to take such steps as may be necessary to refinance the outstanding Indebtedness of Wisconsin as of the Effective Time, and in the case of Wisconsin, using reasonable best efforts to cooperate with and take such steps as may be reasonably requested by Georgia in connection therewith), and (ii) to obtain (and to cooperate with the other party to obtain) any material consent, authorization, order or approval of, or any exemption by, any Governmental Entity and any other third party that is required to be obtained by Wisconsin or Georgia or any of their respective Subsidiaries in connection with the Merger and the other transactions contemplated by this Agreement. Without limiting the foregoing, the parties hereto shall cooperate and use their reasonable best efforts in order for Wisconsin to obtain the opinions of Kirkland & Ellis LLP described in Sections 7.1(g)(i) and 7.3(c) and for Georgia to obtain the opinions of Deloitte Tax LLP described in Sections 7.1(g)(ii) and 7.2(c). In connection therewith, both of Wisconsin and Georgia (together with Merger Sub) shall deliver to Kirkland & Ellis LLP and Deloitte Tax LLP, as applicable, representation letters, dated and executed as of the dates of such opinions, in a form reasonably acceptable to Kirkland & Ellis LLP and Deloitte Tax LLP, as applicable.

6.5 NYSE Listing. Georgia shall cause the shares of Georgia Common Stock to be issued in the Merger (including Assumed Restricted Shares) and such other shares of Georgia Common Stock to be reserved for issuance in connection with the Merger (including shares of Georgia Common Stock to be issued upon the exercise of Assumed Stock Options or the settlement of Assumed Stock Units and shares of Georgia Common Stock to be issued pursuant to the SPR Agreement) to be approved for listing on the NYSE, subject to official notice of issuance, prior to the Effective Time.

6.6 Employee Matters. (a) From the Effective Time through December 31, 2009, the employees of Wisconsin and the Wisconsin Subsidiaries who are employed by Georgia, the Surviving Company or any of their Affiliates as of the Effective Time and who remain employed with Georgia, the Surviving Company or any of their Affiliates thereafter (the "Assumed Employees") will be offered compensation and employee benefits that are substantially comparable in the aggregate to the compensation and employee benefits provided to such employees immediately prior to the Effective Time (excluding equity-based compensation (including benefits under an employee stock purchase plan) and subject to Section 6.6(e), benefits under a tax qualified retirement plan and 401(k) plan); provided that: (i) continued participation and coverage following the Effective Time under the Wisconsin Benefit Plans as in effect immediately prior to the Effective Time shall be deemed to satisfy the obligations under this sentence, it being understood that the Assumed Employees may commence participating in the comparable Georgia benefit plans on different dates following the Effective Time with respect to different comparable Georgia benefit plans; (ii) the foregoing shall not apply to Assumed Employees who have entered into or will enter into an individual employment agreement with Georgia or any Georgia Subsidiary; (iii) from the Effective Time through the first anniversary of the Effective Time, Georgia shall, and shall cause the Georgia Subsidiaries (including Wisconsin and the Wisconsin Subsidiaries following the Effective Time) to, provide each employee of Wisconsin and the Wisconsin Subsidiaries as of the Effective Time (whether or not such employee is an Assumed Employee) with severance and other separation benefits that are no less favorable than those provided by Wisconsin and the Wisconsin Subsidiaries to employees of Wisconsin and the Wisconsin Subsidiaries as of immediately prior to the Effective Time (it being understood that the provision of severance and other separation benefits under and

in accordance with the terms of an Wisconsin Benefit Plan applicable to Assumed Employee immediately prior to the Effective Time or as approved by the President and Chief Executive Officer of Georgia (as of the Effective Time) shall be deemed to satisfy the obligations under this Section 6.6(a)(iii)); (iv) there shall be no requirement that such Assumed Employees receive grants of equity based compensation; (v) Assumed Employees shall become first eligible to participate in the employee stock purchase plan of Georgia as of the first business day in January 2010 in accordance with its terms; and (vi) the Assumed Employees shall be eligible to participate in a Georgia DC Plan on the same basis as similarly-situated employees of Georgia (provided that if an Assumed Employee was eligible to participate in a Wisconsin DC Plan as of immediately prior to the Closing Date, such Assumed Employee shall be immediately eligible to participate in accordance with its terms in the applicable Georgia DC Plan as of the Effective Time). Notwithstanding anything in this Agreement to the contrary, no provision of this Agreement shall be deemed to guarantee employment for any period of time for, or preclude the ability of the Surviving Company to terminate, any Assumed Employee for any reason.

(b) Georgia shall cause each Georgia benefit plan in which Assumed Employees are eligible to participate to take into account for purposes of eligibility, vesting and benefit accruals under the Georgia benefit plans (including employee stock purchase, vacation, sick pay, severance and retirement plans, but excluding benefit accruals under any of Georgia's tax-qualified and non-qualified pension plans) the service of such employees with Wisconsin and the Wisconsin Subsidiaries (and any predecessor entities) to the same extent as such service was credited for such purpose by Wisconsin and the Wisconsin Subsidiaries; provided, however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits with respect to the same period of service or with respect to newly implemented plans for which prior service is not taken into account or with respect to plans for which participation, service and/or benefit accrual is frozen. Nothing herein shall limit the ability of Georgia, Merger Sub or the Surviving Company to amend or terminate any of the Wisconsin Benefit Plans or Georgia Benefits Plans in accordance with their terms at any time.

(c) At and following the Effective Time, Georgia will cause the Surviving Company to honor the accrued and vested obligations of Wisconsin or any Wisconsin Subsidiary as of the Effective Time under the provisions of the Wisconsin Benefit Plans and Wisconsin Employment Agreements, provided that this provision shall not prevent the Surviving Company from amending, suspending or terminating any such plans or agreements to the extent permitted by the respective terms of such plans or agreement. Nothing contained in this Agreement shall constitute or be deemed to be an amendment to any Wisconsin Benefit Plan, Wisconsin Employment Agreement, Georgia Benefit Plan, Georgia Employment Agreement or any other compensation or benefit plan, program or arrangement of Georgia, Wisconsin or any of their respective Subsidiaries.

(d) If Assumed Employees become eligible to participate in a life, disability, medical, dental or other health care insurance plan of Georgia or its Subsidiaries, Georgia shall cause each such plan to (i) waive any preexisting condition limitations to the extent such conditions are covered under the applicable life, disability, medical, health or dental plans of Georgia, (ii) honor under such plans any deductible, co-payment and out-of-pocket expenses incurred by such employees and their beneficiaries during the portion of the calendar year prior to such participation and (iii) waive any waiting period limitation or evidence of insurability

requirement which would otherwise be applicable to such employee on or after the Effective Time for the year in which the Effective Time or participation in such life, disability, medical, dental or other health care insurance plan of Georgia, as applicable, occurs, in each case to the extent such employee had satisfied any similar limitation or requirement under an analogous life, disability, medical, dental or other health care insurance plan of Wisconsin prior to the Effective Time for the year in which the Effective Time or participation in such life, disability, medical, dental or health care insurance plan of Georgia, as applicable, occurs.

(e) Effective as of immediately prior to the Closing Date (the “DC Termination Date”), and subject to the Effective Time actually occurring, Wisconsin shall, or shall cause a Wisconsin Subsidiary, to (i) terminate all Wisconsin Qualified Plans that are defined contribution plans, as defined under Section 3(34) of ERISA (each a “Wisconsin DC Plan”); (ii) contribute to each such Wisconsin DC Plan on or as soon as practicable following the DC Termination Date all contributions required to be made for periods prior to the DC Termination Date on behalf of participants in each such Wisconsin DC Plan; (iii) cause the account balances of all participants in each Wisconsin DC Plan to be fully vested as of the DC Termination Date; and (iv) take any actions necessary to ensure that the account balances of participants in each Wisconsin DC Plan are distributable from the Wisconsin DC Plan on or as promptly as administratively practicable after the DC Termination Date or, if an application for a favorable determination letter from the IRS regarding the qualified status of the Wisconsin DC Plan upon termination has been made, after the receipt of such favorable determination letter. Georgia shall cause each Assumed Employee who was a participant in a Wisconsin DC Plan and who has an account balance under such Wisconsin DC Plan to be permitted to elect a “direct rollover” of such Assumed Employee’s account balance (including promissory notes evidencing all outstanding loans) from the applicable Wisconsin DC Plan to a Georgia Qualified Plan that is a defined contribution plan within the meaning of Section 3(34) of ERISA (a “Georgia DC Plan”) subject to and provided that, Georgia or the proper fiduciaries of the applicable Georgia DC Plan become reasonably satisfied, consistent with the regulations under Section 401(a)(31) of the Code and ERISA, that the applicable Wisconsin DC Plan meets the requirements for qualification under Section 401(a) of the Code and the requirements of the Georgia DC Plan.

(f) Notwithstanding the foregoing, following the Closing, Georgia shall, or shall cause the Georgia Subsidiaries (including the Surviving Company and the Wisconsin Subsidiaries) to, assume the Employee Matters Agreement, dated as of April 3, 2007, between Wisconsin, Metavante Corporation, New M&I Corporation and Marshal & Ilsley Corporation, as amended by Amendment No 1 to the Employee Matters Agreement, dated as of August 21, 2007, between Wisconsin, Metavante Corporation, New M&I Corporation and Marshall & Ilsley Corporation.

(g) Each Assumed Employee shall be eligible to receive an annual bonus in respect of 2009 equal to the sum of (x) with respect to the period commencing January 1, 2009 and ending on the Closing Date (“Pre-Closing Period”), the amount earned by such Assumed Employee and accrued and reserved on Wisconsin’s financial statements for such Assumed Employee during such period as of immediately prior to the Closing Date based on the actual performance of Wisconsin and such Assumed Employee through the Closing Date in accordance with the terms and conditions of the applicable short-term incentive plan of Wisconsin in which the Assumed Employee is a participant and (y) with respect to the period commencing on the day

following the Closing Date and ending on December 31, 2009 (“Post-Closing Period”), an amount determined in accordance with a short-term incentive plan of Georgia during such period, based on the combined performance of Georgia and Wisconsin and such Assumed Employee’s performance (the sum of (x) and (y) with respect to each Assumed Employee, such Assumed Employee’s “2009 Annual Bonus”). Payment of 2009 Annual Bonuses to each Assumed Employee shall be subject to the approval of the Compensation Committee of the Board of Directors of Georgia and the terms and conditions of the applicable short-term incentive plan of Wisconsin with respect to the Pre-Closing Period and the terms and conditions of the applicable short-term incentive plan of Georgia with respect to the Post-Closing Period and payable in accordance therewith at such time as 2009 annual bonuses are paid to similarly situated employees of Georgia. Notwithstanding the foregoing, in no event shall an Assumed Employee receive a 2009 Annual Bonus described in this Section 6.6(g) unless the Assumed Employee remains employed through the later of the date specified in the applicable short-term incentive plan or December 31, 2009 and meets such other requirements as specified in the applicable short-term incentive plan.

(h) Without limiting the generality of Section 9.11, this Section 6.6 shall be binding upon and inure solely to the benefit of each party to this Agreement, and nothing in this Section 6.6, express or implied, is intended to confer upon any other Person, including, any current or former director, officer or employee of Wisconsin or any Wisconsin Subsidiary, any rights or remedies of any nature whatsoever under or by reason of this Section 6.6.

6.7 Indemnification; Directors’ and Officers’ Insurance. (a) In the event of any threatened or actual claim, action, suit, proceeding or investigation, whether civil, criminal or administrative, including any such claim, action, suit, proceeding or investigation in which any individual who is now, or has been at any time prior to the date of this Agreement, or who becomes prior to the Effective Time, a director or officer of Wisconsin or any Wisconsin Subsidiary or who is or was serving at the request of Wisconsin or any Wisconsin Subsidiary as a director or officer of another person (the “Indemnified Parties”), is, or is threatened to be, made a party based in whole or in part on, or arising in whole or in part out of, or pertaining to (i) the fact that he is or was a director or officer of Wisconsin or any Wisconsin Subsidiary or (ii) this Agreement or any of the transactions contemplated by this Agreement, whether asserted or arising before or after the Effective Time, the parties shall cooperate and use their best efforts to defend against and respond thereto. From and after the Effective Time, Georgia shall indemnify and hold harmless, as and to the fullest extent permitted under applicable Law, the Wisconsin Articles, the Wisconsin By-laws and any agreement set forth in Section 6.7(a) of the Wisconsin Disclosure Schedule, each such Indemnified Party against any losses, claims, damages, liabilities, costs, expenses (including reimbursement for reasonable fees and expenses incurred in advance of the final disposition of any claim, suit, proceeding or investigation upon receipt of any undertaking required by applicable Law), judgments, fines and amounts paid in settlement in connection with any such threatened or actual claim, action, suit, proceeding or investigation.

(b) Georgia shall cause the individuals serving as officers and directors of Wisconsin or any Wisconsin Subsidiary immediately prior to the Effective Time to be covered for a period of six years from the Effective Time by the directors’ and officers’ liability insurance policy maintained by Wisconsin (provided that Georgia may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are not less

advantageous than such policy) with respect to acts or omissions occurring prior to the Effective Time that were committed by such officers and directors in their capacity as such. Wisconsin shall, upon request of Georgia and in lieu of the foregoing insurance coverage, purchase, prior to the Effective Time, a six-year prepaid "tail policy" on terms and conditions (in both amount and scope) providing substantially equivalent benefits as the current policies of directors' and officers' liability insurance maintained by Wisconsin with respect to acts or omissions occurring prior to the Effective Time that were committed by such officers and directors in their capacity as such. Notwithstanding the foregoing, in no event shall Georgia be required to, and Wisconsin shall not, expend more than 250% per year of coverage of the amount currently expended by Wisconsin per year of coverage as of the date of this Agreement (the "Maximum Amount") to maintain or procure insurance coverage pursuant hereto. If Georgia is unable to maintain or obtain the insurance called for by this Section 6.7, Georgia shall obtain as much comparable insurance as available for the Maximum Amount. The Indemnified Parties may be required to make reasonable application and provide reasonable and customary representations and warranties to Georgia's insurance carrier for the purpose of obtaining such insurance, comparable in nature and scope to the applications, representations and warranties required of persons who are officers and directors of Georgia as of the date hereof.

(c) The provisions of this Section 6.7 shall survive the Effective Time and are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives.

(d) If Georgia or the Surviving Company or any of its successors or assigns shall (i) consolidate with or merge into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfer all or substantially all of its properties and assets to any Person, then, and in each such case, proper provisions shall be made so that the successors and assigns of Georgia or the Surviving Company (or acquiror of such assets), as the case may be, shall assume all of the obligations of Parent or the Surviving Corporation set forth in this Section 6.7.

6.8 Additional Agreements. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement (including any merger between a Georgia Subsidiary, on the one hand, and a Wisconsin Subsidiary, on the other) or to vest the Surviving Company with full title to all properties, assets, rights, approvals, immunities and franchises of either party to the Merger, the proper officers and directors of each party and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by, and at the sole expense of, Georgia.

6.9 Advice of Changes. Each of Georgia, Merger Sub and Wisconsin shall promptly advise the other of any change or event (i) having or reasonably likely to have a Material Adverse Effect on it or (ii) that it believes would or would be reasonably likely to cause or constitute a material breach of any of its representations, warranties or covenants contained in this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties (or remedies with respect thereto) or the conditions to the obligations of the parties under this Agreement; provided, further, that a failure to comply with this Section 6.9 shall not constitute the failure of any condition set forth in

Article VII to be satisfied unless the underlying Material Adverse Effect or material breach would independently result in the failure of a condition set forth in Article VII to be satisfied.

6.10 Exemption from Liability Under Section 16(b). Georgia and Wisconsin agree that, in order to most effectively compensate and retain Wisconsin Insiders in connection with the Merger, both prior to and after the Effective Time, it is desirable that Wisconsin Insiders not be subject to a risk of liability under Section 16(b) of the Exchange Act to the fullest extent permitted by applicable Law in connection with the settlement or conversion of shares of Wisconsin Common Stock, Wisconsin Performance Shares, Wisconsin Stock Options and Wisconsin Stock Units into shares of Georgia Common Stock, Assumed Stock Options, Assumed Performance Shares, cash and Assumed Stock Units, as applicable, pursuant to the transactions contemplated hereby, and for that compensatory and retentive purpose agree to the provisions of this Section 6.10. Assuming that Wisconsin delivers to Georgia the Section 16 Information in a timely fashion, the Board of Directors of Georgia, or a committee of Non-Employee Directors thereof (as such term is defined for purposes of Rule 16b-3(d) under the Exchange Act), shall adopt a resolution providing that the receipt by Wisconsin Insiders of Georgia Common Stock in exchange for shares of Wisconsin Common Stock, of Assumed Stock Options upon conversion of Wisconsin Stock Options, of Assumed Performance Shares, and of Assumed Stock Units upon conversion of Wisconsin Stock Units, in each case pursuant to the transactions contemplated by this Agreement and to the extent such securities are listed in the Section 16 Information, are intended to be exempt from liability pursuant to Section 16(b) under the Exchange Act. "Section 16 Information" shall mean information accurate in all material respects regarding Wisconsin Insiders, the number of shares of Wisconsin Common Stock and Assumed Performance Shares held by each such Wisconsin Insider and expected to be exchanged for Georgia Common Stock in the Merger, and the number and description of Wisconsin Stock Options or Wisconsin Stock Units held by each such Wisconsin Insider and expected to be converted into Assumed Stock Options or Assumed Stock Units, as applicable, in connection with the Merger; provided that the requirement for a description of any Wisconsin Stock Options and Wisconsin Stock Units shall be deemed to be satisfied if copies of all Wisconsin Stock Plans, and forms of agreements evidencing grants thereunder, under which such Wisconsin Stock Options and Wisconsin Stock Units have been granted, have been made available to Georgia. "Wisconsin Insiders" shall mean those officers and directors (including directors by deputization) of Wisconsin who are subject to the reporting requirements of Section 16(a) of the Exchange Act and who are listed in the Section 16 Information.

6.11 No Solicitation.

(a) None of Wisconsin or Georgia (each, a "No-Shop Party", and with respect to each other, the "Other Party") or its respective Subsidiaries or any officer, director, employee, agent or representative (including any investment banker, financial advisor, attorney, accountant or other retained representative) of such No-Shop Party or any of its Subsidiaries shall directly or indirectly (i) solicit, initiate, encourage or facilitate, directly or indirectly (including by way of furnishing information), or take any other action designed to facilitate, any inquiries or proposals regarding any merger, share exchange, consolidation, sale of assets, sale of shares of capital stock (including by way of a tender offer) or similar transactions involving such No-Shop Party or any of its Subsidiaries that, if consummated, would constitute an Alternative Transaction (any of the foregoing inquiries or proposals being referred to herein as an "Acquisition Proposal"), (ii)

participate in any discussions or negotiations regarding an Alternative Transaction or (iii) enter into any agreement regarding any Alternative Transaction. Notwithstanding the foregoing, the Board of Directors of a No-Shop Party shall be permitted, prior to the meeting of shareholders of such No-Shop Party to be held pursuant to Section 6.3, and subject to compliance with the other terms of this Section 6.11 and to first entering into a confidentiality agreement with the Person proposing such Acquisition Proposal on terms substantially similar to, and no less favorable to such No-Shop Party than, those contained in the Confidentiality Agreement, to furnish information concerning such No-Shop Party and its Subsidiaries to the Person making such Acquisition Proposal and to consider and participate in discussions and negotiations with respect to such Acquisition Proposal received by such No-Shop Party, if and only to the extent that (A) such Acquisition Proposal is an unsolicited, bona fide written Acquisition Proposal, and (B) the Board of Directors of such No-Shop Party reasonably determines in good faith (after consultation with outside legal counsel) that (x) such Acquisition Proposal is, or is reasonably likely to lead to, a Superior Proposal and (y) failure to do so would cause it to violate its fiduciary duties.

As used in this Agreement, “Alternative Transaction” means, in respect of either No-Shop Party, any of (i) a transaction pursuant to which any Person (or group of Persons) other than the Other Party or its affiliates, directly or indirectly, acquires or would acquire more than 25 percent of the outstanding shares of Wisconsin Common Stock or Georgia Common Stock, as applicable, or outstanding voting power or of any new series or new class of preferred stock that would be entitled to a class or series vote with respect to the Merger, whether from such No-Shop Party, or pursuant to a tender offer or exchange offer or otherwise, (ii) any transaction pursuant to which any Person (or group of Persons) other than the Other Party or its affiliates acquires or would acquire control of assets (including for this purpose the outstanding equity securities of any Subsidiaries of such No-Shop Party and securities of the entity surviving any merger or business combination, including any of its Subsidiaries) of such No-Shop Party or any of its subsidiaries representing more than 25 percent of the fair market value of all the assets, net revenues or net income of such No-Shop Party and its Subsidiaries, taken as a whole, immediately prior to such transaction, or (iii) any other merger, consolidation, business combination, recapitalization or similar transaction involving such No-Shop Party or any of its subsidiaries, other than the transactions contemplated by this Agreement, as a result of which the holders of shares of Wisconsin Common Stock or Georgia Common Stock, as applicable, immediately prior to such transaction do not, in the aggregate, own at least 75 percent of each of the outstanding shares of common stock and the outstanding voting power of the surviving or resulting entity in such transaction immediately after the consummation thereof in substantially the same proportion as such holders held the shares of Wisconsin Common Stock or Georgia Common Stock, as applicable, immediately prior to the consummation thereof.

As used in this Agreement, “Superior Proposal” means, with respect to a No-Shop Party, a bona fide written Acquisition Proposal (with the references to 25 percent included in the definition of Alternative Transaction changed to 66 percent and the reference to 75 percent in clause (iii) of such definition changed to 33 percent) for such No-Shop Party obtained not in violation of this Section 6.11 which the Board of Directors of such No-Shop Party determines in good faith, after consultation with its financial advisors and outside legal counsel, and taking into account such facts as the Board of Directors considers to be appropriate (including conditions to and expected timing and risks of consummation, the ability of the Person making such proposal

to obtain financing for such Acquisition Proposal, and any break-up fees or expense reimbursement provisions), (i) is reasonably likely to be consummated in accordance with its terms, and (ii) if consummated, would result in a transaction more favorable to the holders of common stock of such No-Shop Party than the Merger.

(b) Other than in accordance with Section 6.11(c) below, the Board of Directors of a No-Shop Party shall not (i) withdraw (or not continue to make) or modify or qualify in a manner adverse to the Other Party, or publicly propose to withdraw (or not continue to make) or modify or qualify in a manner adverse to Other Party, the Wisconsin Recommendation or the Georgia Recommendation, as the case may be, (ii) approve, adopt or recommend, or publicly propose to approve, adopt or recommend, any Acquisition Proposal, (iii) fail to recommend against any Acquisition Proposal within two business days upon the request of the Other Party, or (iv) take any other action or make any other public statement that is inconsistent with the Wisconsin Recommendation or Georgia Recommendation, as the case may be (any action described in clauses (i) through (iv), taken by the Board of Directors of either Wisconsin or Georgia, a “Change in Wisconsin Recommendation” or a “Change in Georgia Recommendation”, respectively).

(c) Notwithstanding anything to the contrary in this Section 6.11, at any time prior to obtaining the Wisconsin Shareholder Approval or Georgia Shareholder Approval, as applicable, if a No-Shop Party has received a bona fide written Acquisition Proposal that was not obtained in violation of this Section 6.11, that has not been withdrawn or abandoned and that the Board of Directors of such No-Shop Party has concluded in good faith (after consultation with its financial advisors and outside legal counsel) constitutes a Superior Proposal after giving effect to all of the adjustments which may be offered by the Other Party pursuant to clause (ii) below (if applicable), the Board of Directors of such No-Shop Party may (x) effect a Change in Wisconsin Recommendation or a Change in Georgia Recommendation, as applicable, and/or (y) terminate the Agreement to enter into a definitive agreement regarding a Superior Proposal if the following conditions are met:

- (i) in the case of any action described in either clause (x) or clause (y) above, the Board of Directors of the No-Shop Party has determined in good faith that the failure to take such action would violate the fiduciary duties of the members of the Board of Directors to the holders of shares of common stock of such No-Shop Party under applicable Laws;
- (ii) in the case of any action described in either clause (x) or clause (y) above, (a) the No-Shop Party has provided prior written notice to the Other Party, at least five calendar days in advance (the “Notice Period”), of its intention to effect a Change in Wisconsin Recommendation or a Change in Georgia Recommendation, as applicable, and/or to terminate the Agreement, which notice shall specify the material terms and conditions of any such Superior Proposal (including the identity of the party making such Superior Proposal), and contemporaneously with providing such notice shall have provided a copy of the relevant proposed transaction agreements with the party making such Superior Proposal and other material documents, and (b) prior to effecting such Change in Wisconsin Recommendation or a

Change in Georgia Recommendation, as applicable, and/or terminating the Agreement, the No-Shop Party shall, and shall cause its legal and financial advisors to, during the Notice Period, negotiate with the Other Party in good faith (to the extent the Other Party desires to negotiate) to make such adjustments to the terms and conditions of this Agreement so that such Acquisition Proposal ceases to constitute a Superior Proposal. In the event that during the Notice Period any revisions are made to the Superior Proposal and the Board of Directors of such No-Shop Party in its good faith judgment determines such revisions are material (it being agreed that any change in the purchase price in such Superior Proposal shall be deemed a material revision), the No-Shop Party shall be required to deliver a new written notice to the Other Party and to comply with the requirements of this Section 6.11(c) with respect to such new written notice; and

- (iii) in the case of any action described in clause (y) above, (A) the No-Shop Party has complied in all material respects with its obligations under this Section 6.11 and (B) the No-Shop Party shall have paid the Termination Fee to the Other Party in accordance with Section 8.3(c).

(d) Each No-Shop Party shall notify the other No-Shop Party promptly (but in no event later than 24 hours) after receipt of any Acquisition Proposal, or any material modification of or material amendment to any Acquisition Proposal, or any request for nonpublic information relating to such No-Shop Party or any of its Subsidiaries or for access to the properties, books or records of such No-Shop Party or any of its Subsidiaries by any Person or entity that informs the Board of Directors of such No-Shop Party or any Subsidiary of such No-Shop Party that it is considering making, or has made, an Acquisition Proposal. Such notice to the other No-Shop Party shall be made orally and in writing, and shall indicate the identity of the Person making the Acquisition Proposal or intending to make or considering making an Acquisition Proposal or requesting non-public information or access to the books and records of such No-Shop Party or any of its Subsidiaries, and the material terms of any such Acquisition Proposal or modification or amendment to an Acquisition Proposal. Each No-Shop Party shall keep the other No-Shop Party fully informed, on a current basis, of any material changes in the status and any material changes or modifications in the terms of any such Acquisition Proposal, indication or request, and at all times shall negotiate in good faith with the other No-Shop Party regarding possible modifications to the terms of this Agreement which may arise in connection with any Acquisition Proposal. Each No-Shop Party shall also promptly, and in any event within 24 hours, notify the other No-Shop Party, orally and in writing, if it enters into discussions or negotiations concerning any Acquisition Proposal in accordance with this Section 6.11.

(e) Nothing contained in this Section 6.11 shall prohibit a No-Shop Party or its Subsidiaries from taking and disclosing to its shareholders a position required by Rule 14e-2(a) or Rule 14d-9 promulgated under the Exchange Act.

(f) Each No-Shop Party and its Subsidiaries shall immediately cease and cause to be terminated any existing discussions or negotiations with any Persons (other than the other No-Shop Party) conducted heretofore with respect to any of the foregoing, and shall use

reasonable best efforts to cause all Persons other than the other No-Shop Party who have been furnished confidential information regarding such first No-Shop Party in connection with the solicitation of or discussions regarding an Acquisition Proposal within the 12 months prior to the date hereof promptly to return or destroy such information. Each No-Shop Party agrees not to, and to cause its Subsidiaries not to, release any third party from the confidentiality and standstill provisions of any agreement to which such No-Shop Party or its Subsidiaries is or may become a party, and shall immediately take all steps necessary to terminate any approval that may have been heretofore given under any such provisions authorizing any Person to make an Acquisition Proposal.

(g) Each No-Shop Party shall ensure that the officers, directors and all employees, agents and representatives (including any investment bankers, financial advisors, attorneys, accountants or other retained representatives) of such No-Shop Party or its Subsidiaries are aware of the restrictions described in this Section 6.11 as reasonably necessary to avoid violations thereof. It is understood that any violation of the restrictions set forth in this Section 6.11 by any officer, director, employee, agent or representative (including any investment banker, financial advisor, attorney, accountant or other retained representative) of a No-Shop Party or its Subsidiaries, at the direction or with the consent of such No-Shop Party or its Subsidiaries, shall be deemed to be a breach of this Section 6.11 by such No-Shop Party.

6.12 Takeover Statutes. Each of Georgia, Merger Sub and Wisconsin shall use its reasonable best efforts (i) to take all actions necessary so that no “moratorium,” “control share,” “fair price,” “anti-greenmail,” “takeover,” “interested shareholder” or similar Laws is or becomes applicable to the Merger, the Support Agreement or any of the other transactions contemplated by this Agreement and (ii) if any such Laws is or becomes applicable to the Merger or any of the other transactions contemplated by this Agreement, to take all actions necessary so that the Merger and the other transactions contemplated hereby may be consummated as promptly as practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such Laws on the Merger and the other transactions contemplated hereby.

- (i) Wisconsin shall have received an opinion of its counsel, Kirkland & Ellis LLP, substantially in the form of Exhibit H, and in form and substance reasonably satisfactory to Georgia and Wisconsin, dated the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth in such opinion, the Merger will not affect any of the conclusions set forth in the Private Letter Ruling (as such term is defined in the MVT/MI Tax Allocation Agreement) or the Tax Opinion (as such term is defined in the MVT/MI Tax Allocation Agreement).
- (ii) Georgia shall have received the opinion of Deloitte Tax LLP, in form and substance reasonably satisfactory to Georgia and Wisconsin, dated the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth in such opinion, the Merger will not have any adverse effect on the tax-free treatment of the Transactions (as such term

is defined in the FIS/LPS Tax Disaffiliation Agreement) for United States federal income tax purposes.

7.2 Conditions to Obligations of Georgia and Merger Sub. The obligation of Georgia and Merger Sub to effect the Merger and the other transactions contemplated by this Agreement is also subject to the satisfaction, or waiver by Georgia and Merger Sub, at or prior to the Effective Time, of the following conditions:

(a) Representations and Warranties. The representations and warranties of Wisconsin set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Effective Time as though made on and as of the Effective Time (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct only as of such date); provided, however, that no representation or warranty of Wisconsin (other than representations or warranties contained in Sections 3.1(a) (first sentence only), 3.2, 3.3(a) and 3.7, which shall be true and correct in all material respects) shall be deemed untrue or incorrect for purposes hereunder as a consequence of the existence of any fact, event or circumstance inconsistent with such representation or warranty, unless such fact, event or circumstance, individually or taken together with all other facts, events or circumstances inconsistent with any representation or warranty of Wisconsin (other than representations or warranties contained in Sections 3.1(a) (first sentence only), 3.2, 3.3(a) and 3.7), has had or would reasonably be expected to result in a Material Adverse Effect on Wisconsin; provided, further, that for purposes of determining whether a representation or warranty is true and correct, any qualification or exception for, or reference to, materiality (including the terms “material,” “materially,” “in all material respects,” “Material Adverse Effect” or similar terms or phrases) in any such representation or warranty shall be disregarded; and Georgia shall have received a certificate signed on behalf of Wisconsin by the Chief Executive Officer or the Chief Financial Officer of Wisconsin to the foregoing effect.

(b) Performance of Obligations of Wisconsin. Wisconsin shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date; and Georgia shall have received a certificate signed on behalf of Wisconsin by the Chief Executive Officer or the Chief Financial Officer of Wisconsin to such effect.

(c) Federal Tax Opinion. Georgia shall have received the opinion of Deloitte Tax LLP, in form and substance reasonably satisfactory to Georgia, dated the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth in such opinion, the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code. In rendering such opinion, counsel may require and rely upon representations contained in certificates of officers of Wisconsin and Georgia, reasonably satisfactory in form and substance to it.

7.3 Conditions to Obligations of Wisconsin. The obligation of Wisconsin to effect the Merger and the other transactions contemplated by this Agreement is also subject to the satisfaction or waiver by Wisconsin at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties. The representations and warranties of Georgia and Merger Sub set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Effective Time as though made on and as of the Effective Time (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct only as of such date); provided, however, that no representation or warranty of Georgia or Merger Sub (other than representations or warranties in Sections 4.1(a) (first sentence only), 4.1(c)(i) (as it relates to Merger Sub only), 4.2, 4.3(a) and 4.7 which shall be true and correct in all material respects) shall be deemed untrue or incorrect for purposes hereunder as a consequence of the existence of any fact, event or circumstance inconsistent with such representation or warranty, unless such fact, event or circumstance, individually or taken together with all other facts, events or circumstances inconsistent with any representation or warranty of Georgia or Merger Sub (other than representations or warranties in Sections 4.1(a) (first sentence only), 4.1(c)(i) (as it relates to Merger Sub only), 4.2, 4.3(a) and 4.7), has had or would reasonably be expected to result in a Material Adverse Effect on Georgia; provided, further, that for purposes of determining whether a representation or warranty is true and correct, any qualification or exception for, or reference to, materiality (including the terms “material,” “materially,” “in all material respects,” “Material Adverse Effect” or similar terms or phrases) in any such representation or warranty shall be disregarded; and Wisconsin shall have received a certificate signed on behalf of Georgia by the Chief Executive Officer or the Chief Financial Officer of Georgia to the foregoing effect.

(b) Performance of Obligations of Georgia and Merger Sub. Each of Georgia and Merger Sub shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date, and Wisconsin shall have received a certificate signed on behalf of Georgia and Merger Sub by the Chief Executive Officer or the Chief Financial Officer of Georgia to such effect.

(c) Federal Tax Opinion. Wisconsin shall have received the opinion of its counsel, Kirkland & Ellis LLP, in form and substance reasonably satisfactory to Wisconsin, dated the Closing Date, to the effect that, on the basis of facts, representations and assumptions set forth in such opinion, the Merger will qualify as a “reorganization” within the meaning of Section 368(a) of the Code. In rendering such opinion, counsel may require and rely upon representations contained in certificates of officers of Wisconsin and Georgia, reasonably satisfactory in form and substance to it.

ARTICLE VIII

TERMINATION AND AMENDMENT

8.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, whether before or after approval of the matters presented in connection with the Merger by the shareholders of Wisconsin or Georgia:

(a) by mutual consent of Wisconsin and Georgia in a written instrument, if the Board of Directors of each so determines by a vote of a majority of the members of its respective entire Board of Directors;

(b) by either the Board of Directors of Wisconsin or the Board of Directors of Georgia if any Governmental Entity that must grant a Requisite Approval has denied approval of the Merger and such denial has become final and nonappealable or any Governmental Entity of competent jurisdiction shall have issued a final and nonappealable Order permanently enjoining or otherwise prohibiting the consummation of the transactions contemplated by this Agreement, provided that the party seeking to terminate this Agreement pursuant to this Section 8.1(b) shall have complied with its obligations pursuant to Section 6.1 with respect to such denial or Order;

(c) by either the Board of Directors of Wisconsin or the Board of Directors of Georgia if the Merger shall not have been consummated on or before December 31, 2009, unless the failure of the Closing to occur by such date shall be due to the failure of the party seeking to terminate this Agreement to perform or observe the covenants and agreements of such party set forth in this Agreement;

(d) by either the Board of Directors of Georgia or the Board of Directors of Wisconsin if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of Wisconsin, in the case of a termination by Georgia, or Georgia or Merger Sub, in the case of a termination by Wisconsin, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 7.2 or 7.3, as the case may be, and which is not cured within 30 days following written notice to the party committing such breach or by its nature or timing cannot be cured within such time period; provided that the terminating party shall not have the right to terminate this Agreement pursuant to this Section 8.1(d) if, at the time of such termination, there exists a breach or breaches of any representation, warranty, covenant or agreement of such terminating party contained in this Agreement that, individually or in the aggregate, would result in the closing conditions set forth in Section 7.1 or 7.2, with respect to a termination by Wisconsin, or in Section 7.1 or 7.3, with respect to a termination by Georgia, not to be satisfied;

(e) by the Board of Directors of Georgia if Wisconsin has (i) failed to make the Wisconsin Recommendation or to include the Wisconsin Recommendation in the Joint Proxy Statement, or has effected a Change in Wisconsin Recommendation, or (ii) failed to substantially comply with its obligations under Section 6.3 or 6.11;

(f) by the Board of Directors of Wisconsin if Georgia has (i) failed to make the Georgia Recommendation or has effected a Change in Georgia Recommendation, or (ii) failed to substantially comply with its obligations under Section 6.3 or 6.11;

(g) by either Georgia or Wisconsin, if the Wisconsin Shareholder Approval or the Georgia Shareholder Approval shall not have been obtained at the Wisconsin Shareholders Meeting or the Georgia Shareholders Meeting, respectively; or

(h) by Georgia prior to obtaining the Georgia Shareholder Approval or by Wisconsin prior to obtaining the Wisconsin Shareholder Approval, in each case in accordance with, and subject to the terms and conditions of, Section 6.11(c).

Any party desiring to terminate this Agreement pursuant to this Section 8.1 (other than any termination pursuant to Section 8.1(a)) shall give written notice of such termination to the other parties specifying the provision or provisions of this Section 8.1 pursuant to which such termination is purportedly effected.

8.2 Effect of Termination. In the event of termination of this Agreement by either Wisconsin or Georgia as provided in Section 8.1, this Agreement shall forthwith become void and have no effect, and none of Wisconsin, Georgia, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever under this Agreement, or in connection with the transactions contemplated by this Agreement, except that (i) Sections 6.2(b), 8.2, 8.3, 9.2, 9.3, 9.4, 9.9 and 9.10 shall survive any termination of this Agreement, and (ii) notwithstanding anything to the contrary contained in this Agreement, neither Wisconsin nor Georgia shall be relieved or released from any liabilities or damages arising out of fraud or its willful breach of any provision of this Agreement.

8.3 Termination Fee. (a) In the event that (i) a bona fide Acquisition Proposal shall have been communicated to or otherwise made known to the shareholders of Wisconsin or Georgia, as applicable, or any Person shall have publicly announced an intention (whether or not conditional) to make an Acquisition Proposal involving Wisconsin or Georgia, as applicable, in each case after the date of this Agreement (the party to which this clause (i) applies is referred to in this Section 8.3(a) as the “applicable party”), (ii) thereafter this Agreement is terminated (A) pursuant to Sections 8.1(g) or 8.1(c) following the failure to receive the requisite approval of the applicable party’s shareholders, or (B) pursuant to Section 8.1(d) as a result of a breach by the applicable party, and (iii) prior to the date that is twelve (12) months after the date of such termination the applicable party consummates an Alternative Transaction or enters into any definitive agreement related to an Alternative Transaction, then the applicable party shall on the date an Alternative Transaction is consummated or any such definitive agreement is entered into, pay the other party a fee equal to \$175 million (the “Termination Fee”) by wire transfer of same day funds.

(b) In the event this Agreement is terminated by Georgia pursuant to Section 8.1(e), then Wisconsin shall pay Georgia the Termination Fee by wire transfer of same day funds on the date of termination. In the event this Agreement is terminated by Wisconsin pursuant to Section 8.1(f), then Georgia shall pay Wisconsin the Termination Fee by wire transfer of same day funds on the date of termination.

(c) In the event this Agreement is terminated by Georgia or Wisconsin pursuant to Section 8.1(h), then the terminating party shall pay the other party the Termination Fee by wire transfer of same day funds at or prior to the time of termination.

(d) Each of Georgia and Wisconsin acknowledges that the agreements contained in this Section 8.3 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the other party would not enter into this Agreement. Each of Georgia and Wisconsin further acknowledges and agrees that the Termination Fee is not a penalty, but rather liquidated damages in amounts reasonably estimated by the parties to compensate the other party for efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the

expectation of the consummation of the transactions contemplated hereby. Accordingly, if any party fails promptly to pay the amount due pursuant to this Section 8.3, and, in order to obtain such payment, the other party commences a suit which results in a judgment against such first party for the fee set forth in this Section 8.3, the other party shall pay to such first party its costs and expenses (including attorneys' fees and expenses) in connection with such suit, together with interest on any unpaid amount of the Termination Fee at the rate on six-month U.S. Treasury obligations plus 300 basis points in effect on the date such payment was required to be made, calculated on a daily basis from the date the Termination Fee was required to be paid until the date of the actual payment.

8.4 Amendment. Subject to compliance with applicable Law and Section 1.1(b), this Agreement may be amended by the parties, by action taken or authorized by their respective Boards of Directors or managing member or sole member, as applicable, at any time before or after approval of the matters presented in connection with the Merger by the shareholders of Wisconsin or Georgia; provided, however, that after any approval of the transactions contemplated by this Agreement by the shareholders of Wisconsin or Georgia, there may not be, without further approval of such shareholders, any amendment of this Agreement that requires such further approval under applicable Law. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

8.5 Extension; Waiver. At any time prior to the Effective Time, the parties, by action taken or authorized by their respective Board of Directors or managing member or sole member, as applicable, may, to the extent legally allowed, (i) extend the time for the performance of any of the obligations or other acts of the other party, (ii) waive any inaccuracies in the representations and warranties contained in this Agreement and (iii) waive compliance with any of the agreements or conditions contained in this Agreement; provided, however, that after any approval of the transactions contemplated by this Agreement by the shareholders of Wisconsin and Georgia, there may not be, without further approval of such shareholders any extension or waiver of this Agreement or any portion hereof that changes the amount or form of the consideration to be delivered to the holders of Wisconsin Common Stock under this Agreement, other than as contemplated by this Agreement. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

ARTICLE IX

9.5 Interpretation. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The Wisconsin Disclosure Schedule and the Georgia Disclosure Schedule, as well as all other schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement. This Agreement shall not be interpreted or construed to require any Person to take any action, or fail to take any action, if to do so would violate any applicable Law.

9.6 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become

effective when counterparts have been signed by each of the parties and delivered to the other party, it being understood that each party need not sign the same counterpart.

9.7 Entire Agreement. This Agreement (including the documents and the instruments referred to in this Agreement), together with the Confidentiality Agreement, constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Agreement, other than the Confidentiality Agreement.

9.8 Governing Law; Jurisdiction. This Agreement shall be governed and construed in accordance with the internal Laws of the State of Delaware applicable to contracts made and wholly performed within such state, without regard to any applicable conflicts of law principles, except to the extent the Laws of the State of Wisconsin apply. The parties hereto agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in any federal or state court located in the state of Delaware, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 9.4 shall be deemed effective service of process on such party. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

9.9 Publicity. Neither Wisconsin nor Georgia shall, and neither Wisconsin nor Georgia shall permit any of its Subsidiaries to, issue or cause the publication of any press release or other public announcement with respect to, or otherwise make any public statement concerning, the transactions contemplated by this Agreement without the prior consent (which consent shall not be unreasonably withheld, delayed or conditioned) of Georgia, in the case of a proposed announcement or statement by Wisconsin, or Wisconsin, in the case of a proposed announcement or statement by Georgia; provided, however, that either party may, without the prior consent of the other party (but after prior consultation with the other party to the extent practicable under the circumstances) issue or cause the publication of any press release or other public announcement to the extent required by Law or by the rules and regulations of the NYSE.

9.10 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by either of the parties (whether by operation of law or otherwise) without the prior written consent of the other party. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the parties and their respective successors and assigns. Except as otherwise specifically provided in Section 6.7, this Agreement (including the documents and

instruments referred to in this Agreement) is not intended to and does not confer upon any Person other than the parties hereto any rights or remedies under this Agreement.

9.11 Specific Performance. The parties hereto agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any federal or state court located in the state of Delaware in addition to any other remedy to which they are entitled at law or in equity. Any requirements for the securing or posting of any bond with such remedy are hereby waived.

9.12 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by virtue of any applicable Law, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner so that the transactions contemplated hereby are fulfilled to the extent possible.

II SUPPORT OBLIGATIONS OF THE SHAREHOLDER

The Shareholder irrevocably and unconditionally agrees that from and after the date hereof, at any meeting (whether annual or special, and at each adjourned or postponed meeting) of shareholders of the Company, however called, or in connection with any written consent of the Company’s shareholders, the Shareholder will (a) appear at each such meeting or otherwise cause all of the Owned Shares to be counted as present thereat for purposes of calculating a quorum, and respond to each request by the Company for written consent, if any, and (b) vote (or consent), or cause to be voted (or validly execute and return and cause consent to be granted with respect to), all of the Shareholder’s shares of Company Common Stock (and all other voting securities of or equity interests in the Company and any derivative or other contractual arrangements giving the Shareholder or any of its Affiliates (provided that for purposes of this Agreement, “Affiliates” shall not include any “portfolio company” (as such term is customarily used among private equity investors) that may be deemed to be an “Affiliate” of the Shareholder) the ability to exercise voting rights with respect to shares of Company Common Stock) Beneficially Owned by the Shareholder as of the applicable record date (together with any Company Common Stock that the Shareholder may acquire after the date hereof, including pursuant to the Metavante Stock Purchase Right Agreement or the Shareholders Agreement (as hereinafter defined), the “Owned Shares”) (i) in favor of the Merger, the execution and delivery by the Company of the Merger Agreement and the adoption and approval of the Merger Agreement and the terms thereof, in favor of each of the other actions contemplated by the Merger Agreement and in favor of any action in furtherance of any of the foregoing (in each case whether or not recommended by the Board of Directors of the Company) and (ii) against (A) any Acquisition Proposal or any proposal relating to an Acquisition Proposal, (B) any merger agreement or merger (other than the Merger Agreement and the Merger), consolidation, combination, material business transaction or legal or regulatory action, sale of assets, reorganization, recapitalization, dissolution, liquidation or winding up of or by the Company or

any of its Subsidiaries, or (C) any amendment of the Company's articles of incorporation or by-laws that, in the case of each of the foregoing clauses (A) through (C) would (1) impede, frustrate, prevent or nullify any provision of this Agreement, the Merger Agreement or the Merger, (2) result in a breach in any respect of any covenant, representation, warranty or any other obligation or agreement of the Company under the Merger Agreement, or (3) change in any manner the voting rights of the Owned Shares. The Shareholder shall not commit or agree to take any action inconsistent with the foregoing. Except as set forth in this Section 2.1, nothing in this Agreement shall limit the right of the Shareholder to vote in favor of, against or abstain with respect to any matter presented to the Company's shareholders, including in connection with the election of directors proposed by the Company or Parent or Merger Sub or by a third party not in connection with an Acquisition Proposal proposed by such third party.

2.2. No Solicitation. The Shareholder agrees that it shall not (and shall not permit any representative or Affiliate of the Shareholder to), directly or indirectly, (a) initiate, solicit, facilitate or encourage (including by way of furnishing information), or take any other action designed to facilitate, any inquiries or proposals that, if consummated, would constitute an Alternative Transaction, or participate in any discussions or negotiations regarding an Alternative Transaction or potential Alternative Transaction, or enter into any agreement regarding any Alternative Transaction, or (b) in any manner participate in a "solicitation" (as such term is used in the rules of the SEC) of proxies or powers of attorney or similar rights to vote with respect to the voting of, any shares of Company Common Stock intended to facilitate any Acquisition Proposal. Any action attempted to be taken in violation of the preceding sentence will be null and void. The Shareholder authorizes Parent to request the Company to notify the Company's transfer agent that there is a stop transfer order with respect to all of the Owned Shares and that this Agreement places limits on the voting of the Owned Shares.

2.4. Proxies. The Shareholder hereby revokes any and all previous proxies granted with respect to the Owned Shares.

2.5. Shareholder Capacity. Nothing contained in this Agreement shall restrict, limit or prohibit any affiliate or representative of the Shareholder from exercising his or her fiduciary duties in his or her capacity solely as a director of the Company.

III REPRESENTATIONS AND WARRANTIES

3.1. Representations and Warranties of the Shareholder. The Shareholder represents and warrants to Parent, Merger Sub and the Company as of the date of this Agreement and as of the date of any meeting of shareholders of the Company and as of the date of the execution of any written consent of the shareholders of the Company, as follows:

(a) The Shareholder has the requisite capacity and authority to execute and deliver this Agreement and to consummate the transaction contemplated hereby. This Agreement has been duly and validly executed and delivered by the Shareholder and, assuming this Agreement constitutes a legal, valid and binding agreement of Parent, Merger Sub and the Company, constitutes a legal, valid and binding agreement of the Shareholder enforceable by Parent, Merger Sub and the Company against the Shareholder in accordance with its terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium and similar Laws now or hereafter in effect relating to creditors' rights generally and subject to general principles of equity.

(b) The Shareholder is the record and Beneficial Owner, free and clear of any Liens of the Owned Shares (which number of Owned Shares as of the date hereof is set forth in the second recital hereto) and any Owned Shares acquired by the Shareholder after the date hereof, and has full, unrestricted and sole power to dispose of and vote all of, and has not granted any proxy inconsistent with this Agreement that is still effective or entered into any voting or similar agreement with respect to, the Owned Shares; provided, however, the Owned Shares are subject to the Shareholders Agreement. The Owned Shares are the only voting securities or interests in the Company Beneficially Owned or held of record by the Shareholder and, except as provided in the Shareholders Agreement and the Metavante Stock Purchase Right Agreement and except for the Owned Shares and the shares of and options for shares of Company Common Stock owned by or granted to affiliates of the Shareholder who are directors of the Company, the Shareholder and its Affiliates do not Beneficially Own or have any right to acquire (whether currently, upon lapse of time, following the satisfaction of any conditions, upon the occurrence of any event or any combination of the foregoing), any shares of Company Common Stock or any securities convertible into shares of Company Common Stock (including options to purchase Company Common Stock).

(c) None of the execution and delivery of this Agreement by the Shareholder, the consummation by the Shareholder of the transactions contemplated hereby or compliance by the Shareholder with any of the provisions hereof (i) requires any consent or other authorization, approval or permit of, or filing with or notification to, any Governmental Entity or any other Person by the Shareholder, except for (A) filings required under the securities laws, including Sections 13(d) and 16 of the Exchange Act, (B) as contemplated by the Merger Agreement, and (C) any consents, approvals, filings or notices required under the HSR Act and the termination or expiration of any applicable waiting period thereunder, (ii) results in a violation or breach of, or constitutes (with or without notice or lapse of time or both) a default (or gives rise to any third party right of termination, cancellation, material modification or acceleration) under any of the terms, conditions or provisions of any Contract to which the Shareholder is a party or by which the Shareholder or any of the Shareholder's properties or assets (including the Owned Shares) may be bound, (iii) violates any Order or Law applicable to the Shareholder or any of the

Shareholder's properties or assets (including the Owned Shares), or (iv) results in a Lien upon any of the Shareholder's properties or assets (including the Owned Shares), except for violations, breaches, defaults or Liens as would not prevent, impede or delay the performance by the Shareholder of its obligations hereunder or impose any greater than nominal liability or obligation on the Company or Parent or any Subsidiaries or Affiliates thereof.

(d) The Shareholder, as of the date hereof, is not engaged in discussions or negotiations with any party with respect to any Acquisition Proposal.

IV ADDITIONAL COVENANTS OF THE SHAREHOLDER

4.1. Additional Shares. The Shareholder hereby agrees, while this Agreement is in effect, to promptly notify Parent in writing of the number of any additional shares of Company Common Stock or other securities of the Company or other derivative or contractual arrangements with respect to which Beneficial Ownership is acquired by the Shareholder, if any, after the date hereof (and, for the avoidance of doubt, the Shareholder agrees that any such additional shares shall be, for purposes of this Agreement, "Owned Shares"); provided that filings made by the Shareholder pursuant to Sections 13(d) and 16 of the Exchange Act shall constitute notice for purposes of this Section 4.1.

4.2. Disclosure. The Shareholder hereby authorizes Parent, Merger Sub and the Company to publish and disclose in any announcement or disclosure required by the SEC and in the Joint Proxy Statement and the Form S-4 the Shareholder's identity and ownership of the Owned Shares and the nature of the Shareholder's obligation under this Agreement.

4.3. Non-Interference; Further Assurances. Subject to Section 2.5, the Shareholder shall not make any statements, publicly or privately, involving one or more third parties, that are intended to be materially adverse to the Merger Agreement and the transactions contemplated by the Merger Agreement (including the Merger) or intended to cause such third parties to vote, or knowingly encourage other Persons (including but not limited to Shareholder's "portfolio companies") to vote, in any manner inconsistent with the Shareholder's obligations under Section 2.1; provided, however, that this Section 4.3 shall in no event require the Shareholder to make any public or private statements to third parties regarding the Merger Agreement and the transactions contemplated by the Merger Agreement. The Shareholder agrees to execute and deliver such additional documents and to take such further actions as necessary or reasonably requested by Parent or Merger Sub to comply with the rights and obligations set forth in this Agreement.

4.4. Shareholders Agreement. For the avoidance of doubt, effective as of the Effective Time, each of the Company and the Shareholder hereby waives all rights it has under the Shareholders Agreement, dated as of November 1, 2007, between the Company and the Shareholder, as amended (the "Shareholders Agreement"), and the Shareholders Agreement shall be deemed terminated and be of no further force or effect. The Company's entry into this Agreement shall constitute the written request in advance by the Company's Board of Directors to the Shareholder to enter into and comply with the terms of this Agreement, as contemplated by Section 3.2(a) of the Shareholders Agreement.

V TERMINATION

5.1. Termination. This Agreement shall automatically terminate and be of no further force or effect upon the earliest to occur of (i) the date upon which the Merger Agreement shall have been terminated in accordance with its terms, (ii) the date upon which the Merger shall become effective or (iii) the date of any amendment, modification, change or waiver to the Merger Agreement executed after the date hereof that results in a decrease in the Exchange Ratio (including any such decrease coupled with a replacement of such decreased amount with cash consideration) or the Merger Consideration.

5.2. Effect of Termination. Upon termination of this Agreement, except for any rights any party may have in respect of any breach by any other party of its obligations hereunder, none of the parties hereto shall have any further obligation or liability hereunder.

VI GENERAL

6.1. Notices. All notices shall be in writing and shall be deemed given (i) when delivered personally, (ii) when telecopied (which is confirmed) or (iii) when dispatched by a nationally recognized overnight courier service to the parties at the following addresses (or at such other address for a party as shall be specified by like notice): (a) if to the Shareholder, to the address set forth below the Shareholder's name on the signature page hereto, and (b) if to Parent, Merger Sub or the Company, in accordance with Section 9.4 of the Merger Agreement, or to such other Persons, addresses or facsimile numbers as may be designated in writing to each other party hereto by the Person entitled to receive such communication as provided above.

6.2. No Third Party Beneficiaries. Except as specifically set forth herein, this Agreement is not intended to confer any rights or remedies upon any Person other than the parties to this Agreement.

6.3. Governing Law. This Agreement and any controversies arising with respect hereto shall be construed in accordance with and governed by the law of the State of Delaware (without regard to principles of conflict of laws that would apply the law of another jurisdiction).

6.4. Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void, unenforceable or against its regulatory policy, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated. Upon such determination that any term, provision, covenant or restriction of this Agreement is invalid, void, unenforceable or against regulatory policy, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

6.5. Assignment. The provisions of this Agreement shall be binding upon, inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns; provided, however, that none of the parties hereto may assign, delegate or otherwise transfer any of its rights or obligations under this Agreement without the prior written consent of the other

parties (provided that the Company's consent shall only be needed with respect to any assignment of the Shareholder's rights or obligations with respect to Sections 4.4, 6.16 and 6.17) and any attempted assignment without such consent shall be null and void without effect; and provided, further, however, that Parent may assign its respective rights or obligations hereunder to any direct or indirect wholly owned Subsidiary of Parent (or any successor thereto) without the prior written consent of the parties hereto.

6.6. Interpretation. For the purposes of this Agreement, (i) words in the singular shall be held to include the plural and vice versa and words of one gender shall be held to include the other gender as the context requires, (ii) the terms "hereof", "herein", and "herewith" and words of similar import shall, unless otherwise stated, be construed to refer to this Agreement as a whole and not to any particular provision of this Agreement, and Article, Section, paragraph references are to the Articles, Sections, paragraphs to this Agreement unless otherwise specified, (iii) the word "including" and words of similar import when used in this Agreement shall mean "including, without limitation," unless the context otherwise requires or unless otherwise specified, (iv) the word "or" shall not be exclusive, (v) provisions shall apply, when appropriate, to successive events and transactions, (vi) unless otherwise specified, all references to any period of days shall be deemed to be to the relevant number of calendar days. The Article, Section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting or causing any instrument to be drafted. References to a Person will refer to its predecessors and successors and permitted assigns.

6.7. Amendments. This Agreement may not be amended, changed, supplemented or otherwise modified except by written agreement signed by Parent, Merger Sub, the Shareholder and the Company.

6.8. Waiver. The failure of any party to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other party with such party's obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, shall not constitute a waiver by such party of such party's right to exercise any such or other right, power or remedy or to demand such compliance.

6.9. Fees and Expenses. Except as set forth in that certain letter agreement, dated the date hereof, between the Shareholder and the Company, each party is responsible for its own fees and expenses (including the fees and expenses of financial consultants, investment bankers, accountants and counsel) in connection with the entry into of this Agreement and the consummation of the transactions contemplated hereby.

6.10. Entire Agreement. This Agreement constitutes the entire agreement and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties to this Agreement with respect to the subject matter of this Agreement.

6.11. Remedies Cumulative. Except as otherwise provided in this Agreement, any and all remedies expressly conferred upon a party to this Agreement will be cumulative with, and not exclusive of, any other remedy contained in this Agreement, at law or in equity. The exercise by a party to this Agreement of any one remedy will not preclude the exercise by it of any other remedy.

6.12. Counterparts; Effectiveness; Execution. This Agreement may be executed in any number of counterparts, all of which are one and the same agreement. This Agreement will become effective when each party to this Agreement has received counterparts signed by all of the other parties. This Agreement may be executed by facsimile signature by any party and such signature is deemed binding for all purposes hereof, without delivery of an original signature being thereafter required.

6.13. Specific Performance. The parties hereby agree that irreparable damage to the other party would occur, damages would be difficult to determine and would be an insufficient remedy and no other adequate remedy would exist at law or in equity, in each case in the event that any provision of this Agreement were not performed by the parties hereto in accordance with its specific terms or were otherwise breached. Each party hereby waives any defenses based on the adequacy of any other remedy, whether at law or in equity, that might be asserted as a bar to the remedy of specific performance of any of the terms or provisions hereof or injunctive relief in any action brought by another party hereto. Accordingly, the parties acknowledge and hereby agree that in the event of any breach by a party hereto of any of its covenants or obligations set forth in this Agreement, the other party shall be entitled (in addition to any other remedy that may be available at law or in equity, including monetary damages) to obtain (i) a decree or order of specific performance to enforce the observance and performance of such covenant or obligation, and (ii) an injunction restraining such breach or threatened breach. Any requirements for the securing or posting of any bond with such remedy are waived.

6.14. Submission to Jurisdiction. The parties to this Agreement agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated by this Agreement shall be brought in any federal or state court located in the state of Delaware, and each of the parties hereby irrevocably consents to the jurisdiction of such courts (and of the appropriate appellate courts therefrom) in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. The parties to this Agreement agree that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 6.1 or in such other manner as may be permitted by applicable Laws, will be valid and sufficient service thereof.

6.15. Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues and, therefore, each such party irrevocably and unconditionally waives any right it may have to a trial by jury in respect of any Action arising out of or relating to this Agreement or the transactions contemplated by this Agreement. Each party to this Agreement certifies and acknowledges that (a) no representative of any other party has represented, expressly or otherwise, that such other

party would not seek to enforce the foregoing waiver in the event of an Action, (b) such party has considered the implications of this waiver, (c) such party makes this waiver voluntarily, and (d) such party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 6.15.

6.16. Shareholders Agreement. The Company acknowledges that the execution and delivery of this Agreement by the Shareholder, the consummation by the Shareholder of the transactions contemplated hereby or compliance by the Shareholder with any of the provisions hereof does not conflict with or otherwise violate the terms of the Shareholders Agreement including, but not limited to, Section 3.2 thereof.

6.17. Antitrust Matters. Each of Parent, Merger Sub and the Company shall (a) cooperate with Stockholder and its affiliates, including, without limitation, Warburg Pincus & Co., in connection with the filing by the Shareholder and/or its affiliates of any necessary documentation required to effect all approvals, clearances and authorizations of all Governmental Entities pursuant to the HSR Act, including Notification and Report Forms required under the HSR Act, in connection with the transactions contemplated by this Agreement, the Merger Agreement (including the Merger), the Parent Stock Purchase Right Agreement and/or the Parent Shareholders Agreement and (b) supply as promptly as practicable any additional information and documentary material that may be requested by such Governmental Entities.

FIDELITY NATIONAL INFORMATION SERVICES, INC.
STOCK PURCHASE RIGHT AGREEMENT

Stock Purchase Right Agreement, dated as of March 31, 2009 (as it may be amended from time to time, this "Agreement") among Fidelity National Information Services, Inc., a Georgia corporation (the "Company"), WPM, L.P., a Delaware limited partnership (the "Investor"), and solely for the purpose of Sections 5.1, 5.8 and 5.10, Metavante Technologies, Inc., a Wisconsin corporation ("Metavante").

WHEREAS, concurrently with the execution of this Agreement, the Company, Cars Holdings, LLC, a Delaware limited liability company and a direct, wholly owned subsidiary of the Company ("Merger Sub"), and Metavante are entering into an Agreement and Plan of Merger ("Merger Agreement"), which provides, subject to Section 1.1 of the Merger Agreement, for the merger (the "Merger") of Metavante with and into Merger Sub, pursuant to which all of the outstanding capital stock of Metavante will be converted into the right to receive shares of capital stock of the Company, as set forth in the Merger Agreement;

WHEREAS, as of the date hereof, Investor owns shares of common stock of Metavante and is a party to an Amended and Restated Stock Purchase Right Agreement, dated as of August 21, 2008, between Metavante and Investor (the "Metavante Stock Purchase Right Agreement");

WHEREAS, as a condition to, among other things, Investor's willingness to enter into and perform its obligations under that certain Support Agreement, dated as of the date hereof, among the Company, Merger Sub, Investor and Metavante, the Company has agreed to enter into this Agreement and the Shareholders Agreement; and

WHEREAS, upon consummation of the Merger, the Investor will own shares of common stock, par value \$0.01 per share, of the Company (the "Common Shares"), and the Investor and the Company are entering into this Agreement in furtherance of that connection;

WHEREAS, except for Sections 2, 4.9, 5.1 through 5.8, 5.10 and 5.11, which shall be effective upon the date set forth above, this Agreement shall be effective as of the date of the effective time of the Merger pursuant to the terms of the Merger Agreement (the "Effective Time"); and

WHEREAS, the actions contemplated herein on behalf of each of the Company and Investor have been duly and validly authorized by all necessary action and no other proceedings on the part of the Company or Investor are necessary to consummate the actions contemplated herein.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties do hereby agree as follows:

1. Purchase Right. Upon the terms and subject to the conditions set forth in this Agreement, the Company hereby grants to the Investor the right to purchase from the Company the Subject Shares at the Purchase Prices; provided, however, that notwithstanding anything to the contrary contained in this Agreement, the total number of Subject Shares that may be

purchased under this Agreement shall equal one-third of the aggregate number of Common Shares that may be issued under the Subject Employee Options, subject to reduction, if any, pursuant to Section 3.1(b) hereof. As of the date hereof, there were (i) options to purchase 6,827,536 shares of common stock of Metavante outstanding that (subject to reduction pursuant to Section 3.1(b) of the Metavante Stock Purchase Right Agreement prior to the Effective Date) will be converted into Subject Employee Options pursuant to the terms of the Merger Agreement (such options, the "Applicable Metavante Options"). Within five business days after the determination of the number of Subject Employee Options into which the Applicable Metavante Options are convertible pursuant to the Merger Agreement (such date of determination to be as soon as reasonably practicable after the Closing Date), the Company shall deliver to Investor a schedule setting forth, with respect to each Subject Employee Option into which the Applicable Metavante Options were converted pursuant to the Merger Agreement, the expiration date, exercise price and number of Common Shares underlying such Subject Employee Option.

2. Expiration Date; Effectiveness. Subject to Section 5.9, in no event may the Purchase Right (as defined in Section 3.2(a)) be exercised, in whole or in part, after the earlier of (i) the date that is forty-five days after the Quarterly Notice (as defined herein) is given in respect of the calendar quarter in which all Subject Employee Options expire, (ii) the date that all Subject Shares (as they may have been reduced pursuant to Sections 3.1(b) or 3.2(b)) have been purchased by the Investor or (iii) ten years from November 1, 2007, unless the Board shall extend the expiration date of any of the Subject Employee Options beyond the end of such ten-year period, in which case the Purchase Right shall be similarly extended (the "Expiration Date"). Except with respect to this Section 2, Section 4.9, Sections 5.1 through 5.8, Section 5.10 and Section 5.11 which shall be effective on the date first set forth above, this Agreement will be automatically effective as of the Effective Time and will continue in effect thereafter until the Expiration Date. In the event the Merger Agreement is terminated in accordance with its terms prior to the Closing Date, this Agreement shall automatically thereafter terminate and be of no further force and effect; provided, however, this Section 2 and Section 5.10 shall remain in effect pursuant to its terms and Section 5.1 shall remain in effect with respect to Investor and Metavante.

3. Exercise of Purchase Right.

3.1. Quarterly Notice and Reduction of Right.

(a) No later than the last day of each month following the end of each calendar quarter prior to the Expiration Date, the Company shall give the Investor a notice setting forth the following: (i) the aggregate number of Common Shares issued during such quarter upon the exercise of Subject Employee Options, (ii) the aggregate exercise price of such Subject Employee Options for such Common Shares, and (iii) the aggregate number and exercise price of Subject Employee Options that expired unexercised or were forfeited during such quarter (the "Quarterly Notice"). The Quarterly Notice shall be accompanied by a schedule setting forth, in the form of tranches of the same exercise dates and exercise prices, all unexercised Subject Employee Options as of the end of such quarter.

(b) The Subject Shares shall be automatically reduced by a number equal to one-third of the Common Shares issuable (x) under Subject Employee Options that expire unexercised or are forfeited and (y) under Out of the Money Options as provided in Sections 3.2(a) and 3.2(c).

3.2. Method of Exercise.

(a) The Investor shall have a purchase right (including the right to purchase via a Cash Payment, the "Purchase Right") to purchase a whole number of Common Shares equal to the difference (rounded down to the nearest whole share) between (i) one-third of the aggregate number of Common Shares issued under the Subject Employee Options during each calendar quarter the exercise prices of which equal or are less than the Fair Market Value as of the date of exercise of the Purchase Right for such Common Shares (each such Subject Employee Option, an "In-the-Money Option"; but for clarity, when determining such "In-the-Money Options", the reference to "one-third" in this clause (i) shall be omitted), and (ii) the quotient of (A) one-third of the aggregate exercise prices of such In-the-Money Options for such Common Shares, in each case as specified in the Quarterly Notice with respect to such quarter (it being understood that this number shall not be reduced for any such Common Shares that are withheld from employees to pay the exercise price of such Subject Employee Options, or any withholding taxes due, pursuant to net vesting settlement and similar provisions) (such number as derived in this subclause (A), the "Exercise Price Equivalent"), divided by (B) the Fair Market Value of a Common Share, determined as of the close of business on the business day immediately before the date of purchase, which date shall also be deemed the date of exercise of the Purchase Right for purposes of determining the In-the-Money Options and Out of the Money Options, for a Purchase Price per share equal to \$0.01. Such purchase shall, subject to Section 5.9, take place 45 days following the date the Quarterly Notice is given (or the first business day following such 45th day, if such day is not a business day). Following the Quarterly Notice and prior to such date of purchase, the Investor may in lieu of the foregoing purchase right, deliver to the Company a notice (the "Cash Payment Notice") electing to purchase by a Cash Payment a number of Common Shares equal to one-third of the aggregate number of Common Shares issued under the In-the-Money Options for an aggregate Purchase Price equal to the Exercise Price Equivalent, in which case the Cash Payment shall be made on the same date the Cash Payment Notice is delivered to the Company; provided that, if the Investor exercises its right to make the Cash Payment, such right shall also be included in the term "Purchase Right" for purposes of this Agreement. Upon the purchase of any Common Shares pursuant to this Section 3.2(a) or Section 3.3, the number of Subject Shares remaining shall be reduced by the number of Common Shares that would have been purchased assuming the Investor had purchased using the Cash Payment. The Subject Shares shall also be reduced by a number equal to one-third of the number of Common Shares issued during each calendar quarter pursuant to Out of the Money Options.

(b) In the event the Investor sells, transfers, assigns or otherwise disposes of (whether by operation of law or otherwise) (but only in the event that the Purchase Right is not accelerated under Section 3.2(c) in connection with such event), to

a third party that is not an affiliate of the Investor or distributes to its limited partners (collectively, “Transfers”), any of the Common Shares it acquired pursuant to the terms of the Merger Agreement, but not any Common Shares that it thereafter acquired in excess of such Common Shares (it being understood that in connection with any such sale, transfer, assignment or disposition the Investor shall be deemed to have first sold, transferred, assigned or disposed of the Common Shares it acquired pursuant to the terms of the Merger Agreement until the Investor has sold, transferred, assigned or disposed of all such Common Shares), it may exercise the Purchase Right for a whole number of Common Shares equal to the difference (rounded down to the nearest whole share) between (i) the number of applicable Acceleration Subject Shares, and (ii) the quotient of (A) the related Acceleration Purchase Price, divided by (B) the Fair Market Value of a Common Share, determined as of the date the Acceleration Notice is given, for a Purchase Price per share equal to \$0.01, by delivering to the Company an irrevocable exercise notice within 10 days of such sale (the “Acceleration Notice”). The Acceleration Notice shall set forth the number of Common Shares that have been sold by the Investor and the dates of sales thereof and shall certify that such Acceleration Notice is being given in accordance with Section 3.2(b), and shall specify whether, in lieu of the foregoing Purchase Right, the Investor wishes to elect to purchase by a Cash Payment the number of applicable Acceleration Subject Shares for an amount equal to the Acceleration Purchase Price. Within 10 business days of receiving the Acceleration Notice, the Company shall give the Investor notice (the “Acceleration Details Notice”) of the Acceleration Purchase Price applicable to the Acceleration Notice as well as the Company’s calculation of the number of Acceleration Subject Shares being purchased by the Investor pursuant to such Acceleration Notice. In the event that Investor elects to pay the Acceleration Purchase Price in cash, it shall deliver the Acceleration Purchase Price specified in the Acceleration Notice no later than three days following the giving of such Acceleration Details Notice. Upon the purchase of any Acceleration Subject Shares pursuant to this Section 3.2(b), the number of Subject Shares remaining shall be reduced by the number of Acceleration Subject Shares so purchased.

(c) Immediately prior to an all-cash merger or other business combination involving the Company in which the Common Shares are converted into the right to receive only cash in exchange for such Common Shares, the Purchase Right shall automatically be deemed exercised for the number of Common Shares equal to the difference (rounded down to the nearest whole share) between (i) all Subject Shares then still subject to the Purchase Right and (ii) the quotient of (A) the related Acceleration Purchase Price, divided by (B) the Fair Market Value of a Common Share, determined as of three business days before the date of such acceleration, for a Purchase Price per share equal to \$0.01. The Subject Shares shall be reduced by a number equal to one-third of the number of Common Shares subject to Out of the Money Options as of the date of an acceleration pursuant to this Section 3.2(c).

(d) The Purchase Right may be exercised by the Investor solely as and to the extent expressly set forth in this Section 3.2. In no event may the Purchase Right be exercised after it terminates as set forth in Section 2. No certificate representing a Common Share shall be delivered to the Investor until the full purchase price therefore

has been paid. Notwithstanding anything to the contrary contained in this Agreement, the Company shall have no obligation to issue any fraction of a Common Share under this Agreement and all of such fractional shares shall be disregarded.

3.3. Metavante Stock Purchase Right Agreement. In addition to the rights set forth in this Agreement, in connection with the first Quarterly Notice required to be delivered by the Company following the Closing Date, the Company shall deliver to the Investor a schedule setting forth the aggregate Closing Metavante Subject Shares, including (i) a computation of the In-the-Money Options (as defined in the Metavante Stock Purchase Right Agreement) and (ii) substantially the same information regarding the Closing Metavante Subject Shares as the Company is required to deliver in the Quarterly Notice. In addition to any Purchase Rights that the Investor has related to such first Quarterly Notice, Investor shall have a right (the "Metavante Purchase Right") to purchase the Closing Metavante Subject Shares for a cash purchase price per share equal to \$0.01; provided, however, in lieu of the foregoing purchase right, Investor may deliver to the Company a notice electing to purchase by a Cash Payment one-third of the aggregate number of Metavante In-the-Money Option Shares for an aggregate purchase price equal to one-third of the aggregate exercise prices of such Metavante In-the-Money Option Shares. Such purchase shall, subject to Section 5.9, take place 45 days following the date the first Quarterly Notice is given (or the first business day following such 45th day, if such day is not a business day). Exhibit A hereto sets forth, for illustrative purposes only, an example of the computation of the Metavante Purchase Right pursuant to this Section 3.3.

4. Additional Terms and Conditions of Purchase Right.

4.1. Nontransferability of Purchase Right. The Purchase Right and the Metavante Purchase Right are exercisable only by the Investor. Neither the Purchase Right nor the Metavante Purchase Right may be sold, transferred, assigned, pledged, hypothecated, encumbered or otherwise disposed of (whether by operation of law or otherwise) or be subject to execution, attachment or similar process. Any attempt to so sell, transfer, assign, pledge, hypothecate, encumber or otherwise dispose of the Purchase Right or the Metavante Purchase Right, shall be null and void.

4.2. Investment Representation.

(a) The Investor hereby represents and warrants that (a) any Common Shares purchased upon exercise of either of the Purchase Right or the Metavante Purchase Right will be purchased for investment and not with a view to the distribution thereof within the meaning of the Securities Act of 1933, as amended (the "Securities Act"), unless such purchase has been registered under the Securities Act and any applicable state securities laws; (b) any subsequent sale of any such shares shall be made either pursuant to an effective registration statement under the Securities Act and any applicable state securities laws, or pursuant to an exemption from registration under the Securities Act and such state securities laws; and (c) if requested by the Company, the Investor shall submit a written statement, in form reasonably satisfactory to the Company, to the effect that such representation (x) is true and correct as of the date of purchase of any shares hereunder or (y) is true and correct as of the date of any sale of any such shares, as applicable.

(b) All Common Shares issued under this Agreement and the shares issued in connection with the Metavante Purchase Right shall bear the legend specified in Section 6.3 of the Shareholders Agreement only for the time period specified in such Section 6.3.

4.3. Adjustment. In the event of any adjustment (i) in the Common Shares issuable upon exercise of Subject Employee Options or the Metavante Purchase Right or (ii) to the terms of any of the Subject Employee Options, including the exercise prices, in each case including as a result of stock split, stock dividend, recapitalization, reorganization, merger, consolidation, combination, exchange of shares, liquidation, spin-off or other similar change in capitalization or event (for the avoidance of doubt, other than the transactions contemplated by the Merger Agreement), the Subject Shares and the shares issuable in connection with the Metavante Purchase Right and the terms and conditions thereof (including without limitation the Purchase Price thereof) shall be equitably adjusted by the Board in the same manner as the Subject Employee Options.

4.4. Compliance with Applicable Law. The Purchase Right and the Metavante Purchase Right are subject to the condition that if the listing, registration or qualification of the Subject Shares or the shares issuable in connection with the Metavante Purchase Right upon any securities exchange or under any law, or the consent or approval of any governmental body, or the taking of any other action is necessary or reasonably desirable as a condition of, or in connection with, the purchase or delivery of Subject Shares or the shares issuable in connection with the Metavante Purchase Right, the Purchase Right or the Metavante Purchase Right, as applicable, may not be exercised, in whole or in part, unless such listing, registration, qualification, consent or approval shall have been effected or obtained. The Company and the Investor agree to use reasonable efforts to promptly effect or obtain any such listing, registration, qualification, consent or approval. The Company represents and warrants that none of the execution and delivery of this Agreement by the Company, the consummation by the Company of the transactions contemplated hereby or compliance by the Company with any of the provisions hereof requires any listing, registration or qualification of the Subject Shares or the shares issued in connection with the Metavante Purchase Right upon any securities exchange or under any law, and that no consent or approval of any governmental body, or the taking of any other action is necessary as a condition of, or in connection with, the purchase or delivery of Subject Shares or the shares issuable in connection with the Metavante Purchase Right by the Investor.

4.5. Delivery of Certificates. Upon the exercise of the Purchase Right or the Metavante Purchase Right, as applicable, in whole or in part, the Company shall deliver or cause to be delivered one or more certificates representing the number of shares purchased against full payment therefore, subject to Section 4.2(b).

4.6. Purchase Right Confers No Rights as Shareholder. The Investor shall not be entitled to any privileges of ownership with respect to Subject Shares or the shares issuable in connection with the Metavante Purchase Right unless and until purchased and delivered upon the exercise of the Purchase Right or the Metavante Purchase Right, as applicable, in whole or in part, and the Investor becomes a shareholder of record with respect to such delivered shares; and

the Investor shall not be considered a shareholder of the Company with respect to any such shares not so purchased and delivered previously.

4.7. Company to Reserve Shares. The Company shall at all times prior to the expiration or termination of each of the Purchase Right and the Metavante Purchase Right reserve and keep available, either in its treasury or out of its authorized but unissued Common Shares, the full number of shares subject from time to time to the Purchase Right and the Metavante Purchase Right.

4.8. Shareholders Agreement. Any Common Shares issued upon exercise of the Purchase Right and all Common Shares issuable upon exercise of the Metavante Purchase Right shall be subject to the provisions of the Shareholders Agreement, and shall be shares of "Common Stock" that are "Beneficially Owned" by Investor for purposes of the Shareholders Agreement. Without limiting the generality of the foregoing, such Common Shares issued upon exercise of the Purchase Right and all Common Shares issued upon exercise of the Metavante Purchase Right shall be subject to (i) the registration rights provisions of Article II of the Shareholders Agreement, (ii) the transfer restriction provisions of Section 3.1 of the Shareholders Agreement, and (iii) the provisions of Section 6.3 of the Shareholders Agreement only for the time period specified in such Section 6.3.

4.9. Defined Terms. Capitalized terms used in this Agreement have the following meanings:

"Acceleration Purchase Price" shall mean with respect to any Acceleration Subject Shares, one-third of the aggregate exercise price of the Subject Employee Options to the extent used in determining such Acceleration Subject Shares.

"Acceleration Subject Shares" shall mean (x) in the case of Section 3.2(b) a number of Common Shares equal to one-third of a percentage of the Reference Common Shares that is equal to the percentage of the Common Shares transferred by the Investor as contemplated by Section 3.2(b) and in respect of which an Acceleration Notice had not been delivered previously, and (y) in the case of Section 3.2(c) a number of Common Shares equal to one-third of all Common Shares subject to then outstanding Subject Employee Options the exercise prices of which are equal to or are less than the Fair Market Value as of the date of an acceleration pursuant to Section 3.2(c).

"Board" shall mean the Board of Directors of the Company, excluding the Investor Designee (as defined in the Shareholders Agreement).

"Cash Payment" shall mean a wire transfer of immediately available funds to such account as the Company may specify from time to time.

"Closing Date" shall mean the date of the Effective Time of the Merger pursuant to the Merger Agreement.

“Closing Metavante Subject Shares” shall be determined by reference to the Closing Date and shall be equal to the number of shares of Common Shares equal to the sum (rounded down to the nearest whole share number) obtained by adding (A) any Subject Shares (as defined in the Metavante Stock Purchase Right Agreement) that, but for Section 5.10, the Investor would have had a right to purchase as a result of a Quarterly Notice (as defined in the Metavante Stock Purchase Right Agreement) that Metavante would have been required to give to the Investor, including, without limitation, any Quarterly Notice (as defined in the Metavante Stock Purchase Right Agreement) Metavante would have been required to give to the Investor assuming the one month period set forth in the Metavante Stock Purchase Right Agreement had expired prior to the Closing Date, but that the Investor did not exercise on or prior to the Closing Date, as contemplated by Section 5.10, plus (B), without duplication of the time period set forth in the preceding clause (A), the number of Subject Shares (as defined in the Metavante Stock Purchase Right Agreement) the Investor could purchase if Metavante was obligated to determine, as of the Closing Date, the Investor’s Purchase Right (as defined in the Metavante Stock Purchase Right Agreement) for the time period beginning on the first day of the most recent calendar quarter and ending on and including the Closing Date; provided, however, in calculating the number of Subject Shares (as defined in the Metavante Stock Purchase Right Agreement) for the purposes of clause (A) and (B) above, the number of Common Shares (as defined in the Metavante Stock Purchase Right Agreement) obtained in respect of clause (i) of Section 3.2(a) of the Metavante Stock Purchase Right Agreement shall first be multiplied by the Exchange Ratio (as defined in the Merger Agreement) prior to subtracting the number obtained in clause (ii) of Section 3.2(a) of the Metavante Stock Purchase Right Agreement. For purposes of determining the Closing Metavante Subject Shares, (i) all computations and other determinations shall be made as of the Closing Date, including, without limitation, the determination of Fair Market Value (as defined in the Metavante Stock Purchase Right Agreement), In-the-Money Options (as defined in the Metavante Stock Purchase Right Agreement) and Out of the Money Options (as defined in the Metavante Stock Purchase Right Agreement) and (ii) all time periods regarding exercise of the Investor’s rights with respect to such Closing Metavante Subject Shares under the Metavante Stock Purchase Right Agreement shall be disregarded.

“Exchange Act” shall mean the Securities Exchange Act of 1934, as amended, or any similar federal statute and the rules and regulations thereunder, as in effect from time to time.

“Fair Market Value” shall mean the closing transaction price of a Common Share as reported in the New York Stock Exchange Composite Transactions (or the equivalent reporting system for any other national securities exchange on which the Common Shares are primarily listed) on the date as of which such value is being determined or, if there shall be no reported transactions for such date, on the next preceding date for which transactions were reported; provided, however, that if the Common Shares are not listed on any national securities exchange, the Fair Market Value may be determined by the Board by whatever means or method as the Board, in the good faith exercise of its discretion, shall at such time deem appropriate.

“Metavante In-the-Money Option Shares” shall be determined by reference to the Closing Date and shall be equal to the number of shares of Common Shares equal to the product (rounded down to the nearest whole share number) obtained by multiplying (A) the Exchange Ratio (as defined in the Merger Agreement) by (B) one-third of the aggregate number of shares

of common stock of Metavante issued pursuant to all of the In-the-Money Options (as defined in the Metavante Stock Purchase Right Agreement; but for clarity, when determining such “In-the-Money Options”, the reference to “one-third” in Section 3.2(a) of such Metavante Stock Purchase Right Agreement shall be omitted) included in the determination of the Closing Metavante Subject Shares.

“**Out of the Money Options**” shall mean (x) in the case of Section 3.2(a), Subject Employee Options the exercise prices of which are greater than the Fair Market Value as of the date of exercise of the Purchase Right for such Common Shares, and (y) in the case of Section 3.2(c), Subject Employee Options the exercise prices of which are greater than the Fair Market Value as of the date of an acceleration pursuant to such Section 3.2(c).

“**Purchase Prices**” shall mean the purchase prices for which the Investor may purchase Subject Shares hereunder.

“**Reference Common Shares**” shall mean, as of any time of determination, the Subject Shares subject to those Subject Employee Options (i) that are outstanding, unexercised and vested, (ii) the exercise prices of which equal or are less than the Fair Market Value as of such date, (iii) not previously used in determining the Acceleration Subject Shares in connection with any Acceleration Notice, and (iv) have the earliest grant dates (when compared to other Subject Employee Options that meet the specifications in clause (i) – (iii) immediately above).

“**Shareholders Agreement**” shall mean that certain Shareholders Agreement, dated as of the date hereof, among the Company, the Investor and any other Shareholders (as defined therein) that become a party thereto, as amended from time to time.

“**Subject Employee Options**” shall mean the options to acquire shares of common stock of Metavante that are subject to the Metavante Stock Purchase Right Agreement immediately prior to the Effective Time of the Merger, which options are, pursuant to the terms set forth in the Merger Agreement, being converted into options to acquire Common Shares of the Company in connection with the Merger. The number of Subject Employee Options, if determined as of the date hereof after giving effect to the Exchange Ratio (as defined in the Merger Agreement), is 9,217,173, and such number shall only be reduced prior to the Effective Time of the Merger in accordance with Section 3.1(b)(x) of the Metavante Stock Purchase Right Agreement.

“**Subject Shares**” shall mean the Common Shares issuable pursuant to Section 3 hereof.

5.3. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware (without giving effect to choice of law principles thereof).

5.4. Consent to Jurisdiction. Each of Investor and the Company irrevocably agrees that any legal action or proceeding with respect to this Agreement, any provision hereof, the breach, performance, validity or invalidity hereof or for recognition and enforcement of any judgment in respect hereof brought by another party hereto or its successors or permitted assigns may be brought and determined in any federal or state court located in the State of Delaware, and each of Investor and the Company hereby irrevocably submits with regard to any such action or proceeding for itself and in respect to its property, generally and unconditionally, to the exclusive jurisdiction of the aforesaid courts. Each of Investor and the Company hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement, any provision hereof or the breach, performance, enforcement, validity or invalidity hereof, (i) any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to lawfully serve process, (ii) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) to the fullest extent permitted by applicable laws, that (A) the suit, action or proceeding in any such court is brought in an inconvenient forum, (B) the venue of such suit, action or proceeding is improper and (C) this Agreement, or the subject matter hereof, may not be enforced in or by such courts.

5.5. Waiver of Jury Trial. EACH PARTY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (a) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, TO IT THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (b) EACH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (c) EACH PARTY MAKES THIS WAIVER VOLUNTARILY AND (d) EACH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.5.

5.6. Counterparts. This Agreement may be executed in counterparts each of which shall be deemed an original and which together shall constitute one and the same instrument.

5.7. Descriptive Headings. The descriptive headings of this Agreement are inserted for convenience only and do not constitute a part of this Agreement.

5.8. Amendments and Waivers. The provisions of this Agreement may be amended or waived only upon the prior written consent of the Company (to the extent approved by a majority of Independent Directors, excluding the Investor Designee, each as defined in the Shareholders Agreement) and Investor; provided, however, that with respect to any amendments to this

Section 5.8 or Sections 5.1 or 5.10 prior to the Closing Date, the prior written consent of Metavante shall also be required.

5.9. Section 16 Matters. The exercise dates set forth herein applicable to the Investor shall, at the request of the Investor, automatically be extended as necessary to avoid liability, if any, to the Investor under Section 16 of the Exchange Act; provided, however, in the event the Investor requests that such exercise date be extended, all computations and other determinations shall be made as of the date on which the exercise period (without giving effect to any extension pursuant to this Section 5.9) would have otherwise occurred. For as long as the Investor is entitled to appoint the Investor Designee pursuant to the terms of the Shareholders Agreement, the Board of Directors of the Company, or a committee thereof consisting of non-employee directors (as such term is defined for purposes of Rule 16b-3 under the Exchange Act), shall, if requested by the Investor, and to the extent then permitted under applicable law, adopt resolutions and otherwise use reasonable efforts to cause any acquisition from the Company of Common Shares issued pursuant to this Agreement and Common Shares issuable in connection with the Metavante Purchase Right or dispositions to the Company of Common Shares issued pursuant to this Agreement or Common Shares issuable in connection with the Metavante Purchase Right to be exempt under Rule 16b-3 under the Exchange Act.

5.10. Suspension of Rights under Metavante Stock Purchase Right Agreement; Amendment and Termination of Metavante Stock Purchase Right Agreement.

(a) Investor and Metavante agree that from and after the date hereof the rights and obligations of Investor and Metavante under the Metavante Stock Purchase Right Agreement shall be suspended and in lieu of the Investor's purchase rights under such Metavante Stock Purchase Agreement, Investor shall be entitled to exercise the Metavante Purchase Right at the time and on the terms set forth in Section 3.3 herein. In the event this Agreement is terminated pursuant to the last sentence of Section 2 herein, Investor and Metavante, in good faith, shall determine the purchase rights Investor would have had under the Metavante Stock Purchase Right Agreement (assuming any Quarterly Notices (as defined in such Metavante Stock Purchase Right Agreement) were delivered to Investor on the date that is 15 days following the end of each calendar quarter during which Investor's purchase rights were suspended pursuant to this Section 5.10 and assuming Investor would have exercised such purchase rights 45 days following the date such Quarterly Notice is assumed to have been given (or the first business day following such 45th day, if such day is not a business day)), and Investor shall have 45 days following the date of termination of this Agreement to exercise such purchase rights for the purchase price determined pursuant to the Metavante Stock Purchase Right Agreement and from and after the date of termination of this Agreement, the Metavante Stock Purchase Right Agreement shall remain in full force and effect in accordance with its terms and Investor's and Metavante's respective rights and obligations shall no longer be deemed to be suspended. Investor and Metavante agree that the provisions of Sections 4.9 and 5.1 through and including 5.7 shall govern this Section 5.10.

(b) Effective as of the date hereof, each of Metavante and Investor hereby agrees that Section 3.2(c) of the Metavante Stock Purchase Right Agreement be, and hereby is, amended and restated in its entirety as follows:

“Subject to the proviso below, immediately prior to (i) any event causing the simultaneous acceleration of the vesting, or automatic exercise, of all the Subject Employee Options or (ii) a merger or other business combination involving the Company in which the Common Shares are converted into the right to receive cash in exchange for such Common Shares, the Purchase Right shall automatically be deemed exercised for the number of Subject Shares equal to the difference (rounded down to the nearest whole share) between (i) all Subject Shares then still subject to the Purchase Right and (ii) the quotient of (A) the related Acceleration Purchase Price, divided by (B) the Fair Market Value of a Subject Share, determined as of three business days before the date of such acceleration, for a Purchase Price per share equal to \$0.01; provided, however, notwithstanding anything to the contrary in the foregoing, the Purchase Right shall not automatically be deemed exercised, as a result of, or in connection with, any of the transactions contemplated by, relating to or resulting from that certain Agreement and Plan of Merger (the “Merger Agreement”), dated as of March 31, 2009 by and between Fidelity National Information Services, Inc., a Georgia Corporation, Cars Holdings, LLC, a Delaware limited liability company and a direct, wholly owned subsidiary of Fidelity National Information Services, Inc. and the Company, including without limitation, any acceleration of the vesting of the Subject Employee Options in connection with, or as a result of, any of the transactions contemplated by the Merger Agreement or actions relating thereto. The Subject Shares shall be reduced by a number equal to one third of the number of Common Shares subject to Out of the Money Options as of the date of an acceleration pursuant to this Section 3.2(c).”

(c) Effective as of the Effective Time, each of Metavante and Investor hereby agrees that the Metavante Stock Purchase Right Agreement shall be deemed terminated and be of no further force or effect.

5.11. Entire Agreement. This Agreement constitutes the entire agreement and supersedes all prior agreements, understandings, representations and warranties, both written and oral, among the parties with respect to the subject matter hereof and thereof.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement by their authorized representatives as of the date first above written.
