SCHEDULE 13D

Item 1. Security and Issuer

The class of equity to which this Statement on Schedule 13D (this "Schedule 13D") relates is common stock, par value \$.01 per share, of Fidelity National Information Services, Inc. ("FIS Common Stock")

Fidelity National Information Services, Inc. (formerly known as Certegy Inc.) ("FIS") is a Georgia corporation with its principal executive offices located at 601 Riverside Avenue, Jacksonville, FL 32204.

Item 2. Identity and Background.

(a), (b), (c) This Schedule 13D is being filed by Fidelity National Financial, Inc., a Delaware corporation ("FNF"). FNF's principal business and principal executive offices are located at 601 Riverside Avenue, Jacksonville, Florida 32204. FNF is a holding company whose subsidiaries are engaged in the business of issuing title insurance policies, performing other title and real estate related services and providing technology and processing services to financial institutions and the mortgage and financial services industries. Information regarding the directors and executive officers of FNF is set forth on Schedule I attached hereto, which schedule is incorporated by reference herein.

(d), (e) During the last five years, neither FNF nor, to the best knowledge of FNF, any person named in Schedule I, has been (a) convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (b) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, Federal or State securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

FNF acquired 95,940,000 shares of FIS Common Stock on February 1, 2006 pursuant to the Agreement and Plan of Merger, dated as of September 14, 2005, by and among Certegy Inc., a Georgia corporation ("Certegy"), C Co Merger Sub, LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Certegy ("Merger Co") and Fidelity National Information Services, Inc., a Delaware corporation ("FIS DE") (the "Merger Agreement"). Pursuant to the Merger Agreement, FIS DE was merged with and into Merger Co (the "Merger"). Immediately following the Merger, Certegy was renamed "Fidelity National Information Services, Inc." In connection with the Merger, each share of FIS DE common stock issued and outstanding immediately prior to the effective time of the Merger automatically converted into the right to receive 0.6396 shares of FIS Common Stock. FNF held 150,000,000 shares of common stock of FIS DE that were converted into the 95,940,000 shares of FIS Common Stock on February 1, 2006.

Prior to the Merger, FNF acquired 1,212,000 shares of Certegy common stock, which became FIS Common Stock in connection with the Merger. These shares were acquired by FNF through open market purchases occurring between October 28, 2005 and December 20, 2005 using FNF's working capital.

The description of the Merger Agreement in this Schedule 13D is qualified in its entirety by reference to such agreement, which is included as an Exhibit hereto and incorporated by reference herein.

Item 4. Purpose of Transaction.

FNF acquired 95,940,000 shares of FIS Common Stock as merger consideration for the shares of common stock of FIS DE that it owned prior to the Merger. Additionally, FNF acquired 1,212,000 shares of FIS Common Stock prior to the Merger. All of the shares of FIS Common Stock held by FNF were acquired primarily for investment purposes. FNF intends to monitor its investment in FIS on an ongoing basis and take such measures as it deems appropriate from time to time in furtherance of such investment. FNF may from time to time acquire additional FIS Common Stock, dispose of some or all of the shares of FIS Common Stock then beneficially owned by it, discuss FIS's business, operations, or other affairs with FIS's management, board of directors, shareholders or others, explore an extraordinary corporate transaction, such as a sale, merger, reorganization or liquidation involving FIS or take such other actions similar to those enumerated above or as FNF may deem appropriate. Notwithstanding the foregoing, except as described in this Item 4 and in Item 6, FNF has no present plan or proposal which relate to or would result in any of the matters referred to in Items (a) through (j) of Item 4 of Schedule 13D of the Securities and Exchange Commission. FNF does, however, reserve the right to adopt such plans or proposals subject to compliance with applicable regulatory requirements.

As further described in Item 6 below, FNF became a party to a Shareholders Agreement, dated September 14, 2005, among FIS, FNF and the other shareholders of FIS DE (the "Shareholders Agreement") in connection with the Merger that grants FNF the right to designate four individuals to serve as members of the board of directors of FIS. Daniel D. (Ron) Lane, Terry N. Christensen and Cary H. Thompson, each of whom is a director of FNF, and William P. Foley, II, who is the Chairman and Chief Executive Officer of FNF, have been designated to the board of directors of FIS.

Item 5. Interest in Securities of the Issuer.

FNF owns 97,152,000 shares of FIS Common Stock (which comprises 50.7% of the outstanding shares of FIS Common Stock). FNF has the sole power to vote, dispose or direct the disposition of all 97,152,000 shares of FIS Common Stock.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

The information set forth in Items 3, 4, and 5 of this Schedule 13D and the Exhibits to this Schedule 13D are incorporated by reference herein.

On September 14, 2005, FIS, FNF and the other shareholders of FIS DE entered into a Shareholders Agreement, which was conditioned upon the Merger, which provides for, among other things, limitations on the ability of FNF and the other shareholders of FIS DE to transfer the shares of FIS Common Stock they received in the Merger, to acquire additional shares of FIS Common Stock, or to cause FIS to engage in a going-private transaction. The Shareholders Agreement also sets forth agreements concerning the nomination and election of directors of FIS.

The description of the Shareholders Agreement in this Schedule 13D is qualified in its entirety by reference to such agreement, which is included as an Exhibit hereto and incorporated by reference herein.

In connection with the Merger, FIS, FNF and the other shareholders of FIS DE entered into a Registration Rights Agreement which provides FNF and the other FIS DE stockholders with the right to require FIS to register the shares of FIS Common Stock issued to them in the Merger for resale and the right to participate in registrations that FIS might undertake (the "Registration Rights Agreement").

The description of the Registration Rights Agreement in this Schedule 13D is qualified in its entirety by reference to such agreement, which is included as an Exhibit hereto and incorporated by reference herein.
