Should one or more of these risks or uncertainties materialize, or should any of these assumptions prove incorrect, our actual results may vary in material respects from those projected in these forward-looking statements. More information on potential factors that could affect the Company's financial results and performance is included from time to time in the "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" sections of the Company's periodic reports filed with the SEC, including the Company's most recently filed Annual Report on Form 10-K and its subsequent filings with the SEC.

Important Additional Information and Where to Find It

This presentation may be deemed to be solicitation material in respect of the acquisition (the "Acquisition") of Worldpay Group plc ("Worldpay") by the Company, including the issuance of shares of the Company's common stock in respect of the Acquisition. In connection with the foregoing proposed issuance of the Company's common stock, the Company expects to file a proxy statement on Schedule 14A with the SEC. To the extent the Company effects the Acquisition of Worldpay as a Scheme of Arrangement under United Kingdom law, the issuance of the Company's common stock in the Acquisition would not be expected to require registration under the Securities Act of 1933, as amended (the "Act"), pursuant to an exemption provided by Section 3(a)(10) under the Act. In the event that the Company determines to conduct the Acquisition pursuant to an offer or otherwise in a manner that is not exempt from the registration requirements of the Act, it will file a registration statement with the SEC containing a prospectus with respect to the Company's common stock that would be issued in the Acquisition. INVESTORS AND STOCKHOLDERS ARE URGED TO READ THE PROXY STATEMENT AND OTHER RELEVANT DOCUMENTS FILED OR TO BE FILED WITH THE SEC CAREFULLY WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE COMPANY, THE ACQUISITION AND RELATED MATTERS. Investors and stockholders will be able to obtain free copies of the proxy statement and other documents filed by the Company with the SEC at the SEC's website at www.sec.gov. In addition, investors and stockholders will be able to obtain free copies of the proxy statement and other documents filed by the Company with the SEC at <http://investors.vantiv.com/>.

Participants in the Solicitation

The Company and its directors, officers and employees may be considered participants in the solicitation of proxies from the Company's stockholders in respect of the Acquisition. Information regarding the persons who may, under the rules of the SEC, be deemed participants in the solicitation of the Company's stockholders in connection with the Acquisition, including names, affiliations and a description of their direct or indirect interests, by security holdings or otherwise, will be set forth in the proxy statement and other relevant materials to be filed with the SEC. Information concerning the interests of the Company's participants in the solicitation, which may, in some cases, be different than those of the Company's stockholders generally, is set forth in the materials filed by the Company with the SEC, including in the proxy statement for the Company's 2017 Annual Meeting of Stockholders, which was filed with the SEC on March 15, 2017, as supplemented by other Company filings with the SEC, and will be set forth in the proxy statement relating to the Acquisition when it becomes available.
