## News Release

### **FIS Announces Completion of Amendment and Extension of Existing Credit Agreement and Plan to Raise Additional Funds**

**JACKSONVILLE, Fla., June 29, 2010** – **FIS**<sup>™</sup> (NYSE:FIS), one of the world's largest providers of banking and payments technology, today announced the completion of the amendment and extension of its existing credit agreement, and plans to enter into a new Term Loan B under the amended credit agreement.

The amended and extended credit facility, which totals \$3.4 billion in the aggregate, includes \$2.0 billion of Term Loan A and \$933 million of revolving loan capacity that will mature in July 2014, as well as \$397 million of Term Loan A and \$103 million of revolving loan capacity that will mature in January 2012. The amended agreement provides FIS with approximately \$560 million of incremental proceeds from the Term Loan A and approximately \$140 million of additional revolving loan capacity. The company also announced plans to incur incremental debt through a new \$1.4 billion Term Loan B. The proceeds from the additional extended Term Loan A and the new Term Loan B will be used to refinance FIS' existing Term Loan B assumed in the acquisition of Metavante Technologies, Inc., and to partially fund the previously announced leveraged recapitalization and share repurchase plan. Further details will be provided in the coming weeks.

"We are pleased with the progress we have made towards finalizing the recapitalization and stock buyback program that we announced in May," stated FIS President and CEO Frank R. Martire. "The extension and increased financial commitment from our existing lenders signifies the strong relationship we have with our bank partners and provides FIS with additional flexibility to facilitate the recapitalization and manage our business on an ongoing basis."

JP Morgan Securities, Inc., Bank of America Securities, LLC and Wells Fargo Securities, LLC acted as joint lead arrangers of the credit facility.
