Explanation of Responses:

- The shares were acquired in a merger of one of the issuer's subsidiaries into Marshall & Ilsley Corporation ("Old Marshall & Ilsley") to effect the formation of a holding company (the "Holding Company Merger") and related transactions. In the Holding Company Merger, each share of common stock of Old Marshall & Ilsley was converted into one-third of a share of Metavante Technologies, Inc. ("Metavante") common stock pursuant to an Investment Agreement dated as of April 3, 2007, among Metavante, Old Marshall & Ilsley and certain of its subsidiaries and WPM, L.P.
- Pursuant to the Employee Matters Agreement, dated April 3, 2007, as amended, that was executed in connection with the separation transaction, 25% of the Reporting Person's Old Marshall & Ilsley stock options were converted into New Metavante stock options and 75% of such options were converted into New Marshall & Ilsley stock options. The acquisition reported above is based on an assumed conversion ratio of 1.642 Metavante stock options for each Old Marshall & Ilsley stock option held by the Reporting Person immediately prior to the closing of the transactions. The disposition reported in the table above gives effect to the 25%/75% split discussed above. The number of stock options held by the Reporting Person, and their exercise price, will be adjusted pursuant to the Employee Matters Agreement. The adjustment will be implemented in a manner that preserves the intrinsic value of each option on the closing date. (Continued to Footnote 3)
- The formula provides that the conversion ratio for the Metavante stock options issued to the Reporting Person will be determined on the basis of the closing price of Old Marshall & Ilsley common stock on November 1, 2007, and the average closing price of Metavante's common stock over the last five business days within the ten business days following the closing of the separation transaction. The assumed conversion ratio is based on the October 31, 2007 closing prices of Old Marshall & Ilsley common stock and Metavante "when issued" common stock.
- In connection with the Holding Company Merger and related transactions, the deferred stock units were acquired upon conversion of the Reporting Person's Old Marshall & Ilsley common stock units. Each deferred stock unit is the economic equivalent of one share of Metavante common stock. Deferred stock units are payable in cash.
- The deferred stock units vest in one installment on October 28, 2008.
- The deferred stock units vest in three equal annual installments beginning on October 30, 2009.
- The deferred stock units vest in three equal annual installments beginning on October 19, 2010.

/s/ Stacey Bruckner, as Attorney-in-Fact 11/05/2007
