**THIRTY-SIXTH SUPPLEMENTAL INDENTURE**

THIRTY-SIXTH SUPPLEMENTAL INDENTURE (this “**Thirty-Sixth Supplemental Indenture**”), dated as of July 13, 2022, between Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), and The Bank of New York Mellon Trust Company, N.A., a national banking association (the “**Trustee**”).

WHEREAS, the Company, certain other parties thereto and the Trustee entered into an Indenture (the “**Base Indenture**”), dated as of April 15, 2013, pursuant to which the Company may issue Securities from time to time;

WHEREAS, the Company proposes to issue and establish a new series of Securities in accordance with Section 3.1 of the Base Indenture pursuant to this Thirty-Sixth Supplemental Indenture (the Base Indenture, as supplemented and amended by this Thirty-Sixth Supplemental Indenture, the “**Indenture**”); and

WHEREAS, all things necessary to make this Thirty-Sixth Supplemental Indenture the legal, valid and binding obligation of the Company have been done.

NOW, THEREFORE, for and in consideration of the premises, it is mutually covenanted and agreed as follows:

ARTICLE 1  
DEFINITIONS

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Thirty-Sixth Supplemental Indenture. Any references to “Article” or “Section” herein shall be a reference to an article or section of this Thirty-Sixth Supplemental Indenture unless expressly specified otherwise. For purposes of this Thirty-Sixth Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

**“Change of Control”** means the occurrence of any of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Company and its Subsidiaries taken as a whole to any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than the Company and its Subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person).

**“Change of Control Triggering Event”** means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

**“Exchange Act”** means the Securities Exchange Act of 1934, as amended.

**“Fitch”** means Fitch Ratings, Inc.

**“Investment Grade Rating”** means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

**“Moody’s”** means Moody’s Investors Service, Inc.

**“Rating Agencies”** means each of Fitch, Moody’s and S&P, so long as such entity makes a rating of the Notes publicly available; *provided, however,* if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the control of the Company, the Company shall be allowed to designate a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act (as certified by a resolution of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. For the avoidance of doubt, failure by the Company to pay rating agency fees to make a rating of the Notes shall not be a “reason outside of the control of the Company” for the purposes of the preceding sentence.

**“S&P”** means Standard & Poor’s Global Ratings, a division of S&P Global Inc.

**“Treasury Rate”** means, with respect to any Redemption Date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“**H.15**”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Stated Maturity of the principal of the Notes (the “**maturity date of the Notes**”, and the period to the maturity date of the Notes, the “**Remaining Life**”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the maturity date of the Notes on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third Business Day preceding the Redemption Date H.15 is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the maturity date of the Notes. If there is no United States Treasury security maturing on the maturity date of the Notes, but there are two or more United States Treasury securities with a maturity date equally distant from the maturity date of the Notes, one with a maturity date preceding the maturity date of the Notes and one with a maturity date following the maturity date of the Notes, the Company shall select the United States Treasury security with a maturity date preceding the maturity date of the Notes. If there are two or more United States Treasury securities maturing on the maturity date of the Notes or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

Section 1.02. The Base Indenture is hereby amended, solely with respect to the Notes, by amending the definitions of “Affiliate”, “Credit Agreement”, “Credit Facilities”, “Eligible Cash Equivalents” and “Guarantors” as they appear in Section 1.1 thereof to read as follows:

Morgan Chase Bank, N.A., as administrative agent, and various financial institutions and other persons from time to time party thereto, as amended by that certain Amendment Agreement, dated as of March 29, 2019, that certain Second Amendment Agreement, dated as of April 5, 2019, that certain Third Amendment and Joinder Agreement, dated as of May 29, 2019, that certain Fourth Amendment Agreement, dated as of March 2, 2021, and as may be further amended, supplemented, or modified from time to time after the date thereof.

“**Guarantors**” means, subject to Section 12.7, any Subsidiaries that become Guarantors pursuant to Section 9.9.

The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (b) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation.

(c) The Company's actions and determinations in determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error.

(d) Notice of any redemption will be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository's procedures) at least 10 days but not more than 60 days before the Redemption Date to each holder of Notes to be redeemed. Any redemption or notice thereof pursuant to this Section 2.06 may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event. For so long as the Notes are held by The Depository Trust Company (or another Depository), the Company will not be responsible for giving notice to anyone other than the Depository.

(e) In the case of a partial redemption of the Notes, selection of the Notes for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note will state the portion of the principal amount of such Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of such Note will be issued in the name of the holder of such Note upon surrender for cancellation of the original Note. For so long as the Notes are held by The Depository Trust Company (or another Depository), the redemption of such Notes shall be done in accordance with the policies and procedures of the Depository.

(f) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

Section 2.07. *Reserved.*

Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**") on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the "**Change of Control Payment**").

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or transmit in accordance with the applicable procedures of the Depository a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is mailed or transmitted;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is mailed or transmitted prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly mail to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the Depositary), and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to July 15, 2025 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

4.500% SENIOR NOTES DUE 2025

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “Notes”).

1. INTEREST. Fidelity National Information Services, Inc., a Georgia corporation (the “Company”), promises to pay interest on the principal amount of this Security at the rate of 4.500% per annum, payable semiannually in arrears on January 15 and July 15 of each year (each, an “Interest Payment Date”), commencing on January 15, 2023, until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, July 13, 2022, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. METHOD OF PAYMENT. The Company shall pay interest on this Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) on the applicable Interest Payment Date to the Persons who are registered Holders at the close of business on January 1 and July 1 (whether or not a Business Day) immediately preceding the applicable Interest Payment Date. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change or appoint any Paying Agent, Registrar or co-Registrar without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent, Registrar or co-Registrar.

4. INDENTURE. The Company issued this Security under the Indenture (the “Base Indenture”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Thirty-Sixth Supplemental Indenture (the “Thirty-Sixth Supplemental Indenture”), dated as of July 13, 2022, between the Company and said Trustee (the Base Indenture, as amended by the Thirty-Sixth Supplemental Indenture, the “Indenture”). The terms of this Security were established pursuant to the Thirty-Sixth Supplemental Indenture. The terms of this Security include those stated in the Indenture and those made part of the Indenture by reference to the

Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. PERSONS DEEMED OWNERS. Subject to Section 3.8 of the Base Indenture, the registered Holder or Holders of this Security shall be treated as owners of it for all purposes.

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Notes matured on the maturity date of the Notes) on a semi-annual basis (assuming a 360-day year of twelve 30-day months) at the Treasury Rate plus 25 basis points, less (b) interest accrued to the Redemption Date, and (2) 100% of the principal amount of Notes to be redeemed, plus, in either case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Any redemption or notice thereof pursuant to Section 2.06 of the Thirty-Sixth Supplemental Indenture may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event.

7. RESERVED.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Thirty-Sixth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Thirty-Sixth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

14. TRUSTEE DEALINGS WITH COMPANY. Subject to the TIA, The Bank of New York Mellon Trust Company, N.A., as Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company, the Guarantors, if any, or their respective affiliates, and may otherwise deal with the Company, the Guarantors, if any, or their respective affiliates, as if it were not Trustee.

15. NO RECOURSE AGAINST OTHERS. No director, officer, employee, stockholder, member, general or limited partner of the Company or any Guarantor as such or in such capacity shall have any personal liability for any obligations of the Company or any Guarantor under this Security, any guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder, by accepting this Security, waives and releases all such liability. Such waiver and release are part of the consideration for the issue of this Security.

For purposes of this Thirty-Seventh Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

**“Change of Control”** means the occurrence of any of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Company and its Subsidiaries taken as a whole to any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than the Company and its Subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person).

**“Change of Control Triggering Event”** means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

**“Exchange Act”** means the Securities Exchange Act of 1934, as amended.

**“Fitch”** means Fitch Ratings, Inc.

**“Investment Grade Rating”** means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

**“Moody’s”** means Moody’s Investors Service, Inc.

**“Par Call Date”** has the meaning given to such term in Section 2.06(b) of this Thirty-Seventh Supplemental Indenture.

**“Rating Agencies”** means each of Fitch, Moody’s and S&P, so long as such entity makes a rating of the Notes publicly available; *provided, however*, if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the control of the Company, the Company shall be allowed to designate a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act (as certified by a resolution of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. For the avoidance of doubt, failure by the Company to pay rating agency fees to make a rating of the Notes shall not be a “reason outside of the control of the Company” for the purposes of the preceding sentence.

**“S&P”** means Standard & Poor’s Global Ratings, a division of S&P Global Inc.

**“Treasury Rate”** means, with respect to any Redemption Date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“**H.15**”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Par Call Date (the period to such Par Call Date, the “**Remaining Life**”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third Business Day preceding the Redemption Date H.15 is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date. If there is no United States Treasury security maturing on the Par Call Date, but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

(c) The Company’s actions and determinations in determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error.

(d) Notice of any redemption will be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository’s procedures) at least 10 days but not more than 60 days before the Redemption Date to each holder of Notes to be redeemed. Any redemption or notice thereof pursuant to this Section 2.06 may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event. For so long as the Notes are held by The Depository Trust Company (or another Depository), the Company will not be responsible for giving notice to anyone other than the Depository.

For so long as the Notes are held by The Depository Trust Company (or another Depository), the redemption of such Notes shall be done in accordance with the policies and procedures of the Depository.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Fidelity National Information Services, Inc., a Georgia corporation (the “Company”), promises to pay interest on the principal amount of this Security at the rate of 4.700% per annum, payable semiannually in arrears on January 15 and July 15 of each year (each, an “Interest Payment Date”), commencing on January 15, 2023, until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, July 13, 2022, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. METHOD OF PAYMENT. The Company shall pay interest on this Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) on the applicable Interest Payment Date to the Persons who are registered Holders at the close of business on January 1 and July 1 (whether or not a Business Day) immediately preceding the applicable Interest Payment Date. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts.

3. PAYING AGENT AND REGISTRAR. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. 4. INDENTURE. The Company issued this Security under the Indenture (the “Base Indenture”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Thirty-Seventh Supplemental Indenture (the “Thirty-Seventh Supplemental Indenture”), dated as of July 13, 2022, between the Company and said Trustee (the Base Indenture, as amended by the Thirty-Seventh Supplemental Indenture, the “Indenture”). The terms of this Security were established pursuant to the Thirty-Seventh Supplemental Indenture. The terms of this Security include those stated in the Indenture and those made part of the Indenture by reference to

On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

WHEREAS, all things necessary to make this Thirty-Eighth Supplemental Indenture the legal, valid and binding obligation of the Company have been done.

NOW, THEREFORE, for and in consideration of the premises, it is mutually covenanted and agreed as follows:

**ARTICLE 1****DEFINITIONS**

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Thirty-Eighth Supplemental Indenture. Any references to “Article” or “Section” herein shall be a reference to an article or section of this Thirty-Eighth Supplemental Indenture unless expressly specified otherwise. For purposes of this Thirty-Eighth Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

“**Change of Control**” means the occurrence of any of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Company and its Subsidiaries taken as a whole to any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than the Company and its Subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person).

“**Change of Control Triggering Event**” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“**Exchange Act**” means the Securities Exchange Act of 1934, as amended.

“**Fitch**” means Fitch Ratings, Inc.

“**Investment Grade Rating**” means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

“**Moody’s**” means Moody’s Investors Service, Inc.

“**Par Call Date**” has the meaning given to such term in Section 2.06(b) of this Thirty-Eighth Supplemental Indenture.

“**Rating Agencies**” means each of Fitch, Moody’s and S&P, so long as such entity makes a rating of the Notes publicly available; *provided, however*, if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the control of the Company, the Company shall be allowed to designate a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act (as certified by a resolution of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. For the avoidance of doubt, failure by the Company to pay rating agency fees to make a rating of the Notes shall not be a “reason outside of the control of the Company” for the purposes of the preceding sentence.

“**S&P**” means Standard & Poor’s Global Ratings, a division of S&P Global Inc.

“**Treasury Rate**” means, with respect to any Redemption Date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“**H.15**”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Par Call Date (the period to such Par Call Date, the “**Remaining Life**”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third Business Day preceding the Redemption Date H.15 is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date. If there is no United States Treasury security maturing on the Par Call Date, but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal

amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be July 15, 2032. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 5.100% per annum. Interest shall be computed on the basis of a 360-day year of twelve 30-day months and shall be payable semi-annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for payment, as the case may be. The Interest Payment Dates of the Notes shall be January 15 and July 15 of each year. The initial Interest Payment Date shall be January 15, 2023. The Regular Record Date corresponding to any Interest Payment Date occurring on January 15 shall be the immediately preceding January 1 (whether or not a Business Day), and the Regular Record Date corresponding to any Interest Payment Date occurring on July 15 shall be the immediately preceding July 1 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date *provided, however,* that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable is at the agency of the Company maintained for that purpose at the office of The Bank of New York Mellon Trust Company, N.A., 240 Greenwich Street, 7E, Attention: Corporate Trust Administration, New York, New York 10286; *provided, however,* that payment of interest due on an Interest Payment Date may be made at the option of the Company by check mailed to the address of the Person entitled thereto as such address shall appear in the Register or by transfer to an account maintained by the Person entitled thereto with a bank located in the United States; *provided* that the Paying Agent shall have received the relevant wire transfer information by the related Regular Record Date; and *provided further* that the Depositary, or its nominee, as Holder of Notes in global form, shall be entitled to receive payments of interest, principal and premium, if any, by wire transfer of immediately available funds.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time and from time to time prior to April 15, 2032 (the date that is 3 months prior to the Stated Maturity of the principal of the Notes) (the "**Par Call Date**"), at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year of twelve 30-day months) at the Treasury Rate plus 35 basis points, less (b) interest accrued to the Redemption Date, and (2) 100% of the principal amount of Notes to be redeemed, plus, in either case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (b) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation.

(c) The Company's actions and determinations in determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error.

(d) Notice of any redemption will be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository's procedures) at least 10 days but not more than 60 days before the Redemption Date to each holder of Notes to be redeemed. Any redemption or notice thereof pursuant to this Section 2.06 may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event. For so long as the Notes are held by The Depository Trust Company (or another Depository), the Company will not be responsible for giving notice to anyone other than the Depository.

(e) In the case of a partial redemption of the Notes, selection of the Notes for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Note is to be redeemed in part only, the notice of redemption that relates to such Note will state the portion of the principal amount of such Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion

of such Note will be issued in the name of the holder of such Note upon surrender for cancellation of the original Note. For so long as the Notes are held by The Depository Trust Company (or another Depository), the redemption of such Notes shall be done in accordance with the policies and procedures of the Depository.

(f) Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date interest will cease to accrue on the Notes or portions thereof called for redemption.

Section 2.07. *Reserved.*

Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**") on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the "**Change of Control Payment**").

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or transmit in accordance with the applicable procedures of the Depository a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is mailed or transmitted;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is mailed or transmitted prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly mail to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the Depositary), and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to July 15, 2032 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees.* The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

The Notes shall be denominated, and all payments thereon shall be made, in Dollars.

Section 2.12. *Global Notes.* The Notes shall initially be issued in global form. The Depository Trust Company shall be the initial Depository for the Notes. Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 5.100% per annum, payable semiannually in arrears on January 15 and July 15 of each year (each, an “*Interest Payment Date*”), commencing on January 15, 2023, until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, July 13, 2022, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) on the applicable Interest Payment Date to the Persons who are registered Holders at the close of business on January 1 and July 1 (whether or not a Business Day) immediately preceding the applicable Interest Payment Date. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts.

3. **PAYING AGENT AND REGISTRAR.** Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change or appoint any Paying Agent, Registrar or co-Registrar without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent, Registrar or co-Registrar.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Thirty-Eighth Supplemental Indenture (the “**Thirty-Eighth Supplemental Indenture**”), dated as of July 13, 2022, between the Company and said Trustee (the Base Indenture, as amended by the Thirty-Eighth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Thirty-Eighth Supplemental Indenture. The terms of this Security include those stated in the Indenture and those made part of the Indenture by reference to the

Trust Indenture Act of 1939, as amended (“**TIA**”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. **PERSONS DEEMED OWNERS.** Subject to Section 3.8 of the Base Indenture, the registered Holder or Holders of this Security shall be treated as owners of it for all purposes.

6. **OPTIONAL REDEMPTION.** The Company may, at its option, redeem the Notes, in whole or in part, at any time and from time to time prior to April 15, 2032 (the date that is 3 months prior to the Stated Maturity of the principal of the Notes) (the “**Par Call Date**”), at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year of twelve 30-day months) at the Treasury Rate plus 35 basis points, less (b) interest accrued to the Redemption Date, and (2) 100% of the principal amount of Notes to be redeemed, plus, in either case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Any redemption or notice thereof pursuant to Section 2.06 of the Thirty-Eighth Supplemental Indenture may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event.

7. **RESERVED.**

8. **CHANGE OF CONTROL TRIGGERING EVENT.** In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Thirty-Eighth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Thirty-Eighth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. THIRTY-NINTH SUPPLEMENTAL INDENTURE (this “**Thirty-Ninth Supplemental Indenture**”), dated as of July 13, 2022, between Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), and The Bank of New York Mellon Trust Company, N.A., a national banking association (the “**Trustee**”).

WHEREAS, the Company, certain other parties thereto and the Trustee entered into an Indenture (the “**Base Indenture**”), dated as of April 15, 2013, pursuant to which the Company may issue Securities from time to time;

WHEREAS, the Company proposes to issue and establish a new series of Securities in accordance with Section 3.1 of the Base Indenture pursuant to this Thirty-Ninth Supplemental Indenture (the Base Indenture, as supplemented and amended by this Thirty-Ninth Supplemental Indenture, the “**Indenture**”); and

WHEREAS, all things necessary to make this Thirty-Ninth Supplemental Indenture the legal, valid and binding obligation of the Company have been done.

NOW, THEREFORE, for and in consideration of the premises, it is mutually covenanted and agreed as follows:

ARTICLE 1  
DEFINITIONS

Section 1.01. *Definitions*. Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Thirty-Ninth Supplemental Indenture. Any references to “Article” or “Section” herein shall be a reference to an article or section of this Thirty-Ninth Supplemental Indenture unless expressly specified otherwise. For purposes of this Thirty-Ninth Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

“**Change of Control**” means the occurrence of any of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Company and its Subsidiaries taken as a whole to

any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than the Company and its Subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person).

“**Change of Control Triggering Event**” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“**Exchange Act**” means the Securities Exchange Act of 1934, as amended.

“**Fitch**” means Fitch Ratings, Inc.

“**Investment Grade Rating**” means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

“**Moody’s**” means Moody’s Investors Service, Inc.

“**Par Call Date**” has the meaning given to such term in Section 2.06(b) of this Thirty-Ninth Supplemental Indenture.

“**Rating Agencies**” means each of Fitch, Moody’s and S&P, so long as such entity makes a rating of the Notes publicly available; *provided, however*, if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the control of the Company, the Company shall be allowed to designate a “nationally recognized statistical rating organization” within the meaning of Section 3(a)(62) of the Exchange Act (as certified by a resolution of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. For the avoidance of doubt, failure by the Company to pay rating agency fees to make a rating of the Notes shall not be a “reason outside of the control of the Company” for the purposes of the preceding sentence.

“**S&P**” means Standard & Poor’s Global Ratings, a division of S&P Global Inc.

“**Treasury Rate**” means, with respect to any Redemption Date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third Business Day preceding the Redemption Date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily)—H.15” (or any successor designation or publication) (“**H.15**”) under the caption “U.S. government securities—Treasury constant maturities—Nominal” (or any successor caption or heading). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Par Call Date (the period to such Par Call Date, the “**Remaining Life**”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third Business Day preceding the Redemption Date H.15 is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date. If there is no United States Treasury security maturing on the Par Call Date, but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

(d) Notice of any redemption will be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository’s procedures) at least 10 days but not more than 60 days before the Redemption Date to each holder of Notes to be redeemed. Any redemption or notice thereof pursuant to this Section 2.06 may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event. Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 5.625% per annum, payable semiannually in arrears on January 15 and July 15 of each year (each, an “*Interest Payment Date*”), commencing on January 15, 2023, until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, July 13, 2022, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) on the applicable Interest Payment Date to the Persons who are registered Holders at the close of business on January 1 and July 1 (whether or not a Business Day) immediately preceding the applicable Interest Payment Date. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts.

3. **PAYING AGENT AND REGISTRAR.** Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Company may change or appoint any Paying Agent, Registrar or co-Registrar without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent, Registrar or co-Registrar.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Thirty-Ninth Supplemental Indenture (the “**Thirty-Ninth Supplemental Indenture**”), dated as of July 13, 2022, between the Company and said Trustee (the Base Indenture, as amended by the Thirty-Ninth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Thirty-Ninth Supplemental Indenture. The terms of this Security include those stated in the Indenture and those made part of the Indenture by reference to the

Trust Indenture Act of 1939, as amended (“**TIA**”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. **PERSONS DEEMED OWNERS.** Subject to Section 3.8 of the Base Indenture, the registered Holder or Holders of this Security shall be treated as owners of it for all purposes.

6. **OPTIONAL REDEMPTION.** The Company may, at its option, redeem the Notes, in whole or in part, at any time and from time to time prior to January 15, 2052 (the date that is 6 months prior to the Stated Maturity of the principal of the Notes) (the “**Par Call Date**”), at a Redemption Price (expressed as a percentage of principal amount and rounded to three decimal places) equal to the greater of (1) (a) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the Redemption Date (assuming the Notes matured on the Par Call Date) on a semi-annual basis (assuming a 360-day year of twelve 30-day months) at the Treasury Rate plus 40 basis points, less (b) interest accrued to the Redemption Date, and (2) 100% of the principal amount of Notes to be redeemed, plus, in either case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may redeem the Notes, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Any redemption or notice thereof pursuant to Section 2.06 of the Thirty-Ninth Supplemental Indenture may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of an equity offering, other offering, issuance of indebtedness or other transaction or event.

7. **RESERVED.**

8. **CHANGE OF CONTROL TRIGGERING EVENT.** In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Thirty-Ninth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Thirty-Ninth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. As to any facts material to our opinion, we have, when the relevant facts were not independently established, relied upon the documents referred to in clauses (a) through (e) above and the aforesaid other agreements, instruments, certificates, documents and records, as well as upon statements and certificates of officers and other representatives of the Company and others and of public officials. We have assumed that such statements, and that the representations in such documents, agreements, instruments, certificates and records, are and will continue to be true and complete without regard to any qualification as to knowledge or belief.

We have also assumed for purposes of this opinion letter, without investigation, that: (i) each of the parties to the Indenture and the Securities (collectively, the "Transaction Documents") and each person executing and delivering any of the Transaction Documents by or on behalf of any such party, has the full power, authority and legal capacity (including the taking of all requisite action) to execute, deliver and perform, or cause the performance of, as the case may be, such party's obligations under the Transaction Documents; (ii) each of the parties to any of the Transaction Documents has been duly formed and organized and each of such parties is validly existing and, if applicable, in good standing, in the respective jurisdiction of its formation; (iii) each of the parties to any of the Transaction Documents has duly authorized, executed and delivered each such Transaction Document; (iv) the execution and delivery by any party of, and the performance of its obligations under, the Transaction Documents, does not and will not contravene, conflict with, violate, or result in a breach of or default under any law, rule, regulation, resolution, guideline, interpretation, restriction, limitation, policy, procedure, ordinance, order, writ, judgment, decree, determination, or ruling applicable to such party, or to the property of such party; (v) any authorization, approval, consent, waiver, or other action by, notice to, or filing, qualification, or declaration with, any governmental or regulatory authority or body or other person required for the due execution, delivery, or performance of any of the Transaction Documents or the consummation of the transactions contemplated thereby, including the issuance and sale of the Securities, by or on behalf of any of the parties to any such Transaction Document has been obtained or made; and (vi) any litigation relating to the Transaction Documents will be brought before a New York State court or a United States federal court sitting in New York.

Based upon and subject to the foregoing, and subject to the further limitations, qualifications and assumptions stated herein, we are of the opinion that when the certificates representing the Securities have been authenticated and delivered by the Trustee in accordance with the terms of the Indenture, and the Securities have been delivered by the Company to the Underwriters against payment therefor in accordance with the terms of the Underwriting

Agreement and the Indenture, the Securities will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws affecting creditors' rights generally and to general equitable principles, regardless of whether such principles are considered in a proceeding at law or in equity.

The opinion expressed herein is limited in all respects to the laws of the State of New York, and no opinion is expressed with respect to the laws of any other jurisdiction or any effect which such laws may have on the opinion expressed herein. We express no opinion as to the application of the securities or blue sky laws of the several states to the sale of the Securities. Without limiting the generality of the foregoing, except as set forth herein, we express no opinion in connection with the matters contemplated by the Registration Statement, and no opinion may be implied or inferred, except as expressly set forth herein.

This opinion letter is rendered as of the date hereof based upon the facts and law in existence on the date hereof. We assume no obligation to update or supplement this opinion letter to reflect any circumstances that may come to our attention after the date hereof with respect to the opinion and statements set forth above, including any changes in applicable law that may occur after the date hereof.

We consent to the filing of this opinion letter as an exhibit to the Company's Current Report on Form 8-K to be filed in connection with the issuance and sale of the Securities, which will be incorporated by reference into the Registration Statement and the Prospectus Supplement and to the use of our name under the heading "Legal Matters" contained in the Prospectus Supplement. In giving our consent, we do not thereby concede that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

Very truly yours,

The offer and sale of the Securities is being made pursuant to the Registration Statement (the "**Registration Statement**") on Form S-3 (Registration No. 333-265745), relating to the Securities and other securities, filed by FIS with the Securities and Exchange Commission (the "**Commission**") under the Securities Act of 1933, as amended (the "**Securities Act**"), including the prospectus supplement dated July 6, 2022 (the "**Prospectus Supplement**"), and the accompanying prospectus filed by FIS with the Commission. This opinion letter is being furnished in connection with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act.

For the purposes of the opinions expressed in this opinion letter, we have (i) examined originals or copies of the Indenture and the Global Notes, and of such other documents, corporate records, instruments, certificates of public officials and of FIS; (ii) made such inquiries of officials of FIS; and (iii) considered such questions of law, in each case as we have deemed necessary for the purpose of rendering the opinions set forth in this opinion letter.

In such examination, we have assumed the genuineness of all signatures, the authenticity of all items submitted to us as originals and the conformity with originals of all items submitted to us as copies. Also, in examining executed documents for the purposes of the opinions expressed in this opinion letter, we have assumed that: (i) each entity other than FIS is validly existing and in good standing (or the equivalent) as a corporation, limited liability company or other applicable legal entity under the laws of its jurisdiction of organization and has the requisite power and authority to execute and deliver such documents to which it is a party and to carry out and consummate all transactions contemplated to be performed by such documents; (ii) each entity other than FIS has duly authorized the execution, delivery and performance of such documents to which it is a party and has, in fact, duly executed and delivered such documents to which it is a party; (iii) such documents (including, without limitation, the Indenture and all documents related thereto) constitute the legal, valid and binding obligations of each party thereto (other than FIS), enforceable in accordance with their respective terms; and (iv) all natural persons who are signatories to such documents were legally competent at the time of their execution thereof. Our opinions expressed in this opinion letter with respect to the due organization, existence and good standing of FIS are based solely upon a certificate issued by the Secretary of State of the State of Georgia, and are limited to the meaning ascribed to such certificate in such State and limited to the date thereof.

We express no opinion as to the applicability of, compliance with or effect of the law of any jurisdiction other than the substantive laws (excluding choice of law rules) of the State of Georgia. None of the opinions or other advice contained in this opinion letter considers or covers any federal securities laws or regulations, state securities (or "blue sky") laws or regulations or foreign securities laws or regulations. We express no opinion concerning the contents of the Registration Statement or any related prospectus. The opinions in this opinion letter are limited to laws (including, without limitation, rules and regulations thereunder), as in effect on the date of this opinion letter, which laws are subject to change with possible retroactive effect. We have no obligation to update or supplement the opinions in this opinion letter to reflect any changes in law that may hereafter occur or become effective. We also have assumed that the constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue unless a reported decision in the State of Georgia has established its unconstitutionality or invalidity.

Based upon and subject to the limitations, assumptions and qualifications set forth in this opinion letter, we are of the opinion that:

1. FIS has been duly organized as a corporation under the laws of the State of Georgia and is validly existing and in good standing under the laws of such State. FIS has the corporate power to enter into and perform its obligations under the Indenture. The execution and delivery of the Indenture and the performance by FIS of its obligations thereunder have been duly authorized by all necessary corporate action on the part of FIS. The opinions expressed in this paragraph 1 are limited to the Georgia Business Corporation Code.
2. FIS has duly executed and delivered the Indenture, to the extent that such execution is governed by Georgia law.

The opinions set forth in this opinion letter are limited to, and no opinion is implied or may be inferred beyond, the matters expressly stated in this opinion letter.

We hereby consent to the filing of this opinion letter as an Exhibit to FIS's Current Report on Form 8-K on or about the date hereof and to the incorporation of this opinion letter into the Registration Statement and further consent to the reference to our name under the caption "Legal Matters" in the Prospectus Supplement that is a part of the Registration Statement. In giving this consent, we do not admit that we are "experts" within the meaning of Section 11 of the Securities Act or within the category of persons whose consent is required under Section 7 of the Securities Act. We also consent to Willkie Farr & Gallagher LLP relying on this opinion letter.

Very truly yours,
