EXPLANATORY NOTE

This Registration Statement on Form S-8 registers shares of common stock, par value \$0.01 per share (the "Common Stock"), of Fidelity National Information Services, Inc., a Georgia corporation (the "Registrant"), which may be issued pursuant to the Fidelity National Information Services, Inc. 2008 Omnibus Incentive Plan, as amended (the "Plan"). At the 2015 annual meeting of the shareholders of the Registrant, the shareholders approved an amendment and restatement of the Plan, which had been previously adopted by the Registrant's board of directors. This amendment and restatement increased the authorized shares available for issuance under the Plan by 12,000,000 shares in order to assure that the Registrant has adequate means to provide equity incentive compensation to its employees on a going-forward basis. Prior to the approval of the amendment and restatement of the Plan, there were approximately 6,200,000 shares that had been previously authorized under the Plan which remained available for grant.

PART I

INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

The documents containing the information specified in the instructions to Part I of Form S-8 will be sent or given to employees participating in the Plan, as required by Rule 428(b)(1) promulgated under the Securities Act. In accordance with the instructions to Part I of Form S-8, such documents will not be filed with the Securities and Exchange Commission (the "SEC") either as part of this Registration Statement or as prospectuses or prospectus supplements pursuant to Rule 424 promulgated under the Securities Act. These documents and the documents incorporated by reference pursuant to Item 3 of Part II of this Registration Statement, taken together, constitute the prospectus as required by Section 10(a) of the Securities Act.

PART II

INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Documents by Reference

The following documents filed by the Registrant with the SEC are incorporated into this Registration Statement by reference:

- (1) Registrant's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, filed with the SEC on February 27, 2015;
- (2) The information specifically incorporated by reference into Registrant's Annual Report on Form 10-K from the Registrant's definitive proxy statement on Schedule 14A, filed with the SEC on April 17, 2015;
- (3) All reports filed by the Registrant pursuant to Sections 13(a) or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), since December 31, 2014; and
- (4) The description of the Registrant's Common Stock, par value \$0.01 per share, contained in the Registrant's Registration Statement on Form 10 (File No. 1-16427), filed with the SEC on April 3, 2001 under the Exchange Act including any amendment or report filed for the purpose of updating such description.

All documents subsequently filed by the Registrant with the SEC pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, on or after the date of this Registration Statement prior to the filing of a post-effective amendment to this Registration Statement, which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents with the SEC.

Any statement contained in a document incorporated by reference herein shall be deemed to be modified or superseded for purposes hereof to the extent that a statement contained herein (or in any subsequently filed document which also is incorporated by reference herein or any document which constitutes part of the prospectus relating to the Plan meeting the requirements of Section 10(a) of the Securities Act) modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part hereof.

Item 5. Interests of Named Experts and Counsel

Michael P. Oates, who is providing the legal opinion attached as Exhibit 5.1 hereto, is employed by the Registrant as its Corporate Executive Vice President, General Counsel and Corporate Secretary. Mr. Oates owns shares of the Registrant's common stock, directly and as a participant in the Registrant's employee benefit plans.

Item 6. Indemnification of Directors and Officers

The Registrant's amended and restated articles of incorporation eliminate the liability of its directors to the Registrant or its shareholders for monetary damages for any action taken, or any failure to take action, as a director to the extent permitted under the Georgia Code. The Registrant's directors remain liable, however, for:

- any appropriation, in violation of the director's or officer's duties, of any business opportunity;
- acts or omissions that involve intentional misconduct or a knowing violation of law;
- unlawful corporate distributions as set forth in section 14-2-832 of the Georgia Code; or
- any transactions from which the director derived an improper personal benefit.

If the Georgia Code is amended to authorize corporate action further eliminating or limiting the personal liability of directors, the liability of the Registrant's directors will be eliminated or limited to the fullest extent permitted by the Georgia Code, as amended, without further action by the Registrant's shareholders. These provisions in the Registrant's amended and restated articles of incorporation may limit the remedies available to a shareholder in the event of breaches of any director's duties.

The Registrant's amended and restated bylaws require it to indemnify and hold harmless any director or officer who was or is a party or is threatened to be made a party, to any threatened, pending, or completed action, suit or proceeding whether civil, criminal, administrative, or investigative, including any action or suit by or in the right of the Registrant, because the person is or was a director or officer of the Registrant against liability incurred in such proceeding. The Registrant's amended and restated bylaws generally prohibit it from indemnifying any officer or director who is adjudged liable to the Registrant or is subjected to injunctive relief in favor of the Registrant for:

- any appropriation, in violation of the director's or officer's duties, of any business opportunity;
- acts or omissions that involve intentional misconduct or a knowing violation of law;
- unlawful corporate distributions as set forth in section 14-2-832 of the Georgia Code; or
- any transactions from which the director derived an improper personal benefit.

The Registrant's amended and restated bylaws require the Registrant, under certain circumstances, to advance expenses to its officers and directors who are parties to an action, suit, or proceeding for which indemnification may be sought. The Registrant's amended and restated bylaws permit, but do not require, the Registrant to indemnify and advance expenses to its employees or agents who are not officers or directors to the same extent and subject to the same conditions that a corporation could, without shareholder approval under Section 14-2-856 of the Georgia Code. The Registrant's directors and officers are insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

Item 8. Exhibits

See the Exhibit Index, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- (ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in

the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Jacksonville, State of Florida, on August 7, 2015.
