SEVENTEENTH SUPPLEMENTAL INDENTURE (this “**Seventeenth Supplemental Indenture**”), dated as of May 21, 2019, between Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), and The Bank of New York Mellon Trust Company, N.A., a national banking association (the “**Trustee**”).

WHEREAS, the Company, certain other parties thereto and the Trustee entered into an Indenture (the “**Base Indenture**”), dated as of April 15, 2013, pursuant to which the Company may issue Securities from time to time;

WHEREAS, the Company proposes to issue and establish a new series of Securities in accordance with Section 3.1 of the Base Indenture pursuant to this Seventeenth Supplemental Indenture (the Base Indenture, as supplemented and amended by this Seventeenth Supplemental Indenture, the “**Indenture**”); and

WHEREAS, all things necessary to make this Seventeenth Supplemental Indenture the legal, valid and binding obligation of the Company have been done.

NOW, THEREFORE, for and in consideration of the premises, it is mutually covenanted and agreed as follows:

ARTICLE 1
DEFINITIONS

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Seventeenth Supplemental Indenture. Any references to “Article” or “Section” herein shall be a reference to an article or section of this Seventeenth Supplemental Indenture unless expressly specified otherwise. For purposes of this Seventeenth Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“€” or “**euro**” means the single currency introduced at the third stage of the European Monetary Union pursuant to the Treaty establishing the European Community, as amended.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Company and its Subsidiaries taken as a whole to any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than the Company and its Subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person). For the avoidance of doubt, consummation of the Merger shall be deemed not to constitute a Change of Control for purposes of this definition.

“Clearstream” means Clearstream Banking, *société anonyme* or any successor securities clearing agency.

“Code” means the Internal Revenue Code of 1986 and the rules and regulations promulgated thereunder, as amended from time to time.

“Comparable Government Bond Rate” means the price, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards), at which the gross redemption yield on the Notes to be redeemed, if they were to be purchased at such price on the third Business Day prior to the date fixed for redemption, would be equal to the gross redemption yield on such Business Day of the Comparable Government Bond on the basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such Business Day as determined by an Independent Investment Banker.

“**Depository**” means, with respect to the Notes, Euroclear and Clearstream, as applicable, or any successor entity thereto.

Morgan Securities plc (or their respective successors), or if each such firm is unwilling or unable to select the Comparable Government Bond, an independent investment banking institution of international standing appointed by the Company.

“**Rating Agencies**” means each of Fitch, Moody’s and S&P, so long as such entity makes a rating of the Notes publicly available; *provided, however*, if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the control of the Company, the Company shall be allowed to designate a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(e)(2)(vi)(F) under the Exchange Act (as certified by a resolution of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. For the avoidance of doubt, failure by the Company to pay rating agency fees to make a rating of the Notes shall not be a “reason outside of the control of the Company” for the purposes of the preceding sentence.

“**Special Mandatory Redemption Event**” has the meaning specified in Section 2.07(a).

For the avoidance of doubt, Fidelity National Financial, Inc., Black Knight InfoServ, LLC (formerly known as Lender Processing Services, Inc.), and each of their respective subsidiaries, shall not be deemed to be Affiliates of the Company or any of its Subsidiaries solely due to overlapping officers or directors.

ARTICLE 2
THE NOTES

There is hereby established a new series of Securities with the following terms:

Section 2.01. *Title; Nature.* Pursuant to the terms hereof and Sections 2.1, 3.1 and 3.3 of the Base Indenture, the Company hereby creates a series of Securities designated as the “0.125% Senior Notes due 2021” (the “**Notes**”), which shall be deemed “Securities” for all purposes under the Base Indenture. The CUSIP Number of the Notes shall be 31620MBA3.

Section 2.02. *Principal Amount.* The limit upon the aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of other Notes pursuant to Sections 3.4, 3.5, 3.6, 8.6 or 10.7 of the Base Indenture or Section 2.08 of this Seventeenth Supplemental Indenture and except (i) for any Notes which, pursuant to Section 3.3 of the Base Indenture, are deemed never to have been authenticated and delivered thereunder and (ii) as provided in the last sentence of Section 3.1(c) of the Base Indenture) is €500,000,000. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2021. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 0.125% per annum. Interest shall be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or from May 21, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled interest payment date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention) and shall be payable annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. Notwithstanding the foregoing, principal, premium, if any, and interest payable on Notes in global form shall be made one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable, in immediately available funds to the Paying Agent for transmission to the ICSDs on such Interest Payment Date, Redemption Date, Stated Maturity or Maturity. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent. Notwithstanding Section 1.12 of the Base Indenture, in any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of any Note), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be, to such next Business Day.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to April 21, 2021 (the date that is one month prior to the maturity date) (the “**Par Call Date**”) at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.15%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (2) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation. On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

(c) Notwithstanding the last sentence of Section 10.4 of the Base Indenture, notice of redemption of Notes to be redeemed shall be given by the Company or, at the Company’s request, by the Paying Agent in the name and at the expense of the Company. Any such notice shall be prepared by the Company.

(d) If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts pursuant to Section 2.17 with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Section 2.07. *Special Mandatory Redemption.*

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”) on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the “**Change of Control Payment**”).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or, with respect to Notes in global form, transmit in accordance with the applicable procedures of the ICSDs, a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly transmit to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the ICSDs), and the Trustee will promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2021 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees.* The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

The Notes shall be denominated in euros. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until the euro is again available to the Company or so used. In such circumstances, the amount payable on any date in euro will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

Section 2.12. *Global Notes.* The Notes shall initially be issued in global form. The Bank of New York Mellon, London Branch, shall be the initial Common Depositary for the Notes. The fourth to last paragraph of Section 3.3 of the Base Indenture shall not apply to the Notes. The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form. Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes.* The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance.* For purposes of the Notes, Section 2.08 of this Seventeenth Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default.* The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent.* The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts.* All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a "10-percent shareholder" of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

- (v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;
- (c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;
- (d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;
- (e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;
- (f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;
- (g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;
- (h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or
- (j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term "United States" means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term "United States Person" means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in euros.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. 0.125% SENIOR NOTE DUE 2021

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 0.125% per annum, payable annually in arrears on May 21 of each year (each, an “*Interest Payment Date*”), commencing on May 21, 2020 until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in euros, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. **PAYING AGENT.** Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Seventeenth Supplemental Indenture (the “**Seventeenth Supplemental Indenture**”), dated as of May 21, 2019, between the Company and said Trustee (the Base Indenture, as amended by the Seventeenth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Seventeenth Supplemental Indenture. The terms of this Security include

those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. **PAYMENT OF ADDITIONAL AMOUNTS; TAX REDEMPTION.** All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Seventeenth Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. **OPTIONAL REDEMPTION.** The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.15%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate

principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Seventeenth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Seventeenth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

14. TRUSTEE DEALINGS WITH COMPANY. There is hereby established a new series of Securities with the following terms:

Section 2.01. *Title; Nature.* Pursuant to the terms hereof and Sections 2.1, 3.1 and 3.3 of the Base Indenture, the Company hereby creates a series of Securities designated as the “0.750% Senior Notes due 2023” (the “**Notes**”), which shall be deemed “Securities” for all purposes under the Base Indenture. The CUSIP Number of the Notes shall be 31620MBC9.

Section 2.02. *Principal Amount.* The limit upon the aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of other Notes pursuant to Sections 3.4, 3.5, 3.6, 8.6 or 10.7 of the Base Indenture or Section 2.08 of this Eighteenth Supplemental Indenture and except (i) for any Notes which, pursuant to Section 3.3 of the Base Indenture, are deemed never to have been authenticated and delivered thereunder and (ii) as provided in the last sentence of Section 3.1(c) of the Base Indenture) is €1,250,000,000. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2023. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 0.750% per annum. Interest shall be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or from May 21, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled interest payment date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention) and shall be payable annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. Notwithstanding the foregoing, principal, premium, if any, and interest payable on Notes in global form shall be made one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable, in immediately available funds to the Paying Agent for transmission to the ICSDs on such Interest Payment Date, Redemption Date, Stated Maturity or Maturity. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent. Notwithstanding Section 1.12 of the Base Indenture, in any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of any Note), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be, to such next Business Day.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to April 21, 2023 (the date that is one month prior to the maturity date) (the “**Par Call Date**”) at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.20%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (2) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation. On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

(c) Notwithstanding the last sentence of Section 10.4 of the Base Indenture, notice of redemption of Notes to be redeemed shall be given by the Company or, at the Company’s request, by the Paying Agent in the name and at the expense of the Company. Any such notice shall be prepared by the Company.

(d) If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts pursuant to Section 2.17 with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Section 2.07. *Special Mandatory Redemption.*

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date) , in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”) on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the “**Change of Control Payment**”).

Such notice shall state:

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2023 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees*. The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

The Notes shall be denominated in euros. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until the euro is again available to the Company or so used. In such circumstances, the amount payable on any date in euro will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form.

Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes*. The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.15. *Events of Default*. The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent*. The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts*. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a “10-percent shareholder” of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

(v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;

(b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;

(d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;

(e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;

(h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or

(j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term "United States" means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term "United States Person" means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in euros.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute "Additional Amounts" for purposes of the Base Indenture.

0.750% SENIOR NOTES DUE 2023

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 0.750% per annum, payable annually in arrears on May 21 of each year (each, an “*Interest Payment Date*”), commencing on May 21, 2020 until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in euros, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. **PAYING AGENT.** Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Eighteenth Supplemental Indenture (the “**Eighteenth Supplemental Indenture**”), dated as of May 21, 2019, between the Company and said Trustee (the Base Indenture, as amended by the Eighteenth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Eighteenth Supplemental Indenture. The terms of this Security include

those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. PAYMENT OF ADDITIONAL AMOUNTS; TAX REDEMPTION. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Eighteenth Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.20%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the

aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Eighteenth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Eighteenth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

14. TRUSTEE DEALINGS WITH COMPANY. Subject to the TIA, The Bank of New York Mellon Trust Company, N.A., as Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company, the Guarantors, if any, or their respective affiliates, and may otherwise deal with the Company, the Guarantors, if any, or their respective affiliates, as if it were not Trustee.

15. NO RECOURSE AGAINST OTHERS. No director, officer, employee, stockholder, member, general or limited partner of the Company or any Guarantor as such or in such capacity shall have any personal liability for any obligations of the Company or any Guarantor under this Security, any guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder, by accepting this Security, waives and releases all such liability. Such waiver and release are part of the consideration for the issue of this Security.

16. DISCHARGE OF INDENTURE. The Indenture contains certain provisions pertaining to discharge and defeasance.

17. GUARANTEES. This Security initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to this Security.

The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

In such circumstances, the amount payable on any date in euro will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form.

Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes*. The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance*. For purposes of the Notes, Section 2.08 of this Nineteenth Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default*. The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent*. The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts*. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

- (iv) being or having been a “10-percent shareholder” of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;
- (v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;
- (c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;
- (d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;
- (e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;
- (f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;
- (g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;
- (h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or

(j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term "United States" means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term "United States Person" means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in euros.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute "Additional Amounts" for purposes of the Base Indenture.

1.500% SENIOR NOTES DUE 2027

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 1.500% per annum, payable annually in arrears on May 21 of each year (each, an “*Interest Payment Date*”), commencing on May 21, 2020 until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in euros, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. **PAYING AGENT.** Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Nineteenth Supplemental Indenture (the “**Nineteenth Supplemental Indenture**”), dated as of May 21, 2019, between the Company and said Trustee (the Base Indenture, as amended by the Nineteenth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Nineteenth Supplemental Indenture. The terms of this Security include

those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. PAYMENT OF ADDITIONAL AMOUNTS; TAX REDEMPTION. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Nineteenth Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.30%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the

aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Nineteenth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Nineteenth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

14. TRUSTEE DEALINGS WITH COMPANY. Subject to the TIA, The Bank of New York Mellon Trust Company, N.A., as Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company, the Guarantors, if any, or their respective affiliates, and may otherwise deal with the Company, the Guarantors, if any, or their respective affiliates, as if it were not Trustee.

15. NO RECOURSE AGAINST OTHERS. No director, officer, employee, stockholder, member, general or limited partner of the Company or any Guarantor as such or in such capacity shall have any personal liability for any obligations of the Company or any Guarantor under this Security, any guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder, by accepting this Security, waives and releases all such liability. Such waiver and release are part of the consideration for the issue of this Security.

16. DISCHARGE OF INDENTURE. The Indenture contains certain provisions pertaining to discharge and defeasance.

17. GUARANTEES. This Security initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to this Security.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

ARTICLE 1

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Twentieth Supplemental Indenture. “Comparable Government Bond Rate” means the price, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards), at which the gross redemption yield on the Notes to be redeemed, if they were to be purchased at such price on the third Business Day prior to the date fixed for redemption, would be equal to the gross redemption yield on such Business Day of the Comparable Government Bond on the basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such Business Day as determined by an Independent Investment Banker.

THE NOTES

There is hereby established a new series of Securities with the following terms:

Section 2.01. *Title; Nature.* Pursuant to the terms hereof and Sections 2.1, 3.1 and 3.3 of the Base Indenture, the Company hereby creates a series of Securities designated as the “2.000% Senior Notes due 2030” (the “**Notes**”), which shall be deemed “Securities” for all purposes under the Base Indenture. The CUSIP Number of the Notes shall be 31620MBE5.

Section 2.02. *Principal Amount.* The limit upon the aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of other Notes pursuant to Sections 3.4, 3.5, 3.6, 8.6 or 10.7 of the Base Indenture or Section 2.08 of this Twentieth Supplemental Indenture and except (i) for any Notes which, pursuant to Section 3.3 of the Base Indenture, are deemed never to have been authenticated and delivered thereunder and (ii) as provided in the last sentence of Section 3.1(c) of the Base Indenture) is €1,000,000,000. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2030. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 2.000% per annum. Interest shall be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or from May 21, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled interest payment date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention) and shall be payable annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent. Notwithstanding Section 1.12 of the Base Indenture, in any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of any Note), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be, to such next Business Day.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to February 21, 2030 (the date that is three months prior to the maturity date) (the “**Par Call Date**”) at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.35%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (2) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation. (c) Notwithstanding the last sentence of Section 10.4 of the Base Indenture, notice of redemption of Notes to be redeemed shall be given by the Company or, at the Company’s request, by the Paying Agent in the name and at the expense of the Company. Any such notice shall be prepared by the Company.

Section 2.07. *Special Mandatory Redemption.*

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”) on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the “**Change of Control Payment**”).

Such notice shall state:

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2030 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees.* The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

Section 2.11. *Denominations; Issuance in Euro.* The Notes shall be issued in fully registered form as Registered Securities (and shall in no event be issuable in the form of Bearer Securities) in denominations of one hundred thousand euros (€100,000) or any amount in excess thereof which is an integral multiple of one thousand euros (€1,000). The Notes shall be denominated in euros. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until the euro is again available to the Company or so used. In such circumstances, the amount payable on any date in euro will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

Section 2.12. Global Notes. The Notes shall initially be issued in global form. The Bank of New York Mellon, London Branch, shall be the initial Common Depositary for the Notes. The fourth to last paragraph of Section 3.3 of the Base Indenture shall not apply to the Notes. The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form.

Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes*. The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance*. For purposes of the Notes, Section 2.08 of this Twentieth Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default*. The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent*. The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts*. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a “10-percent shareholder” of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

(v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;

(b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;

(d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;

(e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;

(f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;

(h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or

(j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term "United States" means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term "United States Person" means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in euros.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute "Additional Amounts" for purposes of the Base Indenture.

2.000% SENIOR NOTES DUE 2030

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 2.000% per annum, payable annually in arrears on May 21 of each year (each, an “*Interest Payment Date*”), commencing on May 21, 2020 until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in euros, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. **PAYING AGENT.** Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Twentieth Supplemental Indenture (the “**Twentieth Supplemental Indenture**”), dated as of May 21, 2019, between the Company and said Trustee (the Base Indenture, as amended by the Twentieth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Twentieth Supplemental Indenture. The terms of this Security include

those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. PAYMENT OF ADDITIONAL AMOUNTS; TAX REDEMPTION. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Twentieth Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.35%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Twentieth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Twentieth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

14. TRUSTEE DEALINGS WITH COMPANY. Subject to the TIA, The Bank of New York Mellon Trust Company, N.A., as Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company, the Guarantors, if any, or their respective affiliates, and may otherwise deal with the Company, the Guarantors, if any, or their respective affiliates, as if it were not Trustee.

15. NO RECOURSE AGAINST OTHERS. No director, officer, employee, stockholder, member, general or limited partner of the Company or any Guarantor as such or in such capacity shall have any personal liability for any obligations of the Company or any Guarantor under this Security, any guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder, by accepting this Security, waives and releases all such liability. Such waiver and release are part of the consideration for the issue of this Security.

16. DISCHARGE OF INDENTURE. The Indenture contains certain provisions pertaining to discharge and defeasance.

17. GUARANTEES. This Security initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to this Security.

18. AUTHENTICATION. This Security shall not be valid until the Trustee signs the certificate of authentication on the other side of this Security.

19. GOVERNING LAW. THIS SECURITY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK.

Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Twenty-First Supplemental Indenture. “Comparable Government Bond Rate” means the price, expressed as a percentage (rounded to three decimal places, with 0.0005 being rounded upwards), at which the gross redemption yield on the Notes to be redeemed, if they were to be purchased at such price on the third Business Day prior to the date fixed for redemption, would be equal to the gross redemption yield on such Business Day of the Comparable Government Bond on the basis of the middle market price of the Comparable Government Bond prevailing at 11:00 a.m. (London time) on such Business Day as determined by an Independent Investment Banker.

Any such additional Guarantor shall be subject to release from such Guarantee under the circumstances set forth in Section 12.7 or as otherwise specified with respect to such Securities.”

“Unless otherwise specified as contemplated by Section 3.1, notice of redemption shall be given in the manner provided in Section 1.6 not more than 60 days nor less than 15 days prior to the Redemption Date to the Holders of the Securities to be redeemed.”

ARTICLE 2 THE NOTES

There is hereby established a new series of Securities with the following terms:

Section 2.01. *Title; Nature.* Pursuant to the terms hereof and Sections 2.1, 3.1 and 3.3 of the Base Indenture, the Company hereby creates a series of Securities designated as the “2.950% Senior Notes due 2039” (the “**Notes**”), which shall be deemed “Securities” for all purposes under the Base Indenture. The CUSIP Number of the Notes shall be 31620MBF2.

Section 2.02. *Principal Amount.* The limit upon the aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of other Notes pursuant to Sections 3.4, 3.5, 3.6, 8.6 or 10.7 of the Base Indenture or Section 2.08 of this Twenty-First Supplemental Indenture and except (i) for any Notes which, pursuant to Section 3.3 of the Base Indenture, are deemed never to have been authenticated and delivered thereunder and (ii) as provided in the last sentence of Section 3.1(c) of the Base Indenture) is €500,000,000. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2039. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 2.950% per annum. Interest shall be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or from May 21, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled interest payment date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention) and shall be payable annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. Notwithstanding the foregoing, principal, premium, if any, and interest payable on Notes in global form shall be made one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable, in immediately available funds to the Paying Agent for transmission to the ICSDs on such Interest Payment Date, Redemption Date, Stated Maturity or Maturity. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent. Notwithstanding Section 1.12 of the Base Indenture, in any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of any Note), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be, to such next Business Day.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to February 21, 2039 (the date that is three months prior to the maturity date) (the “**Par Call Date**”) at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.40%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (2) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation. On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

(c) Notwithstanding the last sentence of Section 10.4 of the Base Indenture, notice of redemption of Notes to be redeemed shall be given by the Company or, at the Company’s request, by the Paying Agent in the name and at the expense of the Company. Any such notice shall be prepared by the Company.

(d) If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts pursuant to Section 2.17 with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Section 2.07. *Special Mandatory Redemption.*

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”) on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the “**Change of Control Payment**”).

Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly transmit to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the ICSDs), and the Trustee will promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2021 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees.* The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

Section 2.11. *Denominations; Issuance in Euro.* The Notes shall be issued in fully registered form as Registered Securities (and shall in no event be issuable in the form of Bearer Securities) in denominations of one hundred thousand euros (€100,000) or any amount in excess thereof which is an integral multiple of one thousand euros (€1,000). The Notes shall be denominated in euros. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until the euro is again available to the Company or so used. In such circumstances, the amount payable on any date in euro will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

Section 2.12. Global Notes. The Notes shall initially be issued in global form. The Bank of New York Mellon, London Branch, shall be the initial Common Depositary for the Notes. The fourth to last paragraph of Section 3.3 of the Base Indenture shall not apply to the Notes. The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form.

Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes*. The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance*. For purposes of the Notes, Section 2.08 of this Twenty-First Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default*. The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent*. The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts*. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a “10-percent shareholder” of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

(v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;

(b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;

(d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;

(e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;

(f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;

(h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or

(j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term "United States" means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term "United States Person" means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in euros.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute "Additional Amounts" for purposes of the Base Indenture.

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 2.950% per annum, payable annually in arrears on May 21 of each year (each, an “*Interest Payment Date*”), commencing on May 21, 2020 until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in euros, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. **PAYING AGENT.** Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Twenty-First Supplemental Indenture (the “**Twenty-First Supplemental Indenture**”), dated as of May 21, 2019, between the Company and said Trustee (the Base Indenture, as amended by the Twenty-First Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Twenty-First Supplemental Indenture. The terms of this Security include

those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. PAYMENT OF ADDITIONAL AMOUNTS; TAX REDEMPTION. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Twenty-First Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.40%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the

aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Twenty-First Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Twenty-First Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

TWENTY-SECOND SUPPLEMENTAL INDENTURE

TWENTY-SECOND SUPPLEMENTAL INDENTURE (this “**Twenty-Second Supplemental Indenture**”), dated as of May 21, 2019, between Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), and The Bank of New York Mellon Trust Company, N.A., a national banking association (the “**Trustee**”).

WHEREAS, the Company, certain other parties thereto and the Trustee entered into an Indenture (the “**Base Indenture**”), dated as of April 15, 2013, pursuant to which the Company may issue Securities from time to time;

WHEREAS, the Company proposes to issue and establish a new series of Securities in accordance with Section 3.1 of the Base Indenture pursuant to this Twenty-Second Supplemental Indenture (the Base Indenture, as supplemented and amended by this Twenty-Second Supplemental Indenture, the “**Indenture**”); and

WHEREAS, all things necessary to make this Twenty-Second Supplemental Indenture the legal, valid and binding obligation of the Company have been done.

NOW, THEREFORE, for and in consideration of the premises, it is mutually covenanted and agreed as follows:

ARTICLE 1
DEFINITIONS

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Twenty-Second Supplemental Indenture. Any references to “Article” or “Section” herein shall be a reference to an article or section of this Twenty-Second Supplemental Indenture unless expressly specified otherwise. For purposes of this Twenty-Second Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“**€**” or “**euro**” means the single currency introduced at the third stage of the European Monetary Union pursuant to the Treaty establishing the European Community, as amended.

“**Actual/360 Day count**” has the meaning specified in Section 2.04(a).

“**Applicable EURIBOR Rate**” shall mean the interest rate for deposits in euro designated as “EURIBOR” and sponsored jointly by the European Banking Federation and ACI—the Financial Market Association (or any company established by the joint sponsors for purposes of compiling and publishing that rate) on each Interest Determination Date (as defined below), and will be determined in accordance with the following provisions:

(a) Two prior Target Days (as defined below) on which dealings in deposits in euros are transacted in the euro-zone interbank market preceding each Floating Rate Interest Reset Date (each such date, an “**Interest Determination Date**”), the Calculation Agent, as agent for the Company, will determine the Applicable EURIBOR Rate which shall be the rate for deposits in euro having a maturity of three months commencing on the first day of the applicable Floating Rate Interest Period that appears on the Reuters Screen EURIBOR01 Page as of 11:00 a.m., Brussels time, on such Interest Determination Date. “**Reuters Screen EURIBOR01 Page**” means the display designated on page “EURIBOR01” on Reuters (or such other page as may replace the EURIBOR01 page on that service or any successor service for the purpose of displaying euro-zone interbank offered rates for euro-denominated deposits of major banks). If the Applicable EURIBOR Rate on such Interest Determination Date does not appear on the Reuters Screen EURIBOR01 Page, the Applicable EURIBOR Rate will be determined as described in subparagraph (b) below.

(b) With respect to an Interest Determination Date for which the Applicable EURIBOR Rate does not appear on the Reuters Screen EURIBOR01 Page as specified in subparagraph (a) above, the Applicable EURIBOR Rate will be determined on the basis of the rates at which deposits in euro are offered by four major banks in the euro-zone interbank market selected by the Company (the “**Reference Banks**”) at approximately 11:00 a.m., Brussels time, on such Interest Determination Date to prime banks in the euro-zone interbank market having a maturity of three (3) months, and in a principal amount equal to an amount of not less than €1,000,000 that is representative for a single transaction in such market at such time. The Company will request the principal euro-zone office of each of such Reference Banks to provide a quotation in writing of its rate. If at least two such quotations are provided, the Applicable EURIBOR Rate on such Interest Determination Date will be the arithmetic mean (rounded upwards) of such quotations. If fewer than two quotations are provided in writing, the Applicable EURIBOR Rate on such Interest Determination Date will be the arithmetic mean (rounded upwards) of the rates quoted in writing by three major banks in the euro-zone selected by the Company at approximately 11:00 a.m., Brussels time, on such Interest Determination Date for loans in euro to leading European banks, having a maturity of three months, and in a principal amount equal to an amount of not less than €1,000,000 that is representative for a single transaction in such market at such time; *provided, however*, that if the banks so selected as aforesaid by the Company are not quoting as mentioned in this sentence, the relevant Floating Interest Rate for the Floating Rate Interest Period commencing on the Floating Rate Interest Reset Date following such Interest Determination Date will be the Floating Interest Rate in effect on such Interest Determination Date (i.e., the same as the rate determined for the immediately preceding Floating Rate Interest Reset Date).

Notwithstanding the paragraph immediately above, if the Company, in its sole discretion, determines that EURIBOR has been permanently discontinued and the Company has notified the Calculation Agent of such determination (a “**EURIBOR Event**”), the Calculation Agent will, in accordance with the Company’s written direction, use, as a substitute for the Applicable EURIBOR Rate (the “**Alternate Rate**”) for each future Interest Determination Date, the alternative reference rate selected by the central bank, reserve bank, monetary authority or any similar institution (including any committee or working group thereof) that is consistent with market practice regarding a substitute for EURIBOR. As part of such substitution, the Calculation Agent will, in accordance with the Company’s written direction, make such adjustments to the Alternate Rate or the spread thereon, as well as the business day convention, interest determination dates and related provisions and definitions, in each case that are consistent with market practice for the use of such Alternate Rate. If a EURIBOR Event has occurred, and the Company determines that an Alternate Rate has not been selected, the Applicable EURIBOR Rate for the next Floating Rate Interest Period will be set equal to the Applicable EURIBOR Rate for the then current Floating Rate Interest Period.

All percentages resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage point being rounded upwards (e.g., 8.986865% (or 0.08986865) being rounded to 8.98687% (or 0.0898687)) and all euro amounts used in or resulting from such calculation will be rounded to the nearest cent (with one-half cent being rounded upwards). Promptly upon determination, the Calculation Agent will inform the Trustee, if applicable, and the Company of the interest rate for the next Floating Rate Interest Period.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

“**Calculation Agency Agreement**” means the Calculation Agency Agreement dated the date hereof by and between the Company and the Calculation Agent.

any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person). For the avoidance of doubt, consummation of the Merger shall be deemed not to constitute a Change of Control for purposes of this definition.

“**Change of Control Triggering Event**” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“**Clearstream**” means Clearstream Banking, *société anonyme* or any successor securities clearing agency.

of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2021. The Notes shall bear no premium upon payment at Stated Maturity. If the Floating Rate Principal Payment Date

or Floating Rate Maturity Date is not a EURIBOR business day, then the principal amount of the Notes, plus accrued and unpaid interest thereon, shall be paid on the next succeeding EURIBOR business day (unless the next EURIBOR business day is in the next succeeding calendar month, in which case such Floating Rate Principal Payment Date or the Floating Rate Maturity Date shall be the immediately preceding EURIBOR business day).

Section 2.04. *Interest.* (a) The Notes shall bear interest on the aggregate unpaid principal amount thereof at a rate per annum in effect for each day of a Floating Rate Interest Period equal to the Applicable EURIBOR Rate from time to time in effect for each applicable Floating Rate Interest Period plus forty (40) basis points (0.40%) (the “**Floating Interest Rate**”); *provided, however*, that the minimum interest rate for the Notes shall be no less than zero (0.00%) per annum. Accrued but unpaid interest on the Notes shall be payable in arrears on each Floating Rate Interest Payment Date. The Notes will bear interest at the applicable Floating Interest Rate until the principal on the Notes is paid or made available for payment (the “**Floating Rate Principal Payment Date**”). If any Floating Rate Interest Reset Date (other than the initial Floating Rate Interest Reset Date occurring on May 21, 2019) or Floating Rate Interest Payment Date would otherwise be a day that is not a EURIBOR business day, such Floating Rate Interest Reset Date or Floating Rate Interest Payment Date, as applicable, shall be the next succeeding EURIBOR business day, unless the next succeeding EURIBOR business day is in the next succeeding calendar month, in which case such Floating Rate Interest Reset Date or Floating Rate Interest Payment Date shall be the immediately preceding EURIBOR business day. The amount of interest for each day that the Notes are outstanding (the “**Daily Interest Amount**”) will be calculated by dividing the Floating Interest Rate then in effect for such day by 360 and multiplying the result by the principal amount of the Notes (known as the “**Actual/360 Day count**”). The amount of interest to be paid on the Notes for any Floating Rate Interest Period will be calculated by adding the Daily Interest Amounts for each day in such Floating Rate Interest Period. The Floating Interest Rate from time to time in effect for the Notes and amount of interest to be paid on the Notes for each Floating Rate Interest Period will be determined by the Calculation Agent. The Calculation Agent will, upon the request of any Holder of the Notes, provide the Floating Interest Rate at the time of the last Floating Rate Interest Payment Date with respect to the Notes. All calculations made by the Calculation Agent shall, in the absence of manifest error, be conclusive for all purposes and binding on the Company and the Holders of the Notes. So long as the Applicable EURIBOR Rate is required to be determined with respect to the Notes, there will at all times be a Calculation Agent. In the event that any then acting Calculation Agent shall be unable or unwilling to act, or that such Calculation Agent shall fail duly to establish the Applicable EURIBOR Rate for any Floating Rate Interest Period, or that the Company proposes to remove such Calculation Agent, the Company shall appoint itself or another Person which is a bank, trust company, investment banking firm or other financial institution to act as the Calculation Agent.

(b) The initial Floating Rate Interest Payment Date shall be August 21, 2019. Interest payable on the Notes on an Floating Rate Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Floating Rate Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent and the Calculation Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. Notwithstanding the foregoing, principal, premium, if any, and interest payable on Notes in global form shall be made one Business Day prior to each Floating Rate Interest Payment Date, Redemption Date, Stated Maturity or Floating Rate Maturity Date, as applicable, in immediately available funds to the Paying Agent for transmission to the ICSDs on such Floating Rate Interest Payment Date, Redemption Date, Stated Maturity or Floating Rate Maturity Date. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent.

Section 2.06. *Redemption for Tax Reasons.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) Except to the extent and under the circumstances set forth in Section 2.06(c) and Section 2.07, the Company may not redeem the Notes in whole or in part prior to the Floating Rate Maturity Date.

(c) If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts pursuant to Section 2.17 with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Floating Rate Interest Payment Date that is on or prior to the Redemption Date).

Section 2.07. *Special Mandatory Redemption.*

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date

(each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. Right to Require Repurchase Upon a Change of Control Triggering Event.

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”) on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the “**Change of Control Payment**”).

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or, with respect to Notes in global form, transmit in accordance with the applicable procedures of the ICSDs, a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly transmit to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the ICSDs), and the Trustee will promptly authenticate and deliver (or

cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of €100,000 or an integral multiple of €1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund*. There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2021 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees*. The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

Section 2.11. *Denominations; Issuance in Euro*. The Notes shall be issued in fully registered form as Registered Securities (and shall in no event be issuable in the form of Bearer Securities) in denominations of one hundred thousand euros (€100,000) or any amount in excess thereof which is an integral multiple of one thousand euros (€1,000). The Notes shall be denominated in euros. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in euros. If the euro is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or the euro is no longer used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until the euro is again available to the Company or so used. In such circumstances, the amount payable on any date in euro will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/euro exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

Section 2.12. *Global Notes*. The Notes shall initially be issued in global form. The Bank of New York Mellon, London Branch, shall be the initial Common Depositary for the Notes. The fourth to last paragraph of Section 3.3 of the Base Indenture shall not apply to the Notes. The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form. Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes*. The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance*. For purposes of the Notes, Section 2.08 of this Twenty-Second Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default*. The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent*. The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts*. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a "10-percent shareholder" of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

- (v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;
- (b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;
- (c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;
- (d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;
- (e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;
- (f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;
- (g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;
- (h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or
- (j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(c) hereof, the term "United States" means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term "United States Person" means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in euros.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute "Additional Amounts" for purposes of the Base Indenture.

FLOATING RATE SENIOR NOTE DUE 2021

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest in arrears on the principal amount of this Security on each Floating Rate Interest Payment Date, commencing on August 21, 2019, at a rate per annum equal to the Applicable EURIBOR Rate (as defined in the Twenty-Second Supplemental Indenture) from time to time in effect for each applicable Floating Rate Interest Period (as defined in the Twenty-Second Supplemental Indenture) *plus* forty (40) basis points (0.40%) until the principal hereof is paid or made available for payment. Notwithstanding the foregoing, the minimum interest rate for this Security shall at all times be no less than zero (0.00%) per annum. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Floating Rate Interest Payment Date or the Floating Rate Maturity Date, as the case may be. The Regular Record Date shall be the close of business on the EURIBOR business day preceding the respective Floating Rate Interest Payment Date. Interest on the Notes will be calculated on the basis of the Actual/360 Day count (as defined in the Twenty-Second Supplemental Indenture). If any Floating Rate Interest Payment Date or the Floating Rate Maturity Date falls on a day that is not a EURIBOR business day, the payment of the interest and principal payable on such date will be made on the next EURIBOR business day (unless the next EURIBOR business day is in the next succeeding calendar month, in which case such Floating Rate Interest Payment Date or the Floating Rate Maturity Date shall be the immediately preceding EURIBOR business day).

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Floating Rate Interest Payment Date, Redemption Date, Stated Maturity or Floating Rate Maturity Date, as applicable for transmission to the ICSDs on such applicable Floating Rate Interest Payment Date, Redemption Date, Stated Maturity or Floating Rate Maturity Date. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in euros, subject to Section 2.11 of the Supplemental Indenture referred to below.

If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Twenty-Second Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Floating Rate Interest Payment Date that is on or prior to the Redemption Date).

6. SPECIAL MANDATORY REDEMPTION.

Section 2.01. *Title; Nature.* Pursuant to the terms hereof and Sections 2.1, 3.1 and 3.3 of the Base Indenture, the Company hereby creates a series of Securities designated as the “2.602% Senior Notes due 2025” (the “Notes”), which shall be deemed “Securities” for all purposes under the Base Indenture. The CUSIP Number of the Notes shall be 31620MBG0.

Section 2.02. *Principal Amount.* The limit upon the aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of other Notes pursuant to Sections 3.4, 3.5, 3.6, 8.6 or 10.7 of the Base Indenture or Section 2.08 of this Twenty-Third Supplemental Indenture and except (i) for any Notes which, pursuant to Section 3.3 of the Base Indenture, are deemed never to have been authenticated and delivered thereunder and (ii) as provided in the last sentence of Section 3.1(c) of the Base Indenture) is £625,000,000. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2025. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 2.602% per annum. Interest shall be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or from May 21, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled interest payment date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention) and shall be payable annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for

payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. Notwithstanding the foregoing, principal, premium, if any, and interest payable on Notes in global form shall be made one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable, in immediately available funds to the Paying Agent for transmission to the ICSDs on such Interest Payment Date, Redemption Date, Stated Maturity or Maturity. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent. Notwithstanding Section 1.12 of the Base Indenture, in any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of any Note), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be, to such next Business Day.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to February 21, 2025 (the date that is three months prior to the maturity date) (the “**Par Call Date**”) at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.30%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of

Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (2) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation. On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

(c) Notwithstanding the last sentence of Section 10.4 of the Base Indenture, notice of redemption of Notes to be redeemed shall be given by the Company or, at the Company's request, by the Paying Agent in the name and at the expense of the Company. Any such notice shall be prepared by the Company.

(d) If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts pursuant to Section 2.17 with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Section 2.07. *Special Mandatory Redemption.*

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the "**Outside Date**"), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company's reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a "**Special Mandatory Redemption Event**"), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the "**Special Mandatory Redemption Price**") equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers' Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the "**Special Mandatory Redemption Notice Date**") that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the "**Special Mandatory Redemption Date**") automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. Right to Require Repurchase Upon a Change of Control Triggering Event.

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**") on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of £100,000 or an integral multiple of £1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the "**Change of Control Payment**").

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or, with respect to Notes in global form, transmit in accordance with the applicable procedures of the ICSDs, a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly transmit to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the ICSDs), and the Trustee will promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of £100,000 or an integral multiple of £1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2025 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees.* The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

Section 2.11. *Denominations; Issuance in GBP.* The Notes shall be issued in fully registered form as Registered Securities (and shall in no event be issuable in the form of Bearer Securities) in denominations of one hundred thousand GBP (£100,000) or any amount in excess thereof which is an integral multiple of one thousand GBP (£1,000). The Notes shall be denominated in GBP. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in GBP. If GBP is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or is no longer used for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until GBP is again available to the Company or so used. In such circumstances, the amount payable on any date in GBP will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/GBP exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

Section 2.12. *Global Notes.* The Notes shall initially be issued in global form. The Bank of New York Mellon, London Branch, shall be the initial Common Depositary for the Notes. The fourth to last paragraph of Section 3.3 of the Base Indenture shall not apply to the Notes. The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form.

Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes.* The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance.* For purposes of the Notes, Section 2.08 of this Twenty-Third Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default.* The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent.* The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts.* All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a "10-percent shareholder" of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

(v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;

(b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;

(d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;

(e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;

(f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;

(h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or

(j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term “United States” means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term “United States Person” means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in GBP.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute “Additional Amounts” for purposes of the Base Indenture.

Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. METHOD OF PAYMENT. The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in GBP, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. PAYING AGENT. Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.30%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate

principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

If this Section 9.9 is specified as applicable to the Securities of a series pursuant to Section 3.1, the Company will cause each of its wholly-owned Subsidiaries that is formed or otherwise incorporated in the United States or a state thereof or the District of Columbia that guarantees or becomes a co-obligor in respect of any Debt of the Company under the Credit Facilities after the initial issue date of the Securities of such series to enter into a supplemental indenture in the form of Exhibit A (which shall not be required to be signed by the other then-existing Guarantors) or as otherwise specified with respect to the Securities of such series pursuant to which such Subsidiary shall agree to guarantee the Securities of such series on the terms set forth in Article 12 hereof or on such other terms as are specified as applicable to such series pursuant to Section 3.1. Any such additional Guarantor shall be subject to release from such Guarantee under the circumstances set forth in Section 12.7 or as otherwise specified with respect to such Securities.”

Section 1.04. The Base Indenture is hereby amended, solely with respect to the Notes, by amending Section 12.7(2) thereof to read as follows:

“(2) at any time that such Guarantor is released from all of its obligations (other than contingent indemnification obligations that may survive such release) as a guarantor or co-obligor of all Debt of the Company under the Credit Facilities except a discharge by or as a result of payment under such guarantee;”.

Section 1.05. The Base Indenture is hereby amended, solely with respect to the Notes, by amending the first sentence of Section 10.3 thereof to read as follows:

“Unless otherwise specified as contemplated by Section 3.1, if fewer than all the Securities (including coupons, if any) of a series with the same terms are to be redeemed, the Trustee shall select, by lot, the Securities of the series to be redeemed; provided, that with respect to Securities issued in global form, beneficial interests therein shall be selected for redemption by the Depositary therefor in accordance with its standard procedures.”

Section 1.06. The Base Indenture is hereby amended, solely with respect to the Notes, by amending the first sentence of Section 10.4 thereof to read as follows:

ARTICLE 2
THE NOTES

There is hereby established a new series of Securities with the following terms:

Section 2.01. *Title; Nature.* Pursuant to the terms hereof and Sections 2.1, 3.1 and 3.3 of the Base Indenture, the Company hereby creates a series of Securities designated as the “3.360% Senior Notes due 2031” (the “Notes”), which shall be deemed “Securities” for all purposes under the Base Indenture. The CUSIP Number of the Notes shall be 31620MBH8.

Section 2.02. *Principal Amount.* The limit upon the aggregate principal amount of the Notes which may be authenticated and delivered under the Indenture (except for Notes authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of other Notes pursuant to Sections 3.4, 3.5, 3.6, 8.6 or 10.7 of the Base Indenture or Section 2.08 of this Twenty-Fourth Supplemental Indenture and except (i) for any Notes which, pursuant to Section 3.3 of the Base Indenture, are deemed never to have been authenticated and delivered thereunder and (ii) as provided in the last sentence of Section 3.1(c) of the Base Indenture) is £625,000,000. The Company may from time to time, without notice to, or the consent of, the Holders of the Notes increase the principal amount of the Notes, on the same terms and conditions (except for the issue date, the public offering price and, in some cases, the first interest payment date and the initial interest accrual date); *provided* that if any additional Notes are issued at a price that causes them to have “original issue discount” within the meaning of the Internal Revenue Code of 1986, as amended, and the regulations thereunder, such additional Notes shall not have the same CUSIP Number as the original Notes. The Notes shall be initially issued on the date hereof and thereafter upon any reopening of the series of which the Notes are a part.

Section 2.03. *Stated Maturity of Principal.* The date on which the principal of the Notes is payable, unless the Notes are theretofore accelerated or redeemed or purchased pursuant to the Indenture, shall be May 21, 2031. The Notes shall bear no premium upon payment at Stated Maturity.

Section 2.04. *Interest.* The rate at which the Notes shall bear interest shall be 3.360% per annum. Interest shall be computed on the basis of the actual number of days in the period for which interest is being calculated and the actual number of days from and including the last date on which interest was paid on the Notes (or from May 21, 2019, if no interest has been paid on the Notes) to, but excluding, the next scheduled interest payment date (such payment convention being referred to as the ACTUAL/ACTUAL (ICMA) (as defined in the rulebook of the International Capital Markets Association) day count convention) and shall be payable annually in arrears in accordance herewith and with the Indenture. Interest on the Notes shall accrue on the principal amount from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, the date hereof, in each case to, but excluding, the next Interest Payment Date or the date on which the principal of the Notes has been paid or made available for

payment, as the case may be. The Interest Payment Date of the Notes shall be May 21 of each year. The initial Interest Payment Date shall be May 21, 2020. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest payable on the Notes on an Interest Payment Date shall be payable to the Persons in whose name the Notes are registered at the close of business on the Regular Record Date for such Interest Payment Date provided, however, that Defaulted Interest shall be payable as provided in the Base Indenture.

Section 2.05. *Place of Payment.* The Place of Payment where the principal of and premium, if any, and interest on the Notes shall be payable in London, England. The principal of, premium, if any, and interest on the Notes shall be payable in the Place of Payment at the designated office of the Paying Agent, which at the date hereof is located at One Canada Square, London E14 5AL, Attention: Corporate Trust Administration, or by electronic means. Notwithstanding the foregoing, principal, premium, if any, and interest payable on Notes in global form shall be made one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable, in immediately available funds to the Paying Agent for transmission to the ICSDs on such Interest Payment Date, Redemption Date, Stated Maturity or Maturity. If any of the Notes are no longer represented by global Securities, payment of interest on such Notes may, at the option of the Company, be made by the Company by check mailed directly to Holders at their registered addresses or by wire by the Paying Agent. Notwithstanding Section 1.12 of the Base Indenture, in any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of any Note shall not be a Business Day, then (notwithstanding any other provision of this Indenture or of any Note), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; provided that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be, to such next Business Day.

Section 2.06. *Optional Redemption.*

(a) The provisions of Article 10 of the Base Indenture shall be applicable to the Notes, subject to the provisions of this Section 2.06.

(b) The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to February 21, 2031 (the date that is three months prior to their maturity date) (the “**Par Call Date**”) at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of Notes to be redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.35%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of

Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). The Company shall give the Trustee written notice of the Redemption Price with respect to any redemption pursuant to this clause (2) promptly after the calculation thereof and the Trustee shall have no responsibility for such calculation. On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

(c) Notwithstanding the last sentence of Section 10.4 of the Base Indenture, notice of redemption of Notes to be redeemed shall be given by the Company or, at the Company's request, by the Paying Agent in the name and at the expense of the Company. Any such notice shall be prepared by the Company.

(d) If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts pursuant to Section 2.17 with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

Section 2.07. Special Mandatory Redemption.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the "**Outside Date**"), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company's reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a "**Special Mandatory Redemption Event**"), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the "**Special Mandatory Redemption Price**") equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers' Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the "**Special Mandatory Redemption Notice Date**") that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the "**Special Mandatory Redemption Date**") automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

Section 2.08. Right to Require Repurchase Upon a Change of Control Triggering Event.

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes pursuant to the offer described below (the "**Change of Control Offer**") on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of £100,000 or an integral multiple of £1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the "**Change of Control Payment**").

(b) Within 30 days following any Change of Control Triggering Event, the Company shall mail or, with respect to Notes in global form, transmit in accordance with the applicable procedures of the ICSDs, a notice to Holders of Notes, with a written copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(i) a description of the transaction or transactions that constitute the Change of Control Triggering Event;

(ii) that the Change of Control Offer is being made pursuant to this Section 2.08 and that all Notes validly tendered and not withdrawn will be accepted for payment;

(iii) the Change of Control Payment and the "Change of Control Payment Date," which date shall be no earlier than 15 days and no later than 60 days from the date such notice is sent;

(iv) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender the Notes, with the form entitled "Purchase Notice" attached hereto as Exhibit B completed, or transfer the Notes by book-entry transfer, to the Paying Agent at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(v) that Holders of the Notes will be entitled to withdraw their election if the Paying Agent receives, not later than the close of business on the second Business Day preceding the Change of Control Payment Date, a telegram, telex, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes delivered for purchase, and a statement that such Holder is withdrawing his or her election to have the Notes purchased; and

(vi) if the notice is sent prior to the date of the consummation of the Change of Control, the notice will state that the Change of Control Offer is conditioned on the Change of Control Triggering Event occurring on or prior to the Change of Control Payment Date.

(c) On the Change of Control Payment Date, the Company shall be required, to the extent lawful, to:

(i) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The Paying Agent will promptly transmit to each Holder of Notes properly tendered and not withdrawn the Change of Control Payment for such Notes (or with respect to Global Notes otherwise make such payment in accordance with the applicable procedures of the ICSDs), and the Trustee will promptly authenticate and deliver (or cause to be transferred by book-entry) to each Holder of Notes properly tendered and not withdrawn a new Note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new Note will be in a principal amount of £100,000 or an integral multiple of £1,000 in excess thereof.

(d) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 2.08, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section 2.08 by virtue of such conflicts.

(e) Notwithstanding the foregoing, the Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if (i) a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all the Notes properly tendered and not withdrawn under its offer or (ii) prior to the occurrence of the related Change of Control Triggering Event, the Company has given written notice of a redemption to the Holders of the Notes as provided under Section 2.06 hereof unless the Company has failed to pay the Redemption Price on the Redemption Date.

Section 2.09. *No Sinking Fund.* There shall be no obligation of the Company to redeem or purchase the Notes pursuant to any sinking fund or analogous provisions, or except as set forth in Section 2.08 hereof, to repay any of the Notes prior to May 21, 2031 at the option of a Holder thereof. Article 11 of the Base Indenture shall not apply to the Notes.

Section 2.10. *Guarantees.* The Notes initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to the Notes.

Section 2.11. *Denominations; Issuance in GBP.* The Notes shall be issued in fully registered form as Registered Securities (and shall in no event be issuable in the form of Bearer Securities) in denominations of one hundred thousand GBP (£100,000) or any amount in excess thereof which is an integral multiple of one thousand GBP (£1,000). The Notes shall be denominated in GBP. Principal, including any payments made upon any redemption or repurchase of the Notes, premium, if any, and interest payments in respect of the Notes will be payable in GBP. If GBP is unavailable to the Company due to the imposition of exchange controls or other circumstances beyond the Company's control or is no longer used for the settlement of transactions by public institutions within the international banking community, then all payments in respect of the Notes will be made in Dollars until GBP is again available to the Company or so used. In such circumstances, the amount payable on any date in GBP will be converted to Dollars at the Market Exchange Rate as of the close of business on the second Business Day before the relevant payment date, or if such Market Exchange Rate is not then available, on the basis of the most recent Dollar/GBP exchange rate available on or prior to the second Business Day prior to the relevant payment date, as determined by the Company in its sole discretion.

Any payment in respect of the Notes so made in Dollars will not constitute an Event of Default under the Indenture or the Notes. Neither the Trustee nor the Paying Agent shall be responsible for obtaining exchange rates, effecting conversions or otherwise handling re-denominations

Section 2.12. *Global Notes.* The Notes shall initially be issued in global form. The Bank of New York Mellon, London Branch, shall be the initial Common Depositary for the Notes. The fourth to last paragraph of Section 3.3 of the Base Indenture shall not apply to the Notes. The Notes shall be transferred only in accordance with the provisions of Section 3.5 of the Base Indenture. With respect to the Notes, the first sentence of the seventh paragraph of Section 3.5 of the Base Indenture is hereby amended and restated to read as follows:

“A Security in global form will be exchangeable for certificated Securities of the same series in definitive form only if (i) the Depositary for the Global Securities of such series notifies the Company that it is unwilling or unable to continue as Depositary for the global Securities of such series or such Depositary ceases to be a clearing agency registered as such under the Securities Exchange Act of 1934, as amended, or any successor thereto if so required by applicable law or regulation and, in either case, a successor Depositary for such Securities shall not have been appointed by the Company within 90 days after the Company receives such notice or becomes aware of such ineligibility, as the case may be, or (ii) the Company, in its sole discretion and subject to the procedures of the Depositary, determines that such Securities in global form shall be exchangeable for certificated Securities and executes and delivers to the Trustee a Company Order to the effect that such global Securities shall be so exchangeable. In such event, the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of certificated Securities of such series of like tenor and terms, shall authenticate and deliver, without charge, to each Person that is identified by or on behalf of the ICSDs as the beneficial holder thereof, Securities of such series of like tenor and terms in certificated form, in authorized denominations and in an aggregate principal amount equal to the principal amount of the Security or Securities of such series of like tenor and terms in global form in exchange for such Security or Securities in global form.

Neither the Company nor the Trustee will be liable for any delay by an ICSD or any participant or indirect participant in an ICSD in identifying the beneficial owners of the related Notes and each of those Persons may conclusively rely on, and will be protected in relying on, instructions from the ICSD for all purposes, including with respect to the registration and delivery, and the respective principal amounts, of the certificated Notes to be issued.”

Section 2.13. *Form of Notes.* The form of the global Security representing the Notes is attached hereto as Exhibit A.

Section 2.14. *Defeasance.* For purposes of the Notes, Section 2.08 of this Twenty-Fourth Supplemental Indenture shall be considered an additional covenant specified pursuant to Section 3.1 of the Base Indenture for purposes of Section 4.5 of the Base Indenture.

Section 2.15. *Events of Default.* The Events of Default set forth in Sections 5.1 (1), (2), (3), (4), (5), (6) and (7) of the Base Indenture shall apply to the Notes. For the avoidance of doubt, the reference to redemption in Section 5.1 (2) of the Base Indenture includes the special mandatory redemption referred to in Section 2.07 hereof.

Section 2.16. *Paying Agent.* The Bank of New York Mellon, London Branch, shall be the initial Paying Agent for the Notes. The Company may subsequently appoint a different or additional Paying Agent for the Notes.

Section 2.17. *Payment of Additional Amounts.* All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein (collectively, "Taxes") unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts ("Additional Amounts") on such Notes as are necessary in order that the net payment by the Company or the Paying Agent or a withholding agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

(a) to any Taxes that would not have been imposed but for the beneficial owner, or a fiduciary, settlor, beneficiary, member or shareholder of the beneficial owner if the beneficial owner is an estate, trust, partnership or corporation, or a Person holding a power over an estate or trust administered by a fiduciary holder, being considered as:

(i) being or having been engaged in a trade or business in the United States or having or having had a permanent establishment in the United States;

(ii) having a current or former connection with the United States (other than a connection arising solely as a result of the ownership of such Notes, the receipt of any payment or the enforcement of any rights thereunder), including being or having been a citizen or resident of the United States;

(iii) being or having been a personal holding company, a passive foreign investment company or a controlled foreign corporation with respect to the United States or a foreign personal holding company that has accumulated earnings to avoid United States federal income tax;

(iv) being or having been a "10-percent shareholder" of the Company within the meaning of Section 871(h)(3) of the Code, or any successor provision; or;

(v) being a bank receiving payments on an extension of credit made pursuant to a loan agreement entered into in the ordinary course of its trade or business;

(b) to any Holder that is not the sole beneficial owner of such Notes, or a portion of such Notes, or that is a fiduciary, partnership or limited liability company, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership or limited liability company would not have been entitled to the payment of any Additional Amounts had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;

(c) to any Taxes that would not have been imposed but for the failure of the Holder or beneficial owner to comply with any applicable certification, identification or information reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Notes, if compliance is required by statute, by regulation of the United States or any taxing authority therein or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such Taxes;

(d) to any Tax that is imposed otherwise than by withholding by the Company or the Paying Agent from the payment;

(e) to any Tax required to be withheld by any Paying Agent from any payment of principal of or interest on the Notes, if such payment can be made without such withholding by at least one other Paying Agent in a Member State of the European Union;

(f) to any Taxes that would not have been imposed but for a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;

(g) to any estate, inheritance, gift, sales, excise, transfer, wealth, capital gains or personal property tax or similar Taxes;

(h) to any Taxes that would not have been imposed but for the presentation by the Holder or beneficial owner of such Note, where presentation is required, for payment on a date more than 30 days after the date on which payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;

(i) to any withholding or deduction that is imposed on a payment pursuant to Sections 1471 through 1474 of the Code and related Treasury regulations and pronouncements or any successor provisions thereto (that are substantially comparable and not materially more onerous to comply with) and any regulations or official law, agreement or interpretations thereof implementing an intergovernmental approach thereto; or

(j) in the case of any combination of items (a) through (i) above.

The Notes are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable to such Notes. Except as specifically provided in this Section 2.17, the Company shall not be required to make any payment for any taxes, duties, assessments or governmental charges of whatever nature imposed by any government or a political subdivision or taxing authority of or in any government or political subdivision. Neither the Trustee nor the Paying Agent shall have any responsibility or liability for the determination, verification or calculation of any Additional Amounts. The Company shall give prompt notice to the Trustee upon becoming aware of its requirement to pay any Additional Amount.

As used in this Section 2.17 and in Section 2.06(d) hereof, the term “United States” means the United States of America (including the states and the District of Columbia and any political subdivision thereof), and the term “United States Person” means (a) any individual who is a citizen or resident of the United States; (b) a corporation (or other entity treated as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any state thereof or the District of Columbia; (c) an estate, the income of which is subject to U.S. federal income tax regardless of source; or (d) a trust, if (i) a court within the United States is able to exercise primary supervision over administration of the trust and one or more other United States persons have authority to control all substantial decisions of the trust or (ii) it has a valid election in effect under applicable U.S. Treasury regulations to be treated as a domestic trust. Except as provided for in Section 2.11, any payments of Additional Amounts will be made in GBP.

Whenever in the Indenture (including the Notes) there is referenced, in any context, the payment of amounts based on the payment of principal of, or premium, if any, or interest on, the Notes, or any other amount payable thereunder or with respect thereto, such reference will be deemed to include the payment of Additional Amounts as described under this Section 2.17 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof. The Additional Amounts as defined above shall constitute “Additional Amounts” for purposes of the Base Indenture.

3.360% SENIOR NOTE DUE 2031

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Indenture referred to below unless otherwise indicated. This Security is one of the series of Securities designated on the face hereof issued under the Indenture, unlimited in aggregate principal amount (the “**Notes**”).

1. **INTEREST.** Fidelity National Information Services, Inc., a Georgia corporation (the “**Company**”), promises to pay interest on the principal amount of this Security at the rate of 3.360% per annum, payable annually in arrears on May 21 of each year (each, an “*Interest Payment Date*”), commencing on May 21, 2020 until the principal is paid or made available for payment. Interest on this Security will accrue from, and including, the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from, and including, May 21, 2019, in each case to, but excluding, the next Interest Payment Date or the date on which the principal hereof has been paid or made available for payment, as the case may be. The Regular Record Date corresponding to any Interest Payment Date shall be the immediately preceding May 6 (whether or not a Business Day). Interest shall be computed on the basis of an ACTUAL/ ACTUAL (ICMA) (as defined in the rulebook of the International Capital Market Association) day count convention.

2. **METHOD OF PAYMENT.** The Company shall pay interest on this global Security (except defaulted interest, if any, which shall be paid on such special payment date as may be fixed in accordance with the Indenture referred to below) to the Paying Agent one Business Day prior to each Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as applicable for transmission to the ICSDs on such applicable Interest Payment Date, Redemption Date, Stated Maturity or Maturity. A holder must surrender this Security to a Paying Agent to collect principal and premium payments. The Company shall pay principal, premium, if any, and interest in GBP, subject to Section 2.11 of the Supplemental Indenture referred to below.

3. **PAYING AGENT.** Initially, The Bank of New York Mellon, London Branch, shall act as Paying Agent. The Company may change or appoint any Paying Agent without notice to any Holder. The Company or any of its Subsidiaries may act as Paying Agent.

4. **INDENTURE.** The Company issued this Security under the Indenture (the “**Base Indenture**”), dated as of April 15, 2013, among Fidelity National Information Services, Inc., certain other parties thereto and The Bank of New York Mellon Trust Company, N.A., as Trustee, as amended by the Twenty-Fourth Supplemental Indenture (the “**Twenty-Fourth Supplemental Indenture**”), dated as of May 21, 2019, between the Company and said Trustee (the Base Indenture, as amended by the Twenty-Fourth Supplemental Indenture, the “**Indenture**”). The terms of this Security were established pursuant to the Twenty-Fourth Supplemental Indenture. The terms of this Security

include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (“TIA”). This Security is subject to all such terms, and Holders are referred to the Indenture and the TIA. The Company will provide a copy of the Indenture, without charge, upon written request to the Company sent to 601 Riverside Avenue, Jacksonville, Florida 32204, Attention: Corporate Secretary.

5. PAYMENT OF ADDITIONAL AMOUNTS; TAX REDEMPTION. All payments in respect of the Notes shall be made by or on behalf of the Company without withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature, imposed or levied by the United States or any taxing authority thereof or therein unless such withholding or deduction is required by law. If such withholding or deduction is required by law, the Company shall pay to each beneficial owner who is not a United States Person (as defined below) such additional amounts (“Additional Amounts”) on such Notes as are necessary in order that the net payment by the Company or the Paying Agent of the principal of, and premium, if any, and interest on, such Notes, after such withholding or deduction (including any withholding or deduction on such Additional Amounts), will not be less than the amount provided in such Notes to be then due and payable; *provided, however*, that the foregoing obligation to pay Additional Amounts shall not apply to the extent provided for in Section 2.11 of the Twenty-Fourth Supplemental Indenture. If, as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated under the laws) of the United States or any taxing authority thereof or therein or any change in, or amendments to, an official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after May 14, 2019, the Company becomes or, based upon a written opinion of independent tax counsel of recognized standing selected by the Company, will become obligated to pay Additional Amounts with respect to the Notes, then the Company may at any time, at its option, redeem the Notes, in whole, but not in part, at a Redemption Price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the Redemption Date (subject to the right of Holders of record on the Relevant Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

6. OPTIONAL REDEMPTION. The Company may, at its option, redeem the Notes, in whole or in part, at any time prior to the Par Call Date, at a Redemption Price equal to the greater of (i) 100% of the aggregate principal amount of any Notes to be redeemed; and (ii) the sum of the present values of the remaining scheduled payments of principal of (or the portion of the principal of) and interest on the Notes to be redeemed that would have been due if the Notes matured on the Par Call Date, not including accrued and unpaid interest, if any, to the Redemption Date, discounted to the Redemption Date on an annual basis (ACTUAL/ACTUAL (ICMA)) at a rate equal to the sum of the Comparable Government Bond Rate plus 0.35%, plus, in each case, accrued and unpaid interest, if any, on the Notes being redeemed to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date). On or after the Par Call Date, the Company may, at its option, redeem the Notes, in whole or in part, at a Redemption Price equal to 100% of the aggregate

principal amount of the Notes being redeemed, plus accrued and unpaid interest, if any, on the Notes being redeemed to, but excluding, the Redemption Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Redemption Date).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers’ Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the “**Special Mandatory Redemption Notice Date**”) that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the “**Special Mandatory Redemption Date**”) automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Twenty-Fourth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Twenty-Fourth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. DEFAULTS AND REMEDIES. The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. AMOUNT UNLIMITED. The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

WHEREAS, the Company, certain other parties thereto and the Trustee entered into an Indenture (the “**Base Indenture**”), dated as of April 15, 2013, pursuant to which the Company may issue Securities from time to time;

WHEREAS, the Company proposes to issue and establish a new series of Securities in accordance with Section 3.1 of the Base Indenture pursuant to this Twenty-Fifth Supplemental Indenture (the Base Indenture, as supplemented and amended by this Twenty-Fifth Supplemental Indenture, the “**Indenture**”); and

WHEREAS, all things necessary to make this Twenty-Fifth Supplemental Indenture the legal, valid and binding obligation of the Company have been done.

NOW, THEREFORE, for and in consideration of the premises, it is mutually covenanted and agreed as follows:

ARTICLE 1
DEFINITIONS

Section 1.01. *Definitions.* Capitalized terms used herein without definition shall have the respective meanings given them in the Base Indenture, *provided* that references to “this Indenture”, “herein”, “hereof” and “hereunder” and other words of a similar import in the Base Indenture shall be deemed to be a reference to the Base Indenture as supplemented and amended by this Twenty-Fifth Supplemental Indenture. Any references to “Article” or “Section” herein shall be a reference to an article or section of this Twenty-Fifth Supplemental Indenture unless expressly specified otherwise. For purposes of this Twenty-Fifth Supplemental Indenture, the following terms shall have the meanings specified below, notwithstanding any contrary definition in the Base Indenture.

“**Below Investment Grade Rating Event**” means the rating on the Notes (as hereinafter defined) is lowered by each of the Rating Agencies and the Notes are rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any Rating Agency).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, lease, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties and assets of the Company and its Subsidiaries taken as a whole to any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) other than the Company and its Subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the Indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any “person” or “group” (as those terms are used in Section 13(d)(3) of the Exchange Act) becomes the “beneficial owner” (as defined in Rules 13d-3 and 13d-5 under the Exchange Act), directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the Company consolidates or merges with or into any entity, pursuant to a transaction in which any of the outstanding voting stock of the Company or such other entity is converted into or exchanged for cash, securities or other property (except when voting stock of the Company constitutes, or is converted into, or exchanged for, at least a majority of the voting stock of the surviving person). For the avoidance of doubt, consummation of the Merger shall be deemed not to constitute a Change of Control for purposes of this definition.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term of the Notes that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of a comparable maturity to the remaining term of the Notes (assuming for this purpose that the Notes matured on the Par Call Date (as defined in Section 2.06)).

“Comparable Treasury Price” of a Comparable Treasury Issue means, with respect to any Redemption Date:

(i) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest of the Reference Treasury Dealer Quotations; or

“Merger” means the merger contemplated by the Merger Agreement.

“Merger Agreement” means the Agreement and Plan of Merger, dated as of March 17, 2019, by and among the Company, Wrangler Merger Sub, Inc. and Worldpay, Inc., as it may be amended, supplemented or otherwise modified from time to time in accordance with its terms.

“Outside Date” has the meaning specified in Section 2.07(a).

“Rating Agencies” means each of Fitch, Moody’s and S&P, so long as such entity makes a rating of the Notes publicly available; *provided, however,* if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the control of the Company, the Company shall be allowed to designate a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(e)(2)(vi)(F) under the Exchange Act (as certified by a resolution of the Board of Directors of the Company) as a replacement agency for the agency that ceased to make such a rating publicly available. For the avoidance of doubt, failure by the Company to pay rating agency fees to make a rating of the Notes shall not be a “reason outside of the control of the Company” for the purposes of the preceding sentence.

“Reference Treasury Dealers” means each of: (i) Barclays Capital Inc., Citigroup Global Markets Inc., Goldman Sachs & Co. LLC and J.P. Morgan Securities LLC (or their respective successors) and (ii) one additional primary U.S. government securities dealer (a “Primary Treasury Dealer”) selected by the Company. If any of the foregoing ceases to be a Primary Treasury Dealer, the Company will substitute another Primary Treasury Dealer in its place.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company (or the Independent Investment Banker), of the bid and asked prices for the Comparable Treasury Issue, expressed in each case as a percentage of its principal amount, quoted in writing by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third Business Day preceding such Redemption Date.

Section 1.02. The Base Indenture is hereby amended, solely with respect to the Notes, by amending the definitions of “Affiliate”, “Credit Agreement”, “Credit Facilities”, “Eligible Cash Equivalents” and “Guarantors” as they appear in Section 1.1 thereof to read as follows:

“**Affiliate**” means, with respect to any Person, any other Person directly or indirectly controlling, directly or indirectly controlled by, or under direct or indirect common control with, such Person. Section 2.08. *Right to Require Repurchase Upon a Change of Control Triggering Event.*

(a) Upon the occurrence of any Change of Control Triggering Event, each Holder of Notes shall have the right to require the Company to repurchase all or any part of such Holder’s Notes pursuant to the offer described below (the “**Change of Control Offer**”) on the terms set forth herein (*provided* that with respect to the Notes submitted for repurchase in part, the remaining portion of such Notes is in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase (the “**Change of Control Payment**”).

7. SPECIAL MANDATORY REDEMPTION.

(a) If the Company does not consummate the Merger on or prior to June 17, 2020 (the “**Outside Date**”), or if, prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated or that in the Company’s reasonable judgment the Merger will not be consummated on or prior to the Outside Date (each, a “**Special Mandatory Redemption Event**”), the Company shall redeem the Notes in whole but not in part at a special mandatory redemption price (the “**Special Mandatory Redemption Price**”) equal to 101% of the aggregate principal amount of the Notes, plus accrued and unpaid interest, if any, to, but excluding, the Special Mandatory Redemption Date (as defined below) (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on any Interest Payment Date that is on or prior to the Special Mandatory Redemption Date), in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture.

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company shall promptly (but in no event later than 10 Business Days following such Special Mandatory Redemption Event) notify (such notice to include the Officers' Certificate required by Section 10.2 of the Base Indenture) the Trustee in writing of such event, and the Trustee shall, no later than 5 Business Days following receipt of such notice from the Company, notify the Holders of Notes (such date of notification to the Holders, the "**Special Mandatory Redemption Notice Date**") that all of the Notes outstanding will be redeemed on the 3rd Business Day following the Special Mandatory Redemption Notice Date (such date, the "**Special Mandatory Redemption Date**") automatically and without any further action by the Holders of Notes, in each case in accordance with the applicable provisions set forth herein and in Article 10 of the Base Indenture, the form of such notice to the Holders of the Notes to be included in such notice to the Trustee. At or prior to 12:00 p.m., New York City time, on the Business Day immediately preceding the Special Mandatory Redemption Date, the Company shall deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for the Notes. If such deposit is made as provided above, the Notes will cease to bear interest on and after the Special Mandatory Redemption Date.

8. CHANGE OF CONTROL TRIGGERING EVENT. In the event of a Change of Control Triggering Event, the Holders of Notes shall have the right to require the Company to repurchase all or any part of such Holder's Notes at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus accrued and unpaid interest, if any, on the Notes repurchased, to, but excluding, the date of purchase pursuant to the provisions of Section 2.08 of the Twenty-Fifth Supplemental Indenture, subject to compliance with the procedures specified pursuant to the Twenty-Fifth Supplemental Indenture.

9. LEGAL HOLIDAYS. In any case where any Interest Payment Date, Redemption Date, Stated Maturity or Maturity of this Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Indenture or of this Security), payment of principal, premium, if any, or interest need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on such date; *provided* that no interest shall accrue on the amount so payable for the period from and after such Interest Payment Date, Redemption Date, Stated Maturity or Maturity, as the case may be.

10. UNCLAIMED MONEY. Subject to the terms of the Indenture, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request, and thereafter Holders entitled to the money shall, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease.

11. AMENDMENT, SUPPLEMENT. Subject to certain exceptions, the Indenture or this Security may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the Securities of each series affected by the amendment. Without the consent of any Holder, the Company, the Guarantors, if any, and the Trustee may amend or supplement the Indenture or this Security to, among other things, cure certain ambiguities or correct certain mistakes or to create another series of Securities and establish its terms.

12. **DEFAULTS AND REMEDIES.** The Events of Default set forth in Sections 5.1(1), (2), (3), (4), (5), (6) and (7) of the Base Indenture apply to this Security.

If an Event of Default, other than an Event of Default described in Section 5.1(5) or (6) of the Base Indenture, with respect to the Outstanding Securities of the same series as this Security occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Company (and, if given by the Holders, to the Trustee), may declare the principal of and accrued and unpaid interest, if any, on the aggregate principal amount of all Outstanding Securities of the same series as this Security to be due and payable, and upon any such declaration, such principal and interest, if any, shall be immediately due and payable; *provided* that, after such a declaration of acceleration with respect to this Security has been made, the Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may rescind and annul such declaration and its consequences as provided, and subject to satisfaction of the conditions set forth, in the Indenture. If an Event of Default specified in Section 5.1(5) or Section 5.1(6) of the Base Indenture occurs with respect to the Securities of the same series as this Security, the principal of and accrued and unpaid interest, if any, on all the Outstanding Securities of that series shall automatically become immediately due and payable without any declaration or act by the Trustee, the Holders of the Securities or any other party.

The Holders of a majority in aggregate principal amount of all Outstanding Securities of the same series as this Security, by written notice to the Trustee, may waive, on behalf of all Holders of such Securities, any past Default or Event of Default with respect to such securities and its consequences except (a) a Default or Event of Default in the payment of the principal of, or interest on, any such Security or (b) a Default or Event of Default in respect of a covenant or provision of the Indenture which, pursuant to the Indenture, cannot be amended or modified without the consent of each Holder of each affected Outstanding Security of the same series as this Security. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured.

13. **AMOUNT UNLIMITED.** The aggregate principal amount of Securities which may be authenticated and delivered under the Indenture is unlimited. The Securities may be issued from time to time in one or more series. The Company may from time to time, without the consent of the Holders of this Security, issue additional Securities of the series of which this Security is a part on substantially the same terms and conditions as those of this Security.

14. **TRUSTEE DEALINGS WITH COMPANY.** Subject to the TIA, The Bank of New York Mellon Trust Company, N.A., as Trustee under the Indenture, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company, the Guarantors, if any, or their respective affiliates, and may otherwise deal with the Company, the Guarantors, if any, or their respective affiliates, as if it were not Trustee.

No director, officer, employee, stockholder, member, general or limited partner of the Company or any Guarantor as such or in such capacity shall have any personal liability for any obligations of the Company or any Guarantor under this Security, any guarantee or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder, by accepting this Security, waives and releases all such liability. Such waiver and release are part of the consideration for the issue of this Security.

16. DISCHARGE OF INDENTURE. The Indenture contains certain provisions pertaining to discharge and defeasance.

17. GUARANTEES. This Security initially will not be guaranteed by any Subsidiary. Section 9.9 and Article 12 of the Indenture shall apply to this Security.

In addition, we have examined the originals (or copies certified or otherwise identified to our satisfaction) of such other corporate records, agreements, instruments, certificates, and documents and have reviewed such questions of law and made such inquiries as we have deemed necessary or appropriate for the purposes of the opinions rendered herein.

In such examination, we have assumed the genuineness of all signatures on all documents examined by us, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as copies and the authenticity of the originals of such latter documents. We have also assumed that the books and records of the Company have been maintained in accordance with proper corporate procedures. As to any facts material to our opinion, we have, when the relevant facts were not independently established, relied upon the documents referred to in clauses (a) through (l) above and the aforesaid other agreements, instruments, certificates, documents and records, as well as upon statements and certificates of officers and other representatives of the Company and others and of public officials. We have assumed that such statements, and that the representations in such documents, agreements, instruments, certificates and records, are and will continue to be true and complete without regard to any qualification as to knowledge or belief.

We have also assumed for purposes of this opinion letter, without investigation, that: (i) each of the parties to the Indenture and the Securities (collectively, the "Transaction Documents") and each person executing and delivering any of the Transaction Documents by or on behalf of any such

Based upon and subject to the foregoing, and subject to the further limitations, qualifications and assumptions stated herein, we are of the opinion that when the certificates representing the Securities have been authenticated and delivered by the Trustee in accordance with the terms of the Indenture, and the Securities have been delivered by the Company to the Underwriters against payment therefor in accordance with the terms of the Underwriting Agreement and the Indenture, the Securities will constitute valid and legally binding obligations of the Company, enforceable against the Company in accordance with their respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer or other similar laws affecting creditors' rights generally and to general equitable principles, regardless of whether such principles are considered in a proceeding at law or in equity.

Without limiting the generality of the foregoing, except as set forth herein, we express no opinion in connection with the matters contemplated by the Registration Statement, and no opinion may be implied or inferred, except as expressly set forth herein.

This opinion letter is rendered as of the date hereof based upon the facts and law in existence on the date hereof. We assume no obligation to update or supplement this opinion letter to reflect any circumstances that may come to our attention after the date hereof with respect to the opinion and statements set forth above, including any changes in applicable law that may occur after the date hereof.

We consent to the filing of this opinion letter as an exhibit to the Company's Current Report on Form 8-K to be filed in connection with the issuance and sale of the Securities, which will be

incorporated by reference into the Registration Statement and the Prospectus Supplement and to the use of our name under the heading "Legal Matters" contained in the Prospectus Supplement. In giving our consent, we do not thereby concede that we come within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission thereunder.

We also have assumed that the constitutionality or validity of a relevant statute, rule, regulation or agency action is not in issue unless a reported decision in the State of Georgia has established its unconstitutionality or invalidity.

Based upon and subject to the limitations, assumptions and qualifications set forth in this opinion letter, we are of the opinion that:

1. FIS has been duly organized as a corporation under the laws of the State of Georgia and is validly existing and in good standing under the laws of such State.
